Subject Re: EMPIRE PLAN Laboratory Services

Dear Chapter Presidents, Assistants and Health Benefits Administrators:

I need your assistance in helping me advise our membership on the latest change for 2007 with the Empire Plan. Effective January 1, 2007, Laboratory Corporation of America (LabCorp) will be the sole national participating provider of laboratory services for The Empire Plan Medical Program.

Please see the attached memo for all of the details.

I will also mention the changes in the December Voice under the benefits section.

It is so important to get the word out so our members wont be hit with out of network charges as of 1/1/07.

Thank you,
Doreen M. Bango
