TRANSFORM YOURSELF

This Summer at Stony Brook

WHY TAKE CLASSES AT STONY BROOK UNIVERSITY THIS SUMMER?

Summer is the perfect time to catch up on a required or difficult course, or just get a head start on the fall semester. It's also a great way to sample our course offerings if you are thinking about returning to college.

During the summer, it is easy to meet new people. Students from other campuses and the surrounding communities, as well as those who attend Stony Brook during the academic year, take summer classes.

Whether you take a course for credit or a non-credit course for professional development or just want to try your hand at something new, Stony Brook University offers you a rich environment—a place where you can reap the rewards of intellectual growth.

All information in this catalog is subject to change without notice.

Stony Brook University is an affirmative action/equal opportunity educator and employer.

QUICK ANSWERS *to important questions*

Answers to questions that students most often ask and some warnings of pitfalls to avoid.

1. Who can attend Summer Sessions?

Students who attend other institutions and non-degree students, as well as Stony Brook students. You must, however, meet any course prerequisites. Also, if you wish to continue studying at Stony Brook after the summer, you must follow the appropriate application procedures.

2. What is the SOLAR System?

This is Stony Brook's online student records system. You can register for, drop, and pay for your classes on the SOLAR System. You can also use it to view your class schedule, to see where your classes meet, and to view your grades at the end of the summer.

3. How do I find a course description?

Visit the SOLAR System (www.stonybrook.edu/solarsystem) and you can look up course schedules, locations of classes, and descriptions. You do not need a Stony Brook ID number; just log in as a GUEST.

4. How do I register for classes?

If you are an SBU student, you enroll in Summer Sessions classes on the Web or by telephone just as you would during the academic year. If you are a visiting student, you must first submit either the visiting undergraduate student or the visiting graduate student application. Then follow the instructions for the SOLAR System on page 35.

If you do not have Internet access, you may register on the Automated Telephone System: (631) 632-1700. You will need your Stony Brook ID number and will use your birthdate as your PIN number (MM/DD/YY).

5. Why do I need a Stony Brook ID number?

You need this number to register and pay for classes, look up your class schedule, view your grade(s) on the SOLAR System, or have a transcript sent to another institution.

6. What do I do if I have forgotten my ID number?

If you have forgotten your ID number, you must come in person to the Registrar or Summer Sessions Office and provide us with a photo ID for proof of your identity. If you have forgotten your password for the SOLAR System, follow the directions on the SOLAR System.

7. Will I be automatically dropped if I never attend any classes?

No! If you change your mind about attending Summer Sessions, you must drop your class(es) yourself, otherwise you will be liable for all charges. You can drop classes on the SOLAR System, by telephone, or in person.

8. How can I check my schedule and find out where my class meets?

Log into the SOLAR System with your Stony Brook ID number and password.

9. When and how do I pay for my Summer Sessions classes?

You have seven (7) days after registering to pay for your classes. You may pay for them on the SOLAR System or in person. You may also use the Time Option Payment Plan (TOPP) to spread out your payments.

10. Why do I need a campus ID card?

You need this card to participate in a summer meal plan, check books out of the library, register your vehicle, use the fitness center and gym, and to receive any student discounts. You will need your Stony Brook ID number to obtain a campus ID card.

11. Where can I park and do I really need a parking permit?

Yes, you need a parking permit to avoid having your vehicle ticketed. Students with valid parking permits can park in one of the free commuter student lots or may pay to park in one of the campus parking garages. You can find out about parking—including any additional lots that may be open to summer students—during the first week of each session's classes at information booths at the main entrance on Nicholls Road and at the commuter student parking lot adjacent to Stony Brook Road.

12. Is financial aid available for the summer?

It may be. If you attend Stony Brook during the academic year, check with Stony Brook's Financial Aid Office. If you attend another institution, check with its Financial Aid Office.

13. Should I register for the Pass/No Credit Option in the summer?

If you are a visiting student, ask your home institution whether or not they will accept a "P" on your transcript. Stony Brook students should refer to the Pass/No Credit policy detailed in the Undergraduate Bulletin. All summer students are limited to four (4) P/NC credits per session and a total of eight (8) P/NC credits during the entire summer.

14. How can I have a transcript sent to the school I attend during the academic year?

The Registrar will send an official transcript to your school upon receipt of your written request and a fee of \$5.00, provided your account has been paid in full. Wait until your classes have finished so that your grade(s) will appear on the transcript.

15. Where can I eat on campus in the summer?

Check at one of the information booths or pick up the Summer Sessions FAQ Sheet to find out what dining facilities, other than the Student Activities Center, may be open in summer. The FAQ sheet will be available on June 2.

Please refer to the Table of Contents or Index of this Catalog for where to find more information about any of these questions. All information in this Catalog is subject to change without notice.

WHAT YOU SHOULD KNOW

about undergraduate classes

- **Class Meeting Days and Times**

The specific meeting days and times for each course appear after the course title, along with the session in which it is scheduled or the dates if it is on a special schedule. Contact the appropriate department about courses listed as TBA (to be arranged). Departmental phone numbers and locations are listed under the departmental headings on the following pages.

- **Course Levels**

The instructional level of each course is indicated by its number. Courses numbered 100-299 are at the freshman-sophomore level; those numbered 300-499 are at the junior-senior level. Course descriptions and class numbers may be accessed on the SOLAR System. The only course descriptions that are listed in this Catalog are the individual descriptions for repeatable topics courses.

- **Class Numbers vs. Course Numbers**

Each class has a course number and section (e.g., MAT 123.01) and a class number. When you register, use only the class number, not the course number that appears in this catalog. Class numbers are available on the SOLAR System.

- **Research Courses and Internships**

Summer independent research or internship courses may also be available. We do not list these in this Catalog. Contact the appropriate academic department to inquire about research and internship opportunities. If the department is not listed in this Catalog, call Campus Information at (631) 689-6000.

- **Classroom Assignments**

During the final week of enrollment, classroom assignments will be posted outside the Registrar's Office, second floor lobby of the Administration Building, and outside the Summer Sessions Office, 104 Administration Building. You may also access classroom assignments on the SOLAR System. Any changes in class meeting days or times are also posted in the above locations and on the SOLAR System Web site.

- **Course Prerequisites and Permission**

It is up to you to be certain you have met any and all prerequisites for a course before you enroll in it. An equivalent course prerequisite from another college or university is usually acceptable. Prerequisites appear with the course descriptions on the SOLAR System. If in doubt, contact the sponsoring department at Stony Brook.

- **Course Changes or Cancellations**

This Catalog was prepared prior to approval of the New York State Budget for the 2003 fiscal year. Some alterations in the courses listed, including cancellation of courses, may have to be made pending approval of the budget. We may also have to cancel any course that does not meet the required enrollment minimum, so please enroll as early as you can.

Look for Summer Sessions Updates that list closed and cancelled courses, as well as other important information. These are available in the Summer Sessions Office (104 Administration Building), the Registrar's Office (second floor lobby of the Administration Building), and the SOLAR System Web site. It is a good idea to check the latest update before attending your first class, especially if you registered for classes early in the registration period.

- **Register Early!**

Waiting until the last moment to enroll is the best way we know to kill a class. If we don't have enough students by the final week of enrollment we might have to cancel the course. Trying to enroll on the last day of registration won't resurrect it. We urge you to register as soon as you are eligible and know what you want to study this summer.

How to Enroll in Classes

You may use the SOLAR System or Automated Telephone Registration System to enroll in classes. To find out more about enrolling in Summer Sessions classes, please see the section on How to Enroll later in this catalog.

If you are new to Stony Brook, you will be assigned a Stony Brook ID number after you have submitted your visiting student application. It is vital that you remember this number and keep a record of it in a safe place! You will need it to register and pay for classes, obtain your grade(s), view your schedule and classroom assignments on the SOLAR System, and request a transcript.

AFRICANA STUDIES

S245 Ward Melville Social and Behavioral Sciences Building
(631) 632-7470

AFH 249.60 African-American Literature and Music in the 19th and 20th Centuries

(Scheduled in Manhattan)

Tracey Walters

Crosslisted with EGL 249-G

(Session I) 3 units/D.E.C.-G

MW 1:00 p.m.–4:25 p.m.

AFS 221.01 Introduction to Modern African History

Instructor to be announced

Crosslisted with HIS 221-J

(Session I) 3 units/D.E.C.-J

MW 9:30 a.m.–12:55 p.m.

AFS 319.01 The Politics of Race

Dennis Doyle

TuTh 6:00 p.m.–9:25 p.m.

ANTHROPOLOGY

S501 Ward Melville Social and Behavioral Sciences Building
(631) 632-7620

ANT 321.01 Archaeological Field Methods

Daria Merwin

Students are trained in modern archaeological survey and excavation techniques and work on underwater archaeological sites in the New York metropolitan area. The program is based at Sandy Hook, N.J., and all participants are housed in dormitory-style rooms at historic Fort Hancock at the Sandy

Hook Unit of Gateway National Park. Daily field work is supplemented by evening lectures and laboratory activities. Students pay a course fee of \$800 to cover housing, food, transportation, and equipment.

Prerequisite: Permission of instructor (E-mail dmerwin@notes.cc.sunysb.edu or call 631-632-7618). Participants must hold current open-water scuba diving certification from a national organization such as NAUI or PADI and supply their own diving equipment (except for weights and tanks, which are provided). Students must pass a diving medical physical examination prior to the start of class and pass a written exam covering basic scuba topics, and a skills evaluation test of swimming, skin diving, and scuba diving. Application deadline is May 16, 2003.

(Session II) 6 units

MTuWThF 8:00 a.m.–5:00 p.m.

ANT 367.01 Male and Female

David Gilmore

(Session I) 3 units/D.E.C.-F

TuTh 6:00 p.m.–9:25 p.m.

ART

2225 Staller Center for the Arts
(631) 632-7250

ARH 101.01 Art in Culture from Prehistoric Times to the Age of the Cathedrals, ca. 1400 A.D.

Joseph Monteyne

(Session I) 3 units/D.E.C.-D

MW 6:00 p.m.–9:25 p.m.

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem. Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

Stony Brook Goes To The Big Apple

With Summer Courses Scheduled in Stony Brook's New Manhattan Location

In addition to the Summer Sessions courses scheduled at its suburban Stony Brook campus, several undergraduate courses are offered this summer at Stony Brook's Manhattan site, 401 Park Avenue South (at 28th Street). Like the classes scheduled on campus, these courses are open to both visiting and Stony Brook students.

The courses scheduled at Stony Brook's "Big Apple" location are identified with an apple (🍏). To learn more about Stony Brook Manhattan, please visit its Web site: www.stonybrook.edu/sb/sbcity.

Are You Transferring to Stony Brook?

Often students who have applied to or been accepted at Stony Brook as transfer students want to get a head start in the summer. Even those who may still be thinking about applying to transfer to Stony Brook may want to attend. It's easy to have your credits evaluated so that you will know what you need to take. Just call our Transfer Office at (631) 632-7028 for an evening appointment or drop in during the day. Summer hours appear at the end of the Enrollment section of this catalog.

ARH 102.01 Art in Culture from the Early Renaissance, ca. 1400, to Postmodernism

Joseph Monteyne
(Session II) 3 units/D.E.C.-D
TuTh 6:00 p.m.–9:25 p.m.

🍏 ARH 322.60 American Art Since 1947 (scheduled in Manhattan)

Kirsten Swenson
(Session I) 3 units/D.E.C.-G
Tu 12:00 p.m.–3:00 p.m.
Th 12:00 p.m.–5:30 p.m. (Some museum gallery visits will be scheduled at this time.)

ARH 342.01 Art of the 20th Century

Kirsten Swenson
(Session II) 3 units/D.E.C.-G
MW 9:30 a.m.–12:55 p.m.

🍏 ARH 390.60 Topics in European Art: Global Pop (scheduled in Manhattan)

Richard Leslie
The course explores critical understandings of Pop Art and the New Realism, with their connections to early Minimal and Structuralist art within Europe, the U.K., and the U.S.A. from the late 1950s, '60s, and early '70s, along with concepts of mass culture. The course also examines the internationalization of the Pop phenomenon, concentrating on the former U.S.S.R. and parts of Eastern Europe, as well as non-Western and selected Latin countries.
(Session I) 3 units/D.E.C.-I
MW 1:00 p.m.–4:25 p.m.

ARS 154 Foundations of Drawing
3 units/D.E.C.-D. An extra fee course.

ARS 154.01 (Session I)
MW 1:30 p.m.–5:30 p.m.
Jason Godeke

ARS 154.02 (Session II)
TuTh 1:30 p.m.–5:30 p.m.
Katie Diago

ARS 471.01 Advanced Theory and Practice of Printmaking: Intaglio Processes

Martin Levine
Continued development of intaglio techniques, emphasizing a variety of multi-plate and single-plate color printing processes, and tailored to the individual requirements of advanced students. An extra fee course.
(Session I) 3 units
MW 5:30 p.m.–9:30 p.m.

ARS 492.01 Special Topics in Studio/Theory and Practice: Watercolor

Martin Levine
An exploration of various materials and techniques for creating watercolor paintings. May be repeated as the topic changes. An extra fee course.
(Session I) 3 units
TuTh 5:30 p.m.–9:30 p.m.

ARS 492.02 Special Topics in Studio Art/Theory and Practice: The Portrait

Martin Levine
This course covers various drawing materials and techniques for creating portraits

both as a reflection of what the artist sees and as an expression of the artist's concepts, personality, and sensibilities. Consideration of how artists have used portraiture from early historical periods to contemporary art. May be repeated as the topic changes. An extra fee course.
(Session II) 3 units
TuTh 5:30 p.m.–9:30 p.m.

Starting College This Fall?

Why not pick up a freshman-level course in Term II this summer? Not only will you gain experience studying at the college level, you will get a head start on your freshman year. Summer classes also enable you to test the waters in a subject that you may be thinking of as a possible major. And you will meet students in your classes who attend other colleges and universities as well as Stony Brook.

CLT 220.60 Non-Western Literature: Reconstructing Asian America in Literature and Film

(scheduled in Manhattan)

Deborah Altgilbers

This course provides an overview of the Asian experience in America as represented in literature and film. Among the themes to be addressed are intergenerational and cultural conflict, interracial relations, sexuality, and media representations of Asian Americans. The class will analyze intellectual and artistic trends in contemporary Asian American communities as well as social practices in these communities.

(Session I) 3 units/D.E.C.-J

MW 9:00 a.m.–12:25 p.m.

CLT 235.60 American Pluralism in Film and Literature: Race, Sexuality, and Citizenship

(scheduled in Manhattan)

Steve Edwin

What does citizenship mean? Who can become a citizen? How have race, gender, and sexuality been connected to citizenship? Through readings in American literature

and film, this course explores the changing meanings and potential power of citizenship in law and culture.

(Session II) 3 units/D.E.C.-K

TuTh 1:00 p.m.–4:25 p.m.

CLT 266.01 The 20th Century Novel

NOTE CONCERNING COMPUTER SCIENCE COURSES

Computer Science courses are not open to high school students.

At press time, the computer science schedule had not been established. Please call the Computer Science Department or visit the SOLAR System Web site (www.stonybrook.edu/solarsystem) to find out when the following courses are scheduled.

CSE 113 Foundations of Computer Science I

Ahmad Esmaili

Prerequisite: One MAT course that satisfies D.E.C. category C or score of level 4 on the mathematics placement examination.

(Session I) 3 units/D.E.C.-C

Lecture: HTBA

Recitation: HTBA

CSE 114 Computer Science I

Richard McKenna

Prerequisite: CSE 113

(Extended Session) 4 units

Lecture: HTBA

Laboratory: HTBA

Recitation: HTBA

CSE 213 Foundations of Computer Science II

Anita Wasilewska

Prerequisite: CSE 113

(Session I) 3 units

CSE 214 Computer Science II

Ahmad Esmaili

Prerequisite: CSE 114

(Session II) 3 units

Lecture: HTBA

Recitation: HTBA

CSE 303.01 Introduction to the Theory of Computation

Anita Wasilewski

Prerequisite: CSE 213 and 214

(Session II) 3 units

HTBA

CSE 333.01 User Interface Development

Rong Zhao

Prerequisites: CSE 214; PSY 103

recommended

Crosslisted with ISE 333

(Session I) 3 units

HTBA

CSE 346.01 Computer Communications

Thomas Robertazzi

Crosslisted with ESE 346

ECONOMICS

S601 Ward Melville Social and Behavioral Sciences Building
(631) 632-7540

ECO 100.01 Economics for Social Studies Teachers

Rachel Kreier

Note: This course is designed for students working toward certification as Social Studies teachers. Students who have questions about this course should contact the Social Sciences Interdisciplinary Department at: (631) 632-7685.

(Session I) 3 units/D.E.C.-F

TuTh 9:30 a.m.–12:55 p.m.

ECO 108.01 Introduction to Economics

Yutian Chen

Prerequisites: WRT 101; MAP 103 or level 3 on the mathematics placement examination.

(Session I) 4 units/D.E.C.-F

MWTh 9:30 a.m.–12:35 p.m.

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem. Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

Head Starts for High School Students

If you are completing your junior year in high school, you might want to consider taking one of our introductory summer courses to gain a head start on your academic career and learn firsthand what college courses are like. Check out the 100-level courses listed in this section of the Catalog. Many of them are scheduled in Session II, which begins after the high school year has ended. Summer classes allow you to test the waters in a subject that you may be thinking of as a college major, or make it possible for you to take a course your high school may not offer.

ECO 108.02 Introduction to Economics

Olga Borovikova
Prerequisites: WRT 101; MAP 103 or level 3 on the mathematics placement examination
 (Session II) 4 units/D.E.C.-F
 MWTh 1:30 p.m.–4:35 p.m.

ECO 303.01 Intermediate Microeconomic Theory

Fan Wang
Prerequisite: ECO 108
 (Session I) 4 units
 MWTh 1:30 p.m.–4:35 p.m.

ECO 303.02 Intermediate Microeconomic Theory

Ming-Hung Weng
Prerequisite: ECO 108
 (Session II) 4 units
 MWTh 9:30 a.m.–12:35 p.m.

ECO 305.01 Intermediate Macroeconomic Theory

Abhijit Sengupta
Prerequisite: ECO 108
 (Session I) 4 units
 MWTh 9:30 a.m.–12:35 p.m.

ECO 305.02 Intermediate Macroeconomic Theory

Shirley Liu
Prerequisite: ECO 108
 (Session II) 4 units
 MWTh 1:30 p.m.–4:35 p.m.

ECO 320.01 Mathematical Statistics

Hsien-Hung Chiu
Prerequisite: ECO 108
 (Session I) 4 units
 MWTh 1:30 p.m.–4:35 p.m.

ECO 326.01 Industrial Organization

Andriy Zapechelnyuk
Prerequisite: ECO 303
 (Session I) 3 units
 MW 1:30 p.m.–4:55 p.m.

ECO 337.01 Advanced Labor Theory

Huan Ni
Prerequisite: ECO 303
 (Session I) 3 units
 MW 9:30 a.m.–12:55 p.m.

ECO 348.01 Analysis For Managerial Decision Making

Selcuk Eren
Prerequisite: ECO 303
 (Session I) 4 units
 MWTh 9:30 a.m.–12:35 p.m.

ELECTRICAL ENGINEERING

273 Light Engineering Lab Building
 (631) 632-8400

ESE 306.01 Random Signals and Systems

Thomas Robertazzi
Prerequisite: ESE 305
 (Session I) 3 units
 TuTh 6:00 p.m.–9:25 p.m.

ESE 340.01 Basic Communication Theory

Thomas Robertazzi
Prerequisites: ESE 305 and 306
 (Session II) 3 units
 MW 6:00 p.m.–9:25 p.m.

ESE 346.01 Computer Communications

Thomas Robertazzi
 Crosslisted with CSE 346
Pre- or corequisite for electrical and computer engineering majors: ESE 306
Prerequisite for computer science majors: CSE 220
Pre- or corequisite for computer science majors: AMS 310 or 311
 (Session I) 3 units
 MW 9:30 a.m.–12:55 p.m.

EGL 363.01 Fiction in English: Novels and their Film Adaptations

Dennis Clarke
 The development of plot, structure, character, theme, and language in contemporary English and American novels. Exploration

Study Abroad

Stony Brook offers a number of study abroad opportunities in summer. They include:

- Italian language and culture in Rome, Italy
- French language and culture in Montpellier, France
- Graduate study in Spanish language and culture for teachers in Leon, Spain
- An academic safari in northern Tanzania
- An international coed summer school (in English) at Ewha Womans' University in Seoul, Korea

For more information, contact Study Abroad at (631) 632-7030 or visit www.stonybrook.edu/studyabroad.

of the comparisons and contrasts between films made from the novels and the novels themselves.

(Session I) 3 units/D.E.C.-G
TuTh 1:30 p.m.–4:55 p.m.

EGL 367.01 Contemporary African-American Literature

Josie Brown-Rose

(Session I) 3 units/D.E.C.-G
MW 6:00 p.m.–9:25 p.m.

EGL 371.01 Topics in Gender Studies in Literature: The Evolution of Black Feminist Discourse

Josie Brown-Rose

This course will look at the development of black feminist discourse in America. What is the relationship between Feminism and Black Feminism? What led to the development of Womanism? We will evaluate poetry, short stories, and novels that are part of the black feminist tradition and attempt to define the tradition. Emphasis will be placed on black feminist theory.

(Session I) 3 units/D.E.C.-G
TuTh 6:00 p.m.–9:25 p.m.

EGL 372.01 Topics in Women and Literature: Women Writers of the British 18th Century

Jennifer Frangos

(Session I) 3 units/D.E.C.-G
MW 6:00 p.m.–9:25 p.m.

EGL 374.01 Literature in English in Relation to Other Disciplines: Postmodernism and the 18th Century

Jennifer Frangos

This course explores the connections between postmodernism and

Enlightenment Britain, the period where concepts of "Author," "Literature," and of "Subject" (among others) took their modern and familiar forms. Postmodernism has been characterized by "fragmentation and discontinuity (especially in narrative structures), ambiguity, simultaneity, and an emphasis on the deconstructed, decentered, dehumanized subject."

(Session I) 3 units/D.E.C.-G
TuTh 6:00 p.m.–9:25 p.m.

EGL 375.01 Literature in English in Relation to Other Disciplines: The Documentary Film as Argument

Dennis Clarke

The course views a number of documentary films and analyzes the rhetorical techniques that the filmmakers use to create their arguments. Films include *Startup.Com*, *Paradise Lost*, and *The Selling of a Serial Killer*.

(Session II) 3 units/D.E.C.-G
TuTh 1:30 p.m.–4:55 p.m.

Other literature courses may be found under Comparative Literature and Humanities.

Ride the Air Waves

Since 1977, Stony Brook has had its own non-commercial radio station, WUSB 90.1 FM, staffed by members of the campus and Long Island community. Its 24-hour-a-day, seven-day-a-week schedule offers a mix of programming that includes rock, jazz, folk, dance, rap, and classical music as well as world music from a number of countries. It also schedules locally produced information shows on a wide range of topics. Call the station at (631) 632-6500 to find out about internship or work opportunities. For programming information, call (631) 632-6498.

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem.

Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

Enroll Early!

Please enroll as soon as you can! You can ease the financial burden by using the Time Option Payment Plan (TOPP) to space out your tuition payments. Waiting until the last moment to enroll is the best way we know to kill a class. If we don't have enough students by the final week of enrollment, we might have to cancel a course. Trying to enroll on the day before classes begin won't resurrect the course if it has already been cancelled.

Mathematics Sequence Explanation

Stony Brook offers two calculus sequences, a three-semester sequence (MAT 125, 126, 127) and a two-semester sequence (MAT 131, 132) for students able to move at a faster pace. In addition, Stony Brook offers two introductory calculus courses, MAT 122 Overview of Calculus with Applications, and MAT 123 Introduction to Calculus.

MAT 122 provides an introduction to calculus for students who need only a one-semester introductory survey of the ideas of calculus. The course is especially appropriate for business and economics majors, as well as for the B.A. in psychology.

MAT 123 provides an introduction to calculus for students who plan to take additional calculus courses. Students who take MAT 123 may go on to take MAT 125 Calculus A or MAT 131 Calculus I.

MAT 123.60 (Session I)
MW 9:00 a.m.–12:25 p.m.
Mohammad Javaheri
(scheduled in Manhattan)

MAT 125 Calculus A

Instructors to be announced
3 units/D.E.C.-C

MAT 125.01 (Session I)
MWTh 9:30 a.m.–11:45 a.m.

MAT 125.02 (Session II)
MWTh 6:00 p.m.–8:15 p.m.

MAT 125.60 (Session II)
MW 9:00 a.m.–12:25 p.m.
Jessie Yang
(scheduled in Manhattan)

MAT 126 Calculus B

Instructors to be announced
3 units D.E.C.-C

MAT 126.01 (Session I)
TuTh 1:30 p.m.–4:55 p.m.

MAT 126.02 (Session II)
MWTh 9:30 a.m.–11:45 a.m.

MAT 127.01 Calculus C

Instructor to be announced
(Session II) 3 units
TuTh 1:30 p.m.–4:55 p.m.

MAT 131.01 Calculus I

Instructor to be announced
(Session I) 4 units/D.E.C.-C
MWTh 6:00 p.m.–9:05 p.m.

MAT 132.01 Calculus II

Instructor to be announced
(Session II) 4 units
MWTh 6:00 p.m.–9:05 p.m.

MAT 200.01 Logic, Language, and Proof

Instructor to be announced
(Session II) 3 units
MWTh 6:00 p.m.–8:15 p.m.

MAT 203.01 Calculus III with Applications

Instructor to be announced
(Session I) 4 units
MWTh 6:00 p.m.–9:05 p.m.

MAT 211 Introduction to Linear Algebra

Instructors to be announced
3 units

MAT 211.01 (Session I)
MWTh 6:00 p.m.–8:15 p.m.

MAT 211.02 (Session II)
MWTh 9:30 a.m.–11:45 a.m.

MAT 303.01 Calculus IV with Applications

Instructor to be announced
(Session I) 4 units
MWTh 6:00 p.m.–9:05 p.m.

MAT 312.01 Applied Algebra

Instructor to be announced
Crosslisted with AMS 351
(Session II) 3 units
MWTh 6:00 p.m.–8:15 p.m.

MAT 341.01 Applied Real Analysis

Instructor to be announced
(Session I) 3 units
MWTh 6:00 p.m.–8:15 p.m.

MUSIC

3304 Staller Center for the Arts
(631) 632-7330

MUS 101.01 Introduction to Music

Sonya Hofer
(Session II) 3 units/D.E.C.-D
MW 9:30 a.m.–12:55 p.m.

MUS 105.01 Musics of the World I

Alecia Barbour
(Session I) 3 units/D.E.C.-G
MW 6:00 p.m.–9:25 p.m.

MUS 119 The Elements of Music

Perry Goldstein
3 units/D.E.C.-D

MUS 119.01 (Session I)
TuTh 9:30 a.m.–12:55 p.m.

MUS 119.02 (Session II)
MW 6:00 p.m.–9:25 p.m.

MUS 261.01 Stony Brook Chorale

Timothy Mount
Grading is based on attendance. The class will perform in a concert at the Staller Center on Tuesday, July 8.

Prerequisite: Audition or permission of instructor. Auditions will be held April 8 and May 7 at 7:00 p.m. in Room 0113, Music Department, Staller Center for the Arts. Call (631) 632-7329 or E-mail Timothy.Mount@stonybrook.edu.

(Session I) 1 unit
MW 6:00 p.m.–9:25 p.m.

MUS 301.01 Music of the Baroque

David Snyder
(Session I) 3 units/D.E.C.-I
TuTh 6:00 p.m.–9:25 p.m.

MUS 304.60 Contemporary Traditions in American Music: 1900 to the Present

(Scheduled in Manhattan)
Margaret Martin
(Session I) 3 units/D.E.C.-K
TuTh 9:00 a.m.–12:25 p.m.

MUS 308.01 History of Jazz

Steve Gehring
(Session I) 3 units/D.E.C.-K
TuTh 6:00 p.m.–9:25 p.m.

MUS 320.01 U.S. Popular Music

Michael McCurdy
The study of popular music in the United States. Topics may include popular music in the U.S. since 1945, American popular music of colonial times, and American musical theatre. The course explores such aspects as musical structure and form; the nature of the commercial music industry; and how issues of gender, race, geography, economics, and technology affect the creation, performance, and reception of popular music. Not for music major credit.
(Session II) 3 units/D.E.C.-G
TuTh 9:30 a.m.–12:55 p.m.

NURSING COURSES

The School of Nursing offers a variety of summer courses at the undergraduate level. Students may select from elective and required courses taught by visiting

scholars and Stony Brook faculty. These courses include the most up-to-date, innovative practice and scholarship available in today's health care professions. Many courses will be of direct interest to registered nurses in clinical practice who wish to advance their knowledge and skills. Students enrolled at other institutions and/or students in other health-related disciplines are welcome.

(Session II) 3 units
MW 6:00 p.m.–9:25 p.m.

PSY 339.01 Special Topics in Clinical Psychology: Applied Behavior Analysis-Positive Behavior Support

Darlene Magito-McLaughlin
This course provides a comprehensive curriculum to address all aspects of positive behavior support. The course utilizes a case study format and intersperses course content with supported applications. Students learn to design, implement, and evaluate instructional and environmental modifications to produce socially significant improvements in behavior and increase quality of life outcomes for students with special needs.
(Session I) 3 units
MW 1:30 p.m.–4:55 p.m.

PSY 339.02 Special Topics in Clinical Psychology: Disruptive Behavior Problems in Children

Deborah Leung
This course examines the origins and progression of patterns of externalizing behavior problems in childhood and adolescence from the developmental and social learning perspectives. Special focus is given to roles of biological, familiar (e.g., parenting, interparental conflict), social (e.g., peer relations), and cognitive (e.g., attributional bias) processes in the development and maintenance of Attention Deficit Hyperactivity Disorder (ADHD), Oppositional Defiant Disorder (ODD), and Conduct Disorder (CD).
(Session II) 3 units
MW 9:30 a.m.–12:55 p.m.

PSY 345.01 Theories of Personality

TuTh 9:30 a.m.–12:55 p.m.

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem. Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

Changed Your Mind?

If you decide to change your schedule or drop one or all of your summer classes, remember that not attending class won't automatically cancel your enrollment. You need to drop the class officially, otherwise you are obligated for the cost of tuition and fees. It's just like returning a purchase to a store: If you change your mind or need a different size or color, it's up to you to return or exchange your purchase. However, we don't make you return in person to Stony Brook. Within the add/drop period for each term you can make most enrollment changes on the Web or the automated telephone system. Call (631) 632-1700.

PSY 355.01 Human Brain Function

Todd Watson
(Session II) 3 units
TuTh 6:00 p.m.–9:25 p.m.

PSY 359.01 Special Topics in Biopsychology: Assessment of Brain and Behavior

Joanne Pierre-Louis
This course takes a "hands on" approach to the study of how disturbances in the brain result in changes of everyday behavior, personality, and intellectual functioning.
(Session I) 3 units
MW 9:30 a.m.–12:55 p.m.

PSY 367.01 Memory

Jennifer Beck
(Session II) 3 units
TuTh 1:30 p.m.–4:55 p.m.

PSY 369.01 Special Topics in Cognition and Perception: Psychology of Music

David Echevarria
This class presents an overview of the psychology of music. It is intended for all students regardless of musical experience or background in psychology. The class includes the study of the mental processes involved in listening to, performing, and composing music. It also includes the study of biological and cultural factors, as well as the physiological and psychological responses to music. In addition, the course examines recent studies of the cognitive, emotional, and social aspects of music; the origins of music and its relationship to language; and the processing of music within the brain.
(Session I) 3 units
MW 6:00 p.m.–9:25 p.m.

PSY 375.01 History and Systems of Psychology

Allen Azizian
(Session I) 3 units
MW 6:00 p.m.–9:25 p.m.

Intensive English Center Programs

Stony Brook's Intensive English Center (IEC) offers a summer program of courses and activities in American language and culture for international students and visitors. Students in the basic IEC program attend English language and elective classes on a variety of topics. They are introduced to typical academic situations and join excursions to places of cultural and historical interest on Long Island and in New York City. IEC classes are taught by experienced instructors who have graduate degrees in Teaching English as a Second Language (TESOL) or equivalent professional training.

International students who already have a 530 TOEFL score (CBT 197) may elect to attend the IEC program part-time and take one undergraduate credit course two days a week. For more information, please contact:

What's Happening? Where? When?

Visit the Stony Brook Web site, www.stonybrook.edu, to find out what's happening on campus each day, or listen to WUSB 90.1 FM between 7:00 a.m. and 9:00 a.m. and 2:30 p.m. and 5:30 p.m. for announcements of campus events. You can also check out the Weekend section of *Newsday* or the Long Island section of *The New York Times* each Sunday for events and activities scheduled for the weekend and the following week all over Long Island. Or pick up the weekly *Village Times* for events in the Three Village-Port Jefferson area.

Matthew Klein

The Academic Mall, a focal point of campus life, features a fountain, benches, and areas for students to unwind.

Many Voices, Many Visions, One University

In the spirit of our ongoing community initiative, we continue to promote the ideals expressed in our 1999-2000 Year of Community Statement.

As members of Stony Brook University, we acknowledge that the primary purpose of this community is education, including academic achievement, social development, and personal growth.

In committing ourselves to study and work at Stony Brook, we agree to promote equality, civility, caring, responsibility, accountability, and respect. We also recognize the importance of understanding and appreciating our differences and similarities.

As members of a respectful community, we will not encroach on the rights of others, either as individuals or as groups. We recognize that freedom of expression and opinion entails an obligation to listen to and understand the beliefs and opinions of others, and to treat others fairly.

We strive to be a responsible community. We are accountable individually for our personal behavior and development, and collectively for the welfare of the community itself.

We encourage all Stony Brook community members to celebrate and express pride in our community's academic, athletic, and social accomplishments, and to involve themselves in the surrounding local communities.

In affirming this statement, we commit ourselves to becoming dedicated, active, and full members of Stony Brook University in each role we assume.

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem.

Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

WHAT YOU SHOULD KNOW

about graduate classes

- **Class Meeting Days and Time**

The specific meeting days and times for each course appear after the course title, along with the session in which it is scheduled or the dates if it is on a special schedule. Session I graduate courses meet only in the evening for the convenience of teachers who need to study in the summer. Contact the appropriate department about times for courses listed as TBA (to be arranged). Departmental phone numbers are listed under the departmental headings on the following pages. Most course descriptions may be accessed on the SOLAR System. The only course descriptions listed in this Catalog are the individual descriptions for repeatable topics courses.

- **Class Numbers vs. Course Numbers**

Each class has a course number and section (e.g., MAT 513.01) and a class number. When you register, use only the class number, not the course number that appears in this catalog. Class numbers are available on the SOLAR System and Summer Sessions Web sites.

- **Graduate Course Indicators**

Graduate courses that begin with prefixes other than CE are open to SPD graduate students and non-Stony Brook graduate students with the permission of the academic department. Call Campus Information at (631) 689-6000 if a department's phone number is not listed in the following section. If you are interested in graduate independent research or reading courses during the summer, you should contact the appropriate department.

It is up to you to be certain you have met any and all prerequisites for a course before you enroll in it. Prerequisites appear with the course descriptions on the SOLAR System. An equivalent course prerequisite from another college or university is usually acceptable. If in doubt, contact the sponsoring department at Stony Brook.

- **Classroom Assignments**

During the week before classes begin, classroom assignments will be posted outside the Registrar's Office, second floor lobby of the Administration Building, and outside the Summer Sessions Office, 104 Administration Building. You may also access classroom assignments on the SOLAR System. Any changes in class meeting days or times are also posted in these locations and on the Summer Sessions Web site.

- **Undergraduates Taking Graduate Courses**

If you are a college junior or senior, you may enroll in graduate courses on a space-available basis to increase your knowledge in a particular area, or as part of a combined bachelor's/master's degree program. You must obtain written permission of the course instructor and the School of Professional Development (SPD) for courses beginning with the prefix CE or the Graduate School for all other graduate courses. Use form SUSB 3065, which is available from the Graduate School or SPD. Undergraduates may not take graduate courses for Pass/No Credit.

On the last day of in-person enrollment, bring the form with all the necessary signatures to the Summer Sessions Office for final approval. If you are a visiting undergraduate student, you should also bring written permission to take a graduate course from the institution you attend during the academic year. Stony Brook undergraduates should refer to the Undergraduate Bulletin for the policy covering undergraduates enrolling in graduate courses.

- **Course Changes or Cancellations**

This Catalog was prepared prior to approval of the New York State Budget for the 2003 fiscal year. Some alterations in the courses listed, including cancellation of courses, may have to be made pending approval of the budget. We may also have to cancel any course that does not meet the required enrollment minimum, so please enroll as early as you can.

Look for Summer Sessions Updates, which list closed and cancelled courses, along with other important information. These are available in the Summer Sessions Office (104 Administration Building), SPD Office (N201 Social and Behavioral Sciences Building), the Registrar's Office (second floor lobby of the Administration Building), and on the Summer Sessions Web site. It is a good idea to check the latest update before attending your first class, especially if you have registered for classes early in the registration period.

How to Enroll in Classes

You may use the SOLAR System or Automated Telephone Registration System to enroll in classes. To find out more about enrolling in Summer Sessions classes, please see the section on How to Enroll later in this catalog.

If you are new to Stony Brook, you will be assigned a Stony Brook ID number after you have submitted your visiting student application. It is vital that you remember this number and keep a record of it in a safe place! You will need it to register and pay for classes, obtain your grade(s), view your schedule and classroom assignments on the SOLAR System, and request a transcript.

ANTHROPOLOGY

S501 Ward Melville Social and Behavioral Sciences Building
(631) 632-7620

ANT 527.01 Archeological Field Methods

Daria Merwin

Students are trained in modern archaeological survey and excavation techniques and work on underwater archaeological sites in the New York metropolitan area. The program is based at Sandy Hook, N.J., and all participants are housed in dormitory-style rooms at historic Fort Hancock at the Sandy Hook Unit of Gateway National Park. Daily field work is supplemented by evening lectures and laboratory activities. Students pay a course fee of \$800 to cover housing, food, transportation, and equipment.

Prerequisite: Permission of instructor. E-mail dmerwin@notes.cc.sunysb.edu or call (631) 632-7618. Application deadline is May 16, 2003. Participants must hold current open-water scuba diving certification from a national organization such as NAUI or PADI and supply their own diving equipment (except for weights and tanks, which are provided). Students must pass a diving medical physical examination prior to the beginning of class and pass a written exam covering basic scuba topics, and a skills evaluation test of swimming, skin diving, and scuba diving.

The Best and the Brightest

Stony Brook faculty are intellectual leaders. Our community of scholars, teachers, and researchers includes a Nobel laureate, a Pulitzer Prize winner, three MacArthur Fellows, a Fields Prize winner, recipients of the National Medal of Technology and the Benjamin Franklin Medal, plus 12 members of the National Academy of Sciences and 12 members of the American Academy of Arts and Sciences. Stony Brook was also recently ranked second only to UC Berkeley in per capita faculty research productivity.

School Of Professional Development

The School of Professional Development (SPD) offers part-time programs year-round for adults who have full-time responsibilities. Students in these programs may choose from courses scheduled at night, on weekends, and over the Internet.

GRADUATE PROGRAMS

Master of Arts in Liberal Studies: Students choose from more than a dozen concentrations or work with an academic advisor to plan their own course of study. This degree satisfies the master's degree requirement for the teachers' professional license. **Master of Arts in Teaching:** English, Foreign Languages, Social Studies, and Science. **Master of Professional Studies:** Human Resource Management and Waste Management. **Advanced Graduate Certificates:** Coaching, Computer Integrated Engineering, Educational Computing, Environmental-Occupational Health and Safety, Human Resource Management, Industrial Management, Information Systems Management, Operations Research, and Waste Management. **Postgraduate Certificates:** School District Administrator and School Administrator.

NON-CREDIT PROGRAMS

Computer Training: Desktop Publishing, Lotus Notes, Microsoft Office, Web Design, and Programming in C++ and Visual Basic. **Licensing and Certificate Programs:** Adolescent Studies, Teacher Certification Workshops.

FOR MORE INFORMATION:

Visit SPD's Web site at www.stonybrook.edu/spd for program requirements, applications, and additional information. Call (631) 632-7050 to schedule an appointment with an academic advisor.

CEI 565.01 Music in Society: Rhythm and Noise, Popular Music in the Late 20th Century

Jason Hanley

Since the 1950s, many styles of popular music have become increasingly structured around the musical elements of rhythm and timbre—instead of the more traditional form of organization based on pitch. We examine how issues of race, place, gender, and technology have all become central to popular music styles that reflect the rhythm and noise of our everyday lives.

This course concentrates on music from the last quarter of the 20th century, including, but not limited to, Space Rock, Kraut Rock, Punk, Ambient, Industrial, Techno, House, Rap, Dance, Alternative, and Pop. (Session I) 3 units/LS-AH
TuTh 5:30 p.m.–8:55 p.m.

CEI 565.02 Music in Society: Roll Over Beethoven, American Music in the 20th Century

Dean Smith

This course focuses on what makes American music "American" across a wide variety of styles and surveys important

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem. Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

and/or interesting trends, movements, and practices in the music world in the United States over the course of the 20th century. The class explores how many styles have developed and what influences these styles might have had on each other. We examine musical works both as "sounding structures" and as products that reflect the broader culture that produced them. Some of the topics to be covered include issues of race and gender in the development of certain styles, the increasing importance of music's relationship to consumers and consumerism, censorship and institutional values, what it means to be musically "post-modern," grappling with European influences, musical experimentalism, and the impact of new technologies on musical practice.

Note: Some background in music is helpful, but students do not need to be able to read music.

In the Area

You can visit the Stony Brook Grist Mill, circa 1751, where on most weekends, you can watch millers grinding grain exactly as they did 200 years ago. Or visit the Long Island Museum in old Stony Brook with its eclectic collections and clothing from the 19th century to today, miniature rooms, and paintings by William Sidney Mount, the 19th-century Long Island artist who became America's first famous "genre" painter. Just down the road is historic St. James, with its original Carpenter Gothic railroad station dating back to 1873, and the St. James General Store, a national landmark, operating since 1857.

MUSIC

3304 Staller Center for the Arts
(631) 632-7330

CEA 531.01 Instrumental Conducting and Rehearsal Techniques

Bruce Engel

NURSING COURSES

The School of Nursing offers a variety of summer graduate courses. Students may select departmental, core, and elective courses taught by visiting scholars and Stony Brook faculty. These courses include the most up-to-date, innovative practice and scholarship available to today's health-care professionals. Many courses are of direct interest to registered nurses in advanced clinical practice who wish to advance their knowledge and skills. Students enrolled in other institutions and/or professionals in other health-related disciplines are welcome to register for elective courses.

To receive a 2003 Summer Nursing Program brochure, or for more information, contact:

Dr. Lori Escallier
Coordinator of Summer Program
School of Nursing
Health Sciences Center
University at Stony Brook
Stony Brook, New York 11794-8240
Telephone: (631) 444-3200

ONLINE COURSES

School of Professional Development
N201 Ward Melville Social and Behavioral Sciences Building
(631) 632-9484

IMPORTANT NOTE CONCERNING ONLINE COURSES

The following courses are conducted via the Internet using Blackboard. These courses are scheduled in Session I, but they run for nine weeks—from June 2 through August 3—and have a drop deadline of June 8, 2003. Online students must have a computer, modem, and graphical Web browser. They must also ensure that their correct e-mail and mailing addresses are listed in the SOLAR System. There is an additional \$85 fee per course.

Students should enroll for all the online courses in Session E. For more information about Online courses and their requirements, visit the following Web site: www.stonybrook.edu/spd/online

Enroll Early!

Please enroll as soon as you can! You can ease the financial burden by using the Time Option Payment Plan (TOPP) to space out your tuition payments. Waiting until the last moment to enroll is the best way we know to kill a class. If we don't have enough students by the final week of enrollment, we might have to cancel a course. Trying to enroll on the day before classes begin won't resurrect the course if it has already been cancelled.

Special Programs For Teachers

Advanced Placement Summer Institutes for High School Teachers

July 7–July 11, 2003

Four one-week institutes train teachers to teach AP courses in English literature and composition, United States history, calculus AB, and Biology. The cost is \$400 per institute and the application deadline is June 27. Call Christine McCormick at (631) 632-7697; E-mail cmccormick@notes.cc.sunysb.edu.

Chautauqua 2003: Short Courses for College Teachers

Sponsored by the Center for Excellence and Innovation in Education, these short courses are open to college and university teachers. Fifteen Chautauqua courses will take place in spring and early summer 2003. The courses run for three to five days and meet at Stony Brook's suburban and Manhattan campuses, as well as in several other states, Costa Rica, and Beijing, China. For an application, contact:

Center for Excellence and Innovation in Education
Stony Brook University, Stony Brook, NY 11794-4335
Telephone: (631) 632-7696 • Fax: (631) 632-7968

Teacher Enrichment Summer Workshop: Using Long Island Field Guides as Teaching Tools

July 14–18, 2003

The purpose of this week-long workshop is to equip teachers with the tools to engage students in learning about Long Island's natural environment. Cost is \$325.00. Contact Pamela Stewart at (631) 632-8230.

Need A Course Description?

Visit the SOLAR System Web site at www.stonybrook.edu/solarsystem.

Please note that summer laboratories differ in length from the times shown in the descriptions for some science courses because summer sessions are shorter than academic year semesters. Please remember to use the "Class Nbr.", found on the SOLAR System Web site, to enroll in classes this summer, not the six-digit combination of letters and numbers that precedes the course titles.

Don't Forget!

Please enroll early. If we don't have enough students signed up for a particular class, we sometimes have to cancel it. Please help us to keep classes on the schedule by enrolling as soon as you decide what you want to take. That also makes it less likely that you will be closed out of a very popular course.

*Remember:
Enroll as early as
you can!*

Master of Arts in Teaching Programs at Stony Brook

Stony Brook University offers several MAT programs through the School of Professional Development in collaboration with the Professional Education Program, some of which schedule courses in Summer Sessions. The MAT programs include:

- English
- Foreign languages: French, German, Italian, Russian
- Science: Biology, Chemistry, Earth Science, Physics
- Social Studies

MONEY MATTERS *what it costs...*

*When and how to pay, obtaining a refund. Also how to use the installment payment plan (TOPP).
And how to avoid tuition liability if you change your mind about taking a course (very important!).*

● TUITION RATES

Undergraduate Students

NY State Resident: \$137/unit

Out-of-State Resident: \$346/unit

Graduate Students *

NY State Resident: \$213/unit

Out-of-State Resident: \$351/unit

*Matriculated graduate students taking undergraduate courses must pay the graduate tuition rate.

● FEES

Student Activity Fee:

Undergraduates: \$20.00/session

Part-time Graduate Students: \$5.00/session

Comprehensive Fee: \$80.00/session, plus \$.85/unit (College Fee)

International Summer Student Insurance Fee: \$103.50/session

Vehicle Registration Fee: \$5.00

Late Add/Drop Fee: \$15.00*

Late Registration Fee: \$30.00/session*

Late Payment Fee: \$30.00

Transcript Fee: \$5.00

All charges are estimated as of December 2002 and are subject to change without notice.

*The late registration, add/drop, and withdrawal deadlines are shown on the Summer Academic Calendar, inside back cover.

The college, student activity, and comprehensive fees are mandatory for all Summer Sessions students. The student activity fee is used to help fund recreational and social activities for Summer Sessions students, as well as to support the ambulance corps, and campus radio and TV stations.

The comprehensive fee funds the Student Health Service, as well as the transportation and technological services available to students, including the free bus service.

The vehicle registration fee is required for all vehicles parked on campus.

You may request a refund of the student activity fee on the basis of financial need, employment, internship/clinical rotation, child care, or commuting by submitting a Student Activity Fee Refund Request Form to: Student Polity Association, 202 Student Activities Center, Stony Brook University, Stony Brook, New York 11794-2800; telephone (631) 632-6460.

If you are a nonimmigrant international student, you are required to pay the mandatory health insurance fee listed above prior to

enrolling in summer classes. However, if you can provide proof that you already have comparable health insurance, you may request a waiver. Contact the Student Health Insurance Office at (631) 632-6054.

● PAYMENT POLICIES AND PROCEDURES

Summer Sessions students must pay for their summer classes within seven (7) days of enrolling, unless they are using the Time Option Payment Plan (TOPP). It is important to remember that if you change your mind about attending a class, you must drop the course yourself within the deadlines indicated in the box on the next page. Otherwise, you will be held liable for the applicable tuition and fees, plus additional charges. Nonattendance or non-payment of tuition and fees does not relieve you of your financial obligation or entitle you to a refund. Until your account has been settled, you cannot enroll in classes or receive a transcript, diploma, or certificate of completion.

● HOW TO PAY

You may charge your tuition and fees to MasterCard, Visa, Discover, or American Express when enrolling on the SOLAR system (www.stonybrook.edu/solarsystem).

You may also pay in person by cash, check, or credit card at the Student Accounts Office, or mail your payment to: P.O. Box 619, Stony Brook, New York 11790-0619. Please write your ID number on your check and make it payable to **Stony Brook University**. Please call the Student Accounts Office at (631) 632-2455 if you have any questions concerning your bill.

Tuition and fee liability is based on the schedule printed on the next page. All charges are subject to change without notice.

● LATE FEES

If you enroll for the first time after a session has begun, you are charged a \$30 late enrollment fee. If you receive permission to add or drop a course after the published deadline, you are charged a \$15 late fee. If your check is returned by our bank, you are charged a \$20 fee and you may also incur a \$30 late fee.

● TUITION AND FEE LIABILITY

If you change your mind about taking a course in which you have enrolled, it is imperative that you drop the course, otherwise you will be liable for payment of all tuition and fees. Stony Brook does not automatically deregister students for nonpayment of tuition and fees or failure to attend classes.

● REFUND POLICIES AND PROCEDURES

Because students sometimes prefer that a credit be applied to their account for the following semester, you must request a refund. No refunds will be considered for students who have completed more than one-half of a session or term. Approved academic petitions to cancel courses will not automatically result in removal or adjustment of charges. If you wish to receive a refund to which you are entitled, submit your request to:

Student Accounts Office
 254 Administration Building
 Stony Brook University
 Stony Brook, New York 11794-1301
 Telephone: (631) 632-2455
 Fax: (631) 632-1308

If you have charged your payment, an approved refund request will be credited to your charge card. You must apply for a refund within one year after the end of the session in which you were enrolled.

TUITION REFUND AND LIABILITY SCHEDULE				
Session I & Ext. Session	Tuition Refund	Tuition Liability	Fee Liability	Deadline
1st week	100%	0%	0%	on or before 6/6/03
2nd week	30%	70%	100%	6/7/03 thru 6/13/03
3rd week	0%	100%	100%	effective 6/14/03
Session II				
1st week	100%	0%	0%	on or before 7/18/03
2nd week	30%	70%	100%	7/19/03 thru 7/25/03
3rd week	0%	100%	100%	effective 7/26/03

Stony Brook refunds fees as follows:

- **Housing Fee:**
Prorated by the week.
- **Student Activity and Comprehensive Fees:**
Refunded only if no tuition liability.
- **College Fee, Late Registration Fee, and Lost ID Card Fee:**
Not refundable.
- **Overpayment or Processing Errors:**
The necessary adjustment will be made by the Bursar.

● FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Federal law regulates the confidentiality of and access to student records maintained by the University (Family Educational Rights and Privacy Act). For a more complete description of your rights and

responsibilities under this law, please refer to the Undergraduate Bulletin, Fall or Spring Class Schedule, or Student Handbook. All of these are available on the Stony Brook Web site: www.stonybrook.edu.

● TIME OPTION PAYMENT PLAN (TOPP)

The Time Option Payment Plan (TOPP) allows you to pay your Summer Sessions tuition and fees on an installment basis. Since the plan is not a loan, there are no interest or finance charges. You pay only a non-refundable application fee of \$25.00 per session. The TOPP worksheet and application form will be available on the Student Accounts Web site (www.stonybrook.edu/bursar) in early May. Details of the plan appear on the TOPP application.

To enroll in TOPP, return the completed application (and the worksheet) with the application fee and your first payment by the application deadline to:

Stony Brook University
 P. O. Box 619
 Stony Brook, New York 11790-0619

Make your check payable to **Stony Brook University**. You have the option of distributing your payment over two to three months, depending on whether you have registered for classes in one or both sessions. Stony Brook will mail you monthly statements.

You may also charge the application fee and monthly payment to your credit card. Monthly statements will not be mailed if you elect to pay by credit card.

Please call the Office of Student Accounts at (631) 632-2455 if you have any questions about the Time Option Payment Plan.

● FINANCIAL AID

Financial aid programs available for Summer Sessions:

- Federal Stafford Loan Subsidized
- Federal Stafford Loan Unsubsidized
- Parent Loan for Undergraduate Students (PLUS)
- Tuition Assistance Program (TAP)
- Federal Work Study

Summer Eligibility Requirements

Only matriculated Stony Brook students can apply for these programs. Visiting students should check with the institution they attend during the academic year. Applicants for Stafford Loans must enroll in Summer Sessions classes for a minimum of six (6) units. Undergraduate Federal Work Study applicants must be enrolled in three (3) units in Session II. Advanced graduate students engaged in full-time research must enroll in the appropriate course.

Because the TAP and the Stafford Loan programs have maximum awards that cannot be exceeded, applicants should check with the Office of Financial Aid and Student Employment to insure that their eligibility for future semesters will not be affected by a summer award.

Application Process

To be considered for summer financial aid, you must take the following steps by the stated deadline.

1. Complete and send to the federal processor the 2003-2004 Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA, no later than March 1, 2003.
2. Submit to the Financial Aid Office a completed 2003 Stony Brook Summer Request Form, on or before April 1, 2003.
3. TAP applicants: Upon receipt of an "Express TAP Application" from the Higher Education Services Corporation (HESC), which is based on your FAFSA application, you must review the accuracy of its data, add Summer Sessions to the application section, sign it, and return it to HESC in the envelope provided. You will receive your TAP award directly from HESC. It should include your award for Summer 2003.
4. Stafford Loan applicants: You must have already enrolled in your summer classes before Stony Brook can process your Summer Loan Request Form. Your loan information will then be transmitted electronically to HESC. First-time borrowers will then receive a Stafford Loan Master Promissory Note (MPN). Upon receipt of your MPN, you must complete it, sign it, and return it to HESC for the approval of the loan.

Deferment of University Charges Based on Financial Aid

In order to have a deferment applied to your account based on your Summer Stafford Loan, you must have followed the application process and have received final approval from HESC. To obtain a deferment file, submit your application forms as early as possible. If your loan has not been approved and properly guaranteed by HESC, you are expected to pay your summer charges within seven (7) days of enrollment and you will be reimbursed when your financial aid funds have been received.

Summer TAP (Tuition Assistance Program) and FWS (Federal Work Study) awards cannot be used to defer payment. Because Summer TAP payments from HESC to the University can occur up to a year after the summer term for which payment was awarded, you are required to pay for your classes within seven (7) days of enrolling. Your Summer TAP award will be reimbursed in full to you when received by HESC, provided you have no other outstanding charges.

For more information, contact the Office of Financial Aid and Student Employment, 230 Administration Building. Telephone: (631) 632-6840. Fax: (631) 632-9525.

HOW TO ENROLL IN CLASSES

The what, when, and where of enrolling in summer classes—whether you are new, visiting, or a continuing Stony Brook student—plus those all-important deadlines.

● SUMMER ENROLLMENT POLICY

Stony Brook University has an open enrollment policy during the summer. Graduates of accredited secondary schools or equivalency programs are welcome to enroll in summer undergraduate courses. Graduates of accredited four-year colleges and universities may take either summer graduate or undergraduate courses. All students must meet the published course prerequisites.

Admission to summer classes is for Summer Sessions only. If you wish to continue studying at Stony Brook during the academic year, you must follow Stony Brook's standard application procedures. Please contact one of the offices indicated below.

● ACADEMIC YEAR ADMISSION

Office of Undergraduate Admissions
Stony Brook University
Stony Brook, New York 11794-1901
Telephone (631) 632-6868
www.stonybrook.edu/admissions

Stony Brook University
Stony Brook, New York 11794-4433
Telephone (631) 632-GRAD
www.grad.stonybrook.edu

School of Professional Development
Stony Brook University
Stony Brook, New York 11794-4310
Telephone (631) 632-7050
www.stonybrook.edu/spd
E-mail: spd@sunysb.edu

● STONY BROOK STUDENT ENROLLMENT

Currently enrolled students may register for classes on the SOLAR System or Automated Telephone System starting:

April 8th: G1-G4 Grads (by enrollment appointment)
April 11th: U4 seniors, (by enrollment appointment)
April 14th: G0 grads (no enrollment appointment)
U0-U3 Undergrads (no enrollment appointment)

Web and telephone registration runs from 8:00 a.m.–11 p.m.

Students may register on the Web, by telephone, or in person until June 4th for Session I and the Extended Session and until July 16th for Session II. Late fees go into effect on June 2 and July 14, however. Permission to late register for classes is required after the third day of each session.

● NEW AND VISITING STUDENT ENROLLMENT

Undergraduate Students

New and visiting undergraduates may register on the SOLAR System or Automated Telephone System beginning April 14th if they have submitted the Visiting Undergraduate Student

Application on the Summer Sessions Web site by April 7th. If you submit your application any later, you must allow a *minimum* of five (5) days for processing your application before attempting to enroll in classes. There is no fee for this application. After submitting your application, you will be assigned a Stony Brook ID number, which you will use for all registration transactions henceforth. **For that reason, it is important that you keep a record of your ID number (and the password you select to access the SOLAR System) in a safe place.**

Graduate Students

If you have graduated from a four-year institution, you must apply through the School of Professional Development (SPD) as a non-matriculated graduate student. The application fee is \$25.00. Non-matriculated graduate students may register on the SOLAR System or Automated Telephone System beginning April 14th. You will be assigned a Stony Brook ID number, which you will use for all registration transactions henceforth. **For that reason, it is important that you keep a record of your ID number (and the password you select to access the SOLAR System) in a safe place.**

The non-matriculating graduate student application may be downloaded from the SPD Web site (www.stonybrook.edu/spd) or call (631) 632-7050 to request an application by mail.

● HIGH SCHOOL STUDENT ENROLLMENT

If you are a high school student who will complete your junior year in June and your grade point average is 85 or higher, you may take selected introductory (100-level) summer courses as a visiting undergraduate student. For information about summer courses open to high school students, contact:

Summer Sessions Office
Stony Brook University
Stony Brook, New York 11794-1970
Telephone: (631) 632-7790
E-mail: summerschool@notes.cc.sunysb.edu

● INTERNATIONAL STUDENT ENROLLMENT

Language Requirement

If your first or native language is not English, you must demonstrate proficiency in English before you can enroll in classes at Stony Brook. Proof of English proficiency may include a degree from a U.S. school or a score of at least 550 paper-based, or 213 computer-based, on the Test of English as a Foreign Language (TOEFL) exam. Information on this exam is available from the Graduate School or by writing to the Educational Testing Service at the following address:

TOEFL
Education Testing Service
CN 5161
Princeton, NJ 08540, USA

Health Insurance

All non-immigrants in F or J status are required to pay a mandatory health insurance fee unless they can provide proof of comparable health insurance through another source. For further information about the mandatory health insurance, contact the Student Insurance Office in the Student Health Center (Infirmary) at (631) 632-6054.

Non-Immigrant Status

Enrollment solely in Summer Sessions courses without formal admission to the University does not establish valid immigration status for non-immigrant students. With a few exceptions, a non-immigrant may enroll in Summer Sessions courses as a non-matriculated student, without any effect on his/her current immigration status. All students who are not U.S. citizens or approved, bona fide, permanent residents, refugees, or asylees, should report to International Services with all of their immigration documents. International Services will determine your immigration status for the campus records and provide any necessary advice regarding your possible enrollment as a non-immigrant student.

International Services Office
Graduate School
Suite 2401 Computer Sciences Building.
Stony Brook University
Stony Brook, New York 11794-4433 USA
Telephone: (631) 632-INTL
Fax: (631) 632-7243

● IMPORTANT REMINDER ABOUT PAYMENT LIABILITY

Students are required to pay all fees, including housing fees, within seven (7) days of when they enroll in summer classes. To spread out the payment, you may use the Time Option Payment Plan (TOPP). If you have a tuition waiver, fellowship, grant, or approved deferment, you need to have all necessary forms completed and approved before you may enroll in summer classes.

If you change your mind about taking a course in which you have enrolled, it is imperative that you officially drop the course (see the following section entitled Dropping Courses), otherwise, you will be liable for payment of all tuition and fees. Stony Brook will not automatically deregister you if you fail to attend classes.

● ENROLLMENT CHANGES

Please visit the SOLAR System to find out how to add a course or cancel your enrollment. Refer to the Summer Academic Calendar on the inside back cover or the box on the next page to see the deadlines for making enrollment changes.

● DROPPING COURSES

IF YOU CHANGE YOUR MIND ABOUT YOUR COURSES, YOU MUST OFFICIALLY DROP THEM YOURSELF. Informing the instructor, not attending the class, and/or not paying the tuition and fees will NOT cancel your enrollment and it will NOT cancel your financial obligation. Deadlines are listed in this section of the

HOW TO USE THE SOLAR SYSTEM (STUDENT ONLINE ACCESS TO RECORDS)

To search for a course offering or course description, you do not need a Stony Brook ID number; just log in as a GUEST. When you find the course(s) you want to enroll in, write down the Class Nbr. (located on the left side of the screen), not the course number.

Example: To enroll in MAT 123 .02, write down the class number, not MAT 123.02.

Why do I need a Stony Brook ID number and how do I get one?

- To enroll in and pay for classes, review your class schedule, or view your grades at the end of the summer, you must have a Stony Brook ID number. If you are new to Stony Brook, this number will be e-mailed to you one time only after you have submitted a visiting student application. Be sure to keep a record of this number in a safe place.
- If you forget or lose your Stony Brook ID number, you must come in person to the Registrar or Summer Sessions office with photo identification. Your Stony Brook ID number is strictly confidential and cannot be e-mailed to you again or given out over the telephone.

How do I enroll in classes?

1. To log on to the SOLAR System as a student, you also need a password. Your initial password will be your date of birth in the following format: *MM/DD/YY*. You will then be prompted to choose a permanent password. Please remember your password because, like your ID number, you will need your password to enroll in and pay for classes, view your class schedule and class location(s), and see your grades at the end of the summer. If you log in and have forgotten your password, scroll down and click on **Forgot Your Password** and follow the directions to choose a new one.
2. Once you have logged onto the SOLAR System, you will notice the menu options on the left side of the screen. Select **For Students**. The menu will drop down more options; choose **Enrollment**. Then select the term for which you want to register and scroll down to **Add Classes**.
3. In the **Class Nbr.** field, type the class number (*not the course number*). Some classes with labs and /or recitation sections will require that you type in additional class numbers. To add another class, click on **Add Another Request** and proceed. When you have finished selecting your classes, click **Save**, then click **Submit Request**.
4. If you encounter errors, click **View Error Details** for more information.
5. To view your class schedule, click **View Updated Schedule** and print your schedule.

Catalog, in the Summer Academic Calendar, and on the Summer Sessions Web site. You do not need permission to drop courses within these deadlines. You may drop classes on the SOLAR System, by telephone, or in person, but you must do so within the deadlines, not just stop attending class.

You may drop courses without a record being kept and without financial liability through the first five (5) days of each session. It is also important that you drop the course(s) within the published deadlines to avoid being liable for tuition and fees, to be able to enroll in classes another semester, and to receive a transcript. The tuition refund and liability schedule appears on page 33 and on the Summer Sessions Web site. Both also provide information about refunds.

DEADLINES FOR ENROLLMENT CHANGES

	Session I	Session II	Extended Session
Adding courses without permission of department	June 4	July 16	June 4
Adding courses with permission of department	June 6	July 18	June 6
Dropping courses (no W assigned or tuition liability)	June 6	July 18	June 6
Withdrawing from courses (W assigned and tuition liability)	July 3	August 15	July 3
Changing to or from P/NC*	July 3	August 15	July 3

*To or from a letter grade; available to undergraduates taking undergraduate courses only. See regulations governing Pass/No Credit grading option in the Undergraduate Bulletin (www.stonybrook.edu/ugbulletin).

● COURSES ON DIFFERENT SCHEDULES

You may enroll in a late-starting class through the last weekday preceding the starting date for that course. These courses may also have different drop deadlines. Contact the Summer Sessions Office or Registrar's Office.

● MAXIMUM CREDIT LOAD

Both undergraduate and graduate students may enroll in a maximum of nine (9) units per session. Entering or continuing Stony Brook undergraduates who wish to enroll in more than nine units in either session must obtain permission from the appropriate academic standing committee. Visiting undergraduate students may petition the Director of Summer Sessions to enroll in more than nine units and should submit a letter from the college or university they attend during the academic year giving them permission to take more than nine units per session.

Students are limited to four (4) P/NC units per session and a total of eight (8) P/NC units during the entire summer.

AUTOMATED TELEPHONE REGISTRATION SYSTEM

(631) 632-1700

You may enroll in classes and access grades by telephone instead of enrolling on the SOLAR System, although you cannot pay for classes by telephone. You will need your Stony Brook ID number and a PIN number instead of a password. Use your birthdate (MM/DD/YY) for your PIN number. You will also need the class number to enroll in a class. Do not try to use the course and section number (e.g., MAT 123.01) to enroll in the class. Class numbers are available on the SOLAR System.

● AUDITING COURSES

Because space is often limited in Summer Sessions classes, only matriculated Stony Brook students and senior citizens may audit summer courses. Both must have permission of the instructor and the director of Summer Sessions or be a member of the Senior Citizens Auditing Program (see below). Stony Brook does not allow auditing of summer foreign language, science, laboratory, studio art, instrumental music, physical education, or other "hands on" courses, although individual instructors may make occasional exceptions. Audit permission forms are available from the Summer Sessions Office.

The University does not keep a record of courses audited nor does it grant any credit for audited courses. Auditors are expected to refrain from participating in class discussions and may not turn in or ask for grading of homework, term papers, or examinations. Students may change their status in a summer course from auditor to enrolled student during the first week of classes in each session.

Senior Citizen Auditing

Adults who are 60 years of age or older may audit most New York State-funded, credit-bearing courses offered at Stony Brook upon payment of a \$10 auditing fee, provided space is available in the classroom and the instructor permits auditors. The exceptions to this policy include foreign language, science, laboratory, studio art, physical education, and instrumental music courses, as well as courses offered in self-supporting non-credit programs sponsored by the School of Professional Development, Crafts Center, Wellness Center, Museum of Long Island Natural Sciences, and Division of Physical Education and Athletics, among others.

Senior citizens pay a \$10 auditing fee and register as auditors on the third day of classes of each session, between 10:00 a.m. and 2:00 p.m. in S102 Ward Melville Social and Behavioral Sciences Building. Catalogs and class schedules will be available at that time. Please remember that auditors must refrain from participating in class discussions and may not turn in or ask for grading of homework, term papers, or examinations. For further information, call (631) 632-9493 or E-mail jmclean@notes.cc.sunysb.edu.

DEFINITIONS

Don't know what DEC means or whether or not you are considered a visiting student? We explain these terms and others in this section.

Auditing. Attending a class for informational purposes only. No academic credit. Permission of instructor required.

Baccalaureate degree. A bachelor of arts or sciences degree from a four-year college or university.

Class Number. The number students use to enroll in a class. This is different from the department designator (see below).

Closed course. A class that is closed to further enrollment because the maximum number of students have enrolled in it.

Continuing student. A student who has been formally admitted to Stony Brook for the academic year as a matriculated or non-matriculated student and who is continuing, rather than beginning, study at Stony Brook as an admitted student.

Crosslisted course. One course offered jointly by more than one department, simply having different department designators and class numbers. Students may enroll under either class number.

DEC (Diversified Education Curriculum). General education requirements that Stony Brook undergraduate students enrolled in the College of Arts and Sciences, College of Engineering and Applied Sciences, and Marine Sciences Research Center must complete in order to graduate. Visiting students may ignore the DEC code designators unless they plan to apply for admission to Stony Brook for the fall or spring semester.

Department designator. The three letters (followed by the course number) that precede a course title. They identify the department that sponsors the course. Courses are identified by the department designator, course number, and section number. Example: AFS (department designator), 225 (course number), 01 (section number). Students do not use these letters and numbers to enroll in classes. See Class numbers (above).

Dropping a course. Dropping one or more course(s) in a summer term for which a student has enrolled, but not reducing the course load to zero units. The course is expunged from the student's academic record. Differs from withdrawing from all courses in which a student has enrolled in a given term.

Extra-fee course. Certain courses, such as studio art courses, have mandatory extra fees that cover the cost of supplies for the course.

Grade reports. A report showing the final grades for all courses that a student has taken in each summer session. Differs from a transcript, which is an official academic record sent only to another institution.

Lab course. A course that meets for more official hours per unit than standard lecture courses to allow for actual laboratory work in the case of engineering, science, mathematics, and foreign language courses, or for in-class work in art, film, theatre, or other such courses.

Late enrollment. Enrolling in one or more courses after the session has begun. Late fee required.

Liability schedule. Refers to the percentage of payment that a student is responsible for when dropping one or more course(s) after the end of the published add/drop period.

Matriculation. Admission to an undergraduate or graduate degree program at Stony Brook. Enrollment in Summer Sessions does not constitute admission to Stony Brook for the academic year. See Open Enrollment below.

Non-matriculating graduate student. A student who has completed a baccalaureate degree and who is taking graduate or undergraduate courses without having been admitted into an individual degree program.

Open enrollment (Summer Sessions only). Students may attend Summer Sessions classes without being formally admitted to the University. Students who hope to continue studying at Stony Brook during the academic year must follow the standard admissions procedures for undergraduate and graduate students.

Prerequisite. Requirement that the student must have met before taking the course. Visiting students may use comparable courses from other institutions to satisfy this requirement. A student who enrolls in a course without having met the prerequisite may be deregistered.

Recitation. A required part of a course, in addition to the class lectures, that usually involves weekly small group discussion or quizzes for the purpose of reviewing information covered in the lectures. Recitations are usually not optional.

Session. Equivalent to one semester. Summer Sessions consists of two consecutive six (6) week sessions and one eight (8) week session.

Transcript. An official record of grades earned at Stony Brook, which is mailed directly to another college or university.

Visiting student. A student who has not yet completed a bachelor's degree who is allowed to enroll in undergraduate courses at Stony Brook during Summer Sessions, but who has not been formally admitted to the University as an undergraduate student. See also Non-matriculating graduate student.

Withdrawing from one or more courses. Different from dropping a course. Students may withdraw from one or more courses from the end of the add/drop period through the end of the fifth week of classes in each session. They will receive a W on their academic record.

ACADEMIC INFORMATION

All about the grading system, summer graduation deadlines, transferring units, and where to find complete information on academic regulations and student responsibilities.

● ACADEMIC POLICIES AND PROCEDURES

For complete information on Stony Brook's academic policies and procedures, undergraduate students should refer to the 2003-2005 Undergraduate Bulletin (www.stonybrook.edu/ugbulletin), graduate students admitted to a departmental program should refer to the 2002-2004 Graduate Bulletin (www.stonybrook.edu/bulletin.htm), and students admitted to the School of Professional Development should refer to the SPD Bulletin (www.stonybrook.edu/spd). Policies and regulations detailed in these bulletins apply to all students, including visiting summer students.

Information about the academic advising services available to Summer Sessions students appears in the following section of this Catalog entitled Student Services and Resources. It is also available on the Summer Sessions Web site.

● GRADING SYSTEM

Academic performance is expressed in letter grades, as follows: A (superior), A-, B+, B (good), B-, C+, C (satisfactory), C-, D+, D (minimum passing, undergraduate courses only), F (failure), I (incomplete, a temporary grade indicating that the work of the course has not been completed because of circumstances beyond your control), NC (no credit), NR (no record), P (pass), Q (academic dishonesty), S (satisfactory), U (unsatisfactory). W indicates you withdrew from a course.

● PASS/NO CREDIT OPTION

Stony Brook students should refer to the Undergraduate Bulletin (www.stonybrook.edu/ugbulletin) for information about and restrictions governing the P/NC option. Summer Sessions students may register for no more than four (4) P/NC units per session and are limited to a maximum of eight (8) P/NC units during the entire Summer Sessions. The P/NC option is not available to graduate students or graduate courses take by undergraduate students.

Visiting undergraduate students should obtain the approval of the institution they attend during the academic year before enrolling in a course as P/NC. Some institutions have their own restrictions on P/NC courses.

● INCOMPLETES

If an instructor agrees to assign you an incomplete in a course, the instructor determines the date by which you must complete the work; however, the date may not be later than November 1. If the work has not been satisfactorily completed by then, the grade of I will automatically be changed to I/F and calculated as a failing grade.

● NO RECORD

Grades of No Record (NR) that have not been replaced by a final grade or by a W by the end of the ninth week of the fall semester (for spring and summer NR grades) will be converted to one of the following grades: N/F for letter-graded courses, N/U for courses graded A-C/U or S/U, or N/C for courses taken under the Pass/No Credit option. The grade of N/F will be treated as a failure for the purpose

of academic standing and will be averaged as an F when the student's grade point average is computed.

● GRADE REPORTS

You may access your grades on the SOLAR System or the Automated Telephone System. If you need a transcript sent to your home institution, see below.

● TRANSCRIPTS

You may request a transcript in person, by mail, or by fax to:

Bursar's Office
261 Administration Building
Stony Brook University
Stony Brook, NY 11794-1351
Fax: (631) 632-9318

The cost is \$5.00 per copy and you should request the transcript at least two weeks before you need it. Please wait until the end of the session, however, to be sure your grades have been recorded before the transcript request is processed. Please remember that the Registrar's Office will not issue a transcript if you have any outstanding charges. For further information about transcripts, visit the Registrar's Web site: www.stonybrook.edu/registrar

● TRANSFERRING COURSES

Stony Brook Students

Before enrolling in summer courses at other institutions, you need prior approval from Stony Brook to ensure that the courses will be transferable to Stony Brook. The necessary forms are available from the Transfer Office.

Undergraduate Transfer Office
134 Administration Building
Stony Brook University
Stony Brook, NY 11794-1909
(631) 632-7028

After you have completed approved summer study at another institution, have a transcript from that institution sent to the Transfer Office.

It is not necessary to obtain prior approval for courses that have been pre-evaluated by Stony Brook's Transfer Office. Most courses from the institutions listed below have been pre-evaluated and course equivalencies are available in the Transfer Office.

- College of Staten Island
- Fashion Institute of Technology
- Kingsborough Community College
- Nassau Community College
- Queens College
- Queensborough Community College
- Rockland Community College
- Suffolk Community College
- SUNY Albany
- SUNY Farmingdale
- Westchester Community College

Courses Transferred from Other Regionally Accredited Institutions

If the course is for elective credit or for the completion of a DEC category, go to the Transfer Office for approval.

If the course is for major or upper-division credit, obtain a Transfer Evaluation Form from the Transfer Office, then have the appropriate academic department evaluate the course for equivalency. You will need copies of the course description from the catalog of the institution you plan to attend.

Visiting Summer Students

If you attend another institution during the academic year and plan to study at Stony Brook during Summer Sessions, be sure to have your course selections approved for transfer credit by that institution, even if it is another SUNY school.

● AUGUST GRADUATION

Candidates for August graduation may file applications until July 21. SPD candidates file at the School of Professional Development. Undergraduate students file at the Registrar's Office. Graduate students file at the Graduate School.

Undergraduate students who previously applied to graduate do not have to file a new application if their graduation is delayed until summer; they need only submit a written request for the new date to the Registrar's Office by July 21. However, SPD and graduate students must reapply by July 21.

● ADDITIONAL ACADEMIC INFORMATION

All Stony Brook academic regulations and student responsibilities apply to visiting Summer Sessions students as well as to those who attend Stony Brook during the academic year.

The academic regulations, terms, course listings, and other information contained in the Summer Sessions Catalog are subject to

the restrictions of the timetable and date of publication of the Catalog. The University reserves the right to change academic regulations or to cancel any course for whatever reason it may deem appropriate. Detailed information on courses of study, academic regulations, and student responsibilities is available in the current Undergraduate Bulletin (www.stonybrook.edu/ugbulletin), SPD Bulletin (www.stonybrook.edu/spd), Graduate Bulletin (<http://www.grad.sunysb.edu/bulletin.htm>), and their associated supplements and updates.

The University bulletins also contain complete information regarding student educational records, financial aid, university attendance policy, academic honesty, and other topics. All bulletins and their supplements are available in the Reference Section of the Melville Library and on the Web.

STUDENT RESPONSIBILITY

Students themselves—whether new, visiting, returning, or continuing—are responsible for reviewing, understanding, and abiding by the University's regulations, procedures, requirements, and deadlines as described in all official publications. These include the Undergraduate Bulletin (and supplements), Summer Sessions Catalog, SPD Bulletin, Graduate Bulletin, Student Handbook, and Fall and Spring class schedules. It is also the student's responsibility to maintain current mailing and e-mail addresses on record with the Registrar's Office at all times.

Although this catalog was prepared on the basis of the best information available at the time, all information (including the calendar, course offerings, and statements on tuition and fees) is subject to change without notice or obligation. All information in this publication supersedes information published in previous Summer Sessions catalogs.

Student volunteers participate in the annual Pride Patrol event.

Medical Photography

STUDENT SERVICES AND RESOURCES

Need some advice, a math tutor, help with writing a paper, or access to a computer?

Want to know where to buy your books and obtain an ID card? We tell you here.

● ACADEMIC SERVICES

Undergraduate Student Advising

The Academic Advising Center, E2360 Melville Library, provides academic advising to undergraduate students in the College of Arts and Sciences. Academic advisors are available Monday through Friday, 10:00 a.m.–4:00 p.m. Advisors also assist students through e-mail (advising@sunysb.edu) and by telephone (631) 632-7082. For further information, visit the Center's Web site: <http://advising.sunysb.edu>.

The Transfer Office, 134 Administration Building, provides academic advising to transfer students during their initial semester at Stony Brook. Advisors are available on a walk-in basis and by telephone from 10:00 a.m.–4:00 p.m. Monday through Friday. Call (631) 632-7028 for further information.

The College of Engineering and Applied Sciences Undergraduate Office, 127 Engineering Building, advises students enrolled in its programs, including Business Management. It is open Monday through Friday from 9:00 a.m.–5:00 p.m. Call (631) 632-8381 for further information.

If you are enrolled at another institution and plan to return there in the fall, you should follow that institution's approval procedures to take summer courses at Stony Brook.

Graduate Student Advising

Graduate student advising is available through the individual academic departments for students (or prospective students) enrolled in one of the University's graduate degree programs or through the School of Professional Development. For students in the MALS and MPS programs, E-mail SPD@stonybrook.edu.

Computer Lab Facilities (SINC Sites)

Summer Sessions students may use the IBM and Macintosh computers in the following locations, known as SINC (Student Instructional Computing) Sites:

- S1460 Melville Library, (631) 632-9602
- O80 Stony Brook Union, (631) 632-1673
- 138 Computing Center, (631) 632-8039
- Health Sciences Center, (631) 444-3502

Students can obtain UNIX accounts in the SINC sites that will allow them to use electronic mail and the Internet at any of the sites. Student consultants and staff are available to assist users and to provide information on other computer facilities that are available to students in the summer. Visit www.sinc.sunysb.edu.

Language Learning and Research Center

The Center has two fifty-seat multimedia classrooms containing audio, video, and computer equipment; an audio/video laboratory

for audiocassette and videocassette work; a multimedia computer laboratory with Internet access (Macintosh and Windows); an older IBM computer laboratory; and an audiocassette laboratory with console. Tape copying for audiotapes is available and the Center also has arrangements for satellite dish videorecording on campus. For more information, visit www.stonybrook.edu/llrc or call the Center at (631) 632-7013. The Center is open 8:00 a.m.–9:00 p.m. Monday through Thursday and 8:00 a.m.–3:00 p.m. on Fridays. It is located on the fifth floor of the Melville Library.

Libraries

The Frank Melville Jr. (Main) Library has collections serving the social sciences, humanities, fine arts, engineering, geosciences, and biology. In addition, four branch libraries are devoted to math/physics/astronomy, chemistry, marine science, and computer science. Special departments in the Melville Library provide access to videos, maps, microforms, government documents, legal materials, and patents. A separate Music Library includes recordings, scores, and listening stations. The Library's online catalog is called STARS. Many electronic research databases and journals leased by the Library are available everywhere on campus, and off-campus with valid ID. The Melville Library also offers a large study lounge, many carrels, computer terminals, an interlibrary loan service, a copying service, computer classrooms, viewing rooms, a coffee bar, and an art gallery. Checkout privileges are available to students with ID cards validated for Summer Sessions. Services for the disabled are discussed in this catalog under Disability Support Services. For further information and summer hours, visit www.stonybrook.edu/library or call (631) 632-7110.

International Services

International Services provides advice to international students, faculty, and scholars in the areas of U.S. immigration regulations; cross-cultural issues; and study, teaching, and research in the United States. International student advisors assist non-immigrant students in obtaining and maintaining valid F-1 and J-1 student status. International Services advising hours are generally 9:30 a.m.–4:30 p.m., Monday through Thursday, and by special appointment on Fridays. Hours are subject to change. The International Services office is located in the Graduate School, Suite 2401 Computer Sciences Building. Call (631) 632-INTL or visit www.grad.stonybrook.edu.

Math Tutoring

The Mathematics Learning Center offers tutoring services to students taking summer calculus courses. It is located in Room A127 Physics Building. For summer hours, call (631) 632-9845.

Writing Assistance

The Writing Center offers individual writing assistance to all members of the Stony Brook community. Although tutors cannot

edit or proofread, they are willing to mentor clients on techniques and skills necessary for effective planning, argumentation, revision, and editing. The Writing Center is located in L77 Life Sciences Library. A full range of resources and online tutoring is also available at its Web site (www.stonybrook.edu/writingcenter). For summer hours, call (631) 632-7405.

● OTHER STUDENT SERVICES

Automated Teller Machines

ATMs are located in the second floor lobby of the Administration Building, outside the Stony Brook Union, and in the basement of the Student Activities Center.

Bookstore

The University Bookstore is located on the ground level of the Frank Melville Library Building (opposite the Stony Brook Union). In addition to a large selection of new and used textbooks, the Bookstore carries school and dorm living supplies, study materials, art and engineering supplies, and computer software. For more information, store hours, or directions, call the University Bookstore at (631) 632-6550 (or visit <http://ws.cc.stonybrook.edu/provostliason/bookstore> to order books online).

Campus Card Office

All summer students need to have a University ID card. This multi-purpose card allows you to use the library and participate in the summer meal plan. You will also need this card to register a motor vehicle, prove eligibility for student discounts and services, and participate in student activities. To obtain a campus card, please go to one of the following locations:

- Campus Card Office West
103 Administration Building; (631) 632-2737
- Campus Card Office East
L3, 162 Health Sciences Center; (631) 444-8151

Commuter Student Lounges and Lockers

Between classes commuter students may study in the bi-level commuter student lounge, 144 Student Activities Center (SAC). It features computer carrels and quiet study and socializing space on the first floor. On the lower level, a game room features full-size billiard and ping-foosball tables, along with a sound system and wide-screen TV. The SAC also has several other lounge areas.

A large student lounge on the first floor of the Melville library has study space and lockers for commuter students. You may sign up for a locker between 8:30 a.m. and 4:30 p.m., Monday through Friday, in the Meal Plan Office, 250 Stony Brook Union. Call (631) 632-6517 for more information.

Commuter Student Services Office

The Commuter Student Services Office, 222 Student Activities Center, is open weekdays from 8:30 a.m.–5:00 p.m. and until 6:00 p.m. on Tuesdays. The office provides outreach, advocacy, support services programming, and other services for commuter students. It also serves as a distribution site for campus maps, bus and train schedules, and campus telephone directories. For information, call (631) 632-7353, E-mail commuter_services@notes.cc.sunysb.edu, or visit www.studentaffairs.stonybrook.edu/commuter.

Computer Store

The not-for-profit Computer Corner offers educational discounts on brand-name hardware and software to students, staff, and faculty. It is an authorized educational dealer for Apple, Dell, Hewlett Packard, Gateway, Lexmark, Microsoft, and other manufacturers. Located in 131 Student Activities Center, store hours are Monday to Friday, 9:00 a.m.–4:30 p.m. Phone: (631) 632-7630. Fax: (631) 632-6329. Web site: www.computercorner.stonybrook.edu. E-mail: Computer.corner@sunysb.edu.

Counseling Center

The University Counseling Center on the second floor of the Student Health Center, behind the Stony Brook Union, provides crisis intervention, brief psychotherapy, group and couples therapy, and psychiatric services to all students. During the summer, the Center is open from 8:00 a.m.–4:00 p.m., Monday through Friday. Call (631) 632-6720 for an appointment. A visit can usually be scheduled within 24 hours. In the event of an emergency, students can be seen immediately without an appointment. For further information, visit: www.sunysb.edu/stuaff/counsel/.

For mental health emergencies after hours and on weekends, call University Police at (631) 632-3333 or go directly to University Hospital. If you are not experiencing an emergency but need to speak to someone after hours or on a weekend, call the Response Hotline at (631) 751-7500 or (631) 632-HOPE.

Dining

The Student Activities Center Food Court and Seawolves Market are open during Summer Sessions. For summer food service hours and locations, call (631) 632-6517. In addition, the student-run Harriman Cafe on the first floor of Harriman Hall is usually open in the summer. Call (631) 632-6078. You may also check the Summer Sessions FAQ sheet and Web site for a list of all summer dining services and their hours of operation. The FAQ sheet will be available June 2 on the Web, at the campus information booths, and in the Registrar, SPD, and Summer Sessions offices.

Vending machines are available in many administrative and academic buildings. Food carts are available in the Administration, Life Sciences, and Social and Behavioral Sciences buildings.

Disability Support Services

Disability Support Services (DSS) coordinates advocacy and support services for students with disabilities. Students who anticipate requiring assistance should contact the Disability Support Services Office as early as possible to allow time to implement any recommended services. The office is located on the first floor of the Educational Communications Center (ECC) Building. Call (631) 632-6748/6749; VOICE/TDD is available. Or visit <http://studentaffairs.stonybrook.edu/disabilityservices/>

Information Centers

Student-staffed information centers are located in the Admissions Office, 118 Administration Building, and the lobbies of the Student Activities Center and Stony Brook Union. They provide details of cur-

rent campus events, the campus telephone directory, and general University news. More specialized information centers are located in the lobbies of the Sports Complex and Staller Center for the Arts.

The Summer Sessions Office, 104 Administration Building, can provide information about academic matters pertaining to summer students. Phone: (631) 632-7790. Web site: www.stonybrook.edu/summer.

Interfaith Center

The Interfaith Center is the umbrella organization on campus for several denominations. It holds worship services and offers programs that provide opportunities for the campus community to learn about and appreciate diverse religious traditions. The following chaplaincies are members of the Interfaith Center, which is located on the second floor of the Stony Brook Union.

- Islamic: (631) 632-9769
- Jewish: (631) 632-6565
- Protestant: (631) 632-6563
- Roman Catholic: (631) 632-6562
- Southern Baptist: (631) 632-6564
- Unitarian Universalist: (631) 751-0297

For more information, visit the Interfaith Center's Web site: naples.cc.sunysb.edu/OSA/Interfaith.nsf

Meal Plan Office

For information about the summer Meal Plan, visit www.campus-dining.org/main.php or call (631) 632-6517. The Meal Plan office is located at 250 Stony Brook Union and is open Monday through Friday, 8:30 a.m.–4:00 p.m.

Motorist Assistance Program

Between 8:00 a.m. and 4:00 p.m., Monday through Friday, Parking Services offers motorist assistance for such common problems as battery jumps, locked-in keys, empty gas tanks, and slow tire leaks. During all other times, assistance is limited to battery jumps and locked-in keys only. For assistance at those times, please call University Police at (631) 632-3333 or dial 333 from on-campus phones.

Ombuds Office

The University Ombuds Office assists students in resolving difficult problems or disputes related to their life or work at the University. All matters handled by the Ombuds Office remain confidential. Walk-in visits are possible, but appointments in advance help keep waiting to a minimum. The office is located in W050 Melville Library. For more information, call (631) 632-9200.

Student Health Service

The Student Health Service is located behind the Stony Brook Union. It offers medical care in the Infirmary to students enrolled in daytime classes. The Infirmary's health services include a medical clinic and laboratory and pharmacy service, as well as specialty clinics in dermatology and women's health. Call (631) 632-6740. The Infirmary is open in the summer Monday through Friday, 8:00 a.m.–4:00 p.m. Visit their Web site at www.stonybrook.edu/stuaff/health/. See Counseling Center for information about counseling services.

Vehicle Registration

If you park on campus, your vehicle must be registered and have a valid parking permit. You may register your vehicle or obtain a permit through Parking and Transportation's Web site: (www.parking.sunysb.edu) or in person at the Bursar's Office, second floor lobby of the Administration Building; phone (631) 632-9316. A copy of your current vehicle registration is needed and payment can be made by cash or check for \$5.00 made out to **Stony Brook University** or added to your student account. You may also charge your payment to Visa, MasterCard, Discover, or American Express.

For further information, call (631) 632-AUTO. For information about parking, see the last section of this Catalog.

● SUMMER STUDENT ACTIVITIES

The Summer Student Activities Board sponsors cultural, social, and recreational activities for undergraduate students enrolled in Summer Sessions classes. These are funded by a portion of the required summer student activity fee and include films, barbecues, bus trips to beaches, and ball games. The Student Activities Center, directly across from the Melville Library, houses a cafeteria, meeting rooms, and large lounge areas. In addition, the SAC has a centrally located commuter commons and lounge, wellness center, dance studio, convenience store, computer store, auditorium, banking and postal services, billiards lounge, and an outdoor sculpture garden.

Other student activities and services continue in the Stony Brook Union, directly behind the Melville Library. These include the Crafts Center, snack and dining areas, WUSB FM radio station, SBU television, meeting rooms, and an auditorium.

You may obtain further information on summer activities from the Department of Student Union and Activities at (631) 632-9392, the Student Activities Center at (631) 632-6730, or from the Student Polity Association, Suite 202 Student Activities Center, (631) 632-6460.

E-Media SINC sites, located in several buildings on campus, give students access to state-of-the-art PC and Mac workstations.

Medical Photography

HOUSING AND MEALS

your guide

● APPLYING FOR HOUSING

For up-to-date information about summer housing, including costs, or to obtain a summer housing application, visit www.stonybrook.edu/stuaff/reside.

Students Currently Living on Campus. Apply for summer housing in person at the Campus Residences Office, Mendelsohn Quad, Irving/O'Neill College, or in your quad office during business hours, 9:00 a.m.–5:00 p.m., Monday through Friday, until May 2.

Students Not Currently Living on Campus. Submit the housing form from the Web site or write or call Campus Residences:

Division of Campus Residences
Mendelsohn Quad
Stony Brook University
Stony Brook, New York 11794-4444
Telephone: (631) 632-6750
www.stonybrook.edu/stuaff/reside

● CHECK-IN/CHECK-OUT DATES

Check-in for Session I and the Extended Session is Sunday, June 1 from 12 p.m.–5:00 p.m. If you are not enrolled in Session II classes, you must check out by 8:00 p.m. Friday, July 11, unless you are also enrolled in Extended Session classes. Extended Session check-out is 8:00 p.m. on Friday, July 25.

Session II check-in takes place Sunday, July 13, from 12 p.m. to 5:00 p.m. Session II check out is 8:00 p.m. Friday, August 22. If you have a Fall 2003 room assignment, you may contract for housing during the period between the end of Session II and the start of the Fall 2003 semester.

Because Campus Residences gives priority to summer residents who enroll in summer classes, you must be prepared to provide proof of summer enrollment upon checking into your room assignment. Room assignments are made on a first-come, first-served basis as space permits. Failure to enroll in Summer Sessions classes could restrict you from checking in and may result in termination of your housing agreement.

● RESIDENCE HALLS

Most summer housing is in double occupancy rooms. Please indicate any roommate request on your housing application form and submit both housing applications together.

Rooms include beds, desks, dressers, telephones, cable TV, and Ethernet access. Students provide their own linens and study lamps. Air conditioners are prohibited in the residence halls and TV antennas are forbidden on the roofs.

If you apply by mail or in person by May 2, you will be notified of your room assignment by May 9. You may also check the

Campus Residences bulletin board in Mendelsohn Quad for your room assignment.

Students living in campus residence halls are required to read and sign the Terms of Agreement for Residence Halls, copies of which you may obtain from the Campus Residences Office, Mendelsohn Quad, Irving/O'Neill College. The Division of Campus Residences reserves the right to administratively reassign any resident at any time.

● RESIDENCE HALL SERVICES

The Quad Office is the administrative center for the residence halls in each quad. Quad offices are open from 9:00 a.m.–5:00 p.m., Monday through Friday. They are closed weekends. A full-time professional residence hall director is located in each building to assist the students living there and student staff members are assigned to each floor.

Most University residence halls are scheduled for regular maintenance during the summer months. Although unlikely, there may be occasional periods of disruption of utilities and services. If this should occur, efforts will be made to notify residents in advance.

● MEALS and COOKING

Some residence hall space available for Summer 2003 requires that you participate in a University meal plan. For information about the summer meal plans and the location of summer food services, contact the Meal Plan Office at (631) 632-6517 or visit www.campusdining.org/main.php.

Students may cook in the residence halls only in designated areas and not in student bedrooms. Refrigerators are permitted, provided they do not consume more than three (3) amps of electricity.

● HOUSING REFUNDS

Students must request refunds by writing to:

Division of Campus Residences
Mendelsohn Quad
Stony Brook University
Stony Brook, New York 11794-0651

To receive a refund for an entire summer session, you must make your request in writing prior to the start of the session; otherwise, you will be liable for the entire period. Approved refunds for housing after a session has begun will be prorated by the week.

● OFF-CAMPUS HOUSING

The University's Off-Campus Housing Office, in the lobby of the Stony Brook Union, maintains a database of apartments and houses available for rent in neighboring communities. For more information, call (631) 632-6770 or visit their Web site at <http://och.vpsa.sunysb.edu>.

HOW TO GET TO STONY BROOK

where to park/campus bus service

How to get from there to here. Details of traveling to, from, and around campus.

● DIRECTIONS TO STONY BROOK

By Car

Take the Long Island Expressway (Route 495) east from the Queens-Midtown Tunnel (Manhattan) or from the Throgs Neck or Whitestone Bridge (Bronx) or west from Riverhead. Turn off at Exit 62 (Route 97) and follow Nicholls Road north for nine miles.

By Train

The Long Island Rail Road's Port Jefferson line stops at the edge of campus; the ride from New York City takes less than two hours. LIRR service is also available from many towns on Long Island. Call the LIRR in NYC at (718) 217-LIRR; from Nassau County, call (516) 822-LIRR, and from Suffolk County, call (631) 231-LIRR; for TDD hearing impaired, call (718) 588-3022. You may also visit its Web site at: www.lirr.org.

By Bus (Suffolk County Transit)

Call (516) 766-6722 for information about bus service around Long Island or visit www.lirr.org/mta/phone.htm#lib.

● PARKING ON CAMPUS

Your vehicle must display a valid parking permit and you must operate within the guidelines specified by Stony Brook University's parking rules and regulations. You may obtain a parking permit through the Parking and Transportation Services office on its Web site: www.parking.stonybrook.edu. You may also register your car in person, weekdays at the Bursar's Office, second floor lobby of the Administration Building; telephone (631) 632-9316. Bring a copy of your current vehicle registration, your validated ID card, and cash or check for \$5 made out to **Stony Brook University**. You may also charge your payment to Visa, MasterCard, Discover, or American Express. For further information on parking, call (631) 632-AUTO.

Summer parking maps are available from the Summer Sessions Office, 104 Administration Building, and the Bursar's Office, Lobby, Administration Building.

Prime parking for commuter students is in the Stadium Lot, less than a 5-minute walk to the heart of campus. The cost of a summer Stadium permit is \$20 per session unless the student has paid for the entire year. To purchase this permit, visit www.parking.stonybrook.edu and select the Stadium Permit option.

Students with green Commuter Permits may park in the North P and South P park and ride lots. Free bus service is available from these lots to the main campus and Health Sciences Center. The South P lot is located at the corner of South Drive and Stony Brook Road. The North P lot is located near the north entrance of the campus, adjacent to the LIRR Station parking lot. An additional commuter lot is located behind the Sports Complex at the corner of North Loop Drive and Gym Road.

Metered parking spaces are available throughout campus. All meters are in effect Monday through Friday from 7 a.m.–7 p.m.

Parking garages are located next to the Administration Building and adjacent to University Hospital. The parking fee for the Administration

and Hospital Garages is \$1.50 an hour or fraction thereof, with a maximum charge of \$7.50 per day. The cost for a student monthly permit is \$22.72 per month, plus a \$10.00 refundable deposit with proper ID. Garage cards are purchased in the following locations.

- Administration Garage Office:
8:30 a.m.–4:30 p.m. (weekdays only)
- Hospital Garage Office:
8:00 a.m.–8:00 p.m. (weekdays)
2:00 p.m.–6:00 p.m. (Saturday)
12:00 p.m.–4:00 p.m. (Sunday)

Evening Student Parking

Evening students may purchase monthly evening garage passes that are valid from 3:00 p.m.–8:00 p.m. and all day on weekends. The evening pass costs \$11.37 per month, plus a \$10.00 refundable deposit. Alternatively, those parking after 5:30 p.m. may pay a flat rate of \$3.00 per night. Call (631) 444-6607 for further information.

Evening parking permits for the Administration Garage may be purchased until 7 p.m. during the first two days of each session and until 6:30 p.m. on the third day and fourth day of each session.

Free evening parking for registered vehicles is available:

- 4:00 p.m.–7:00 a.m., Monday through Friday and all day Saturday and Sunday, in all permit lots unless indicated at the lot by sign or staff.
- 7:00 p.m.–7:00 a.m. Monday through Friday and all day Saturday and Sunday, in all metered lots.

Restricted spaces such as Handicapped or State Vehicles are so indicated by signs.

● BUS SERVICE

Campus buses are free and run regularly year-round. You can obtain a schedule by visiting www.parking.sunysb.edu or at the Summer Sessions Office, 104 Administration Bldg., as well as on the buses.

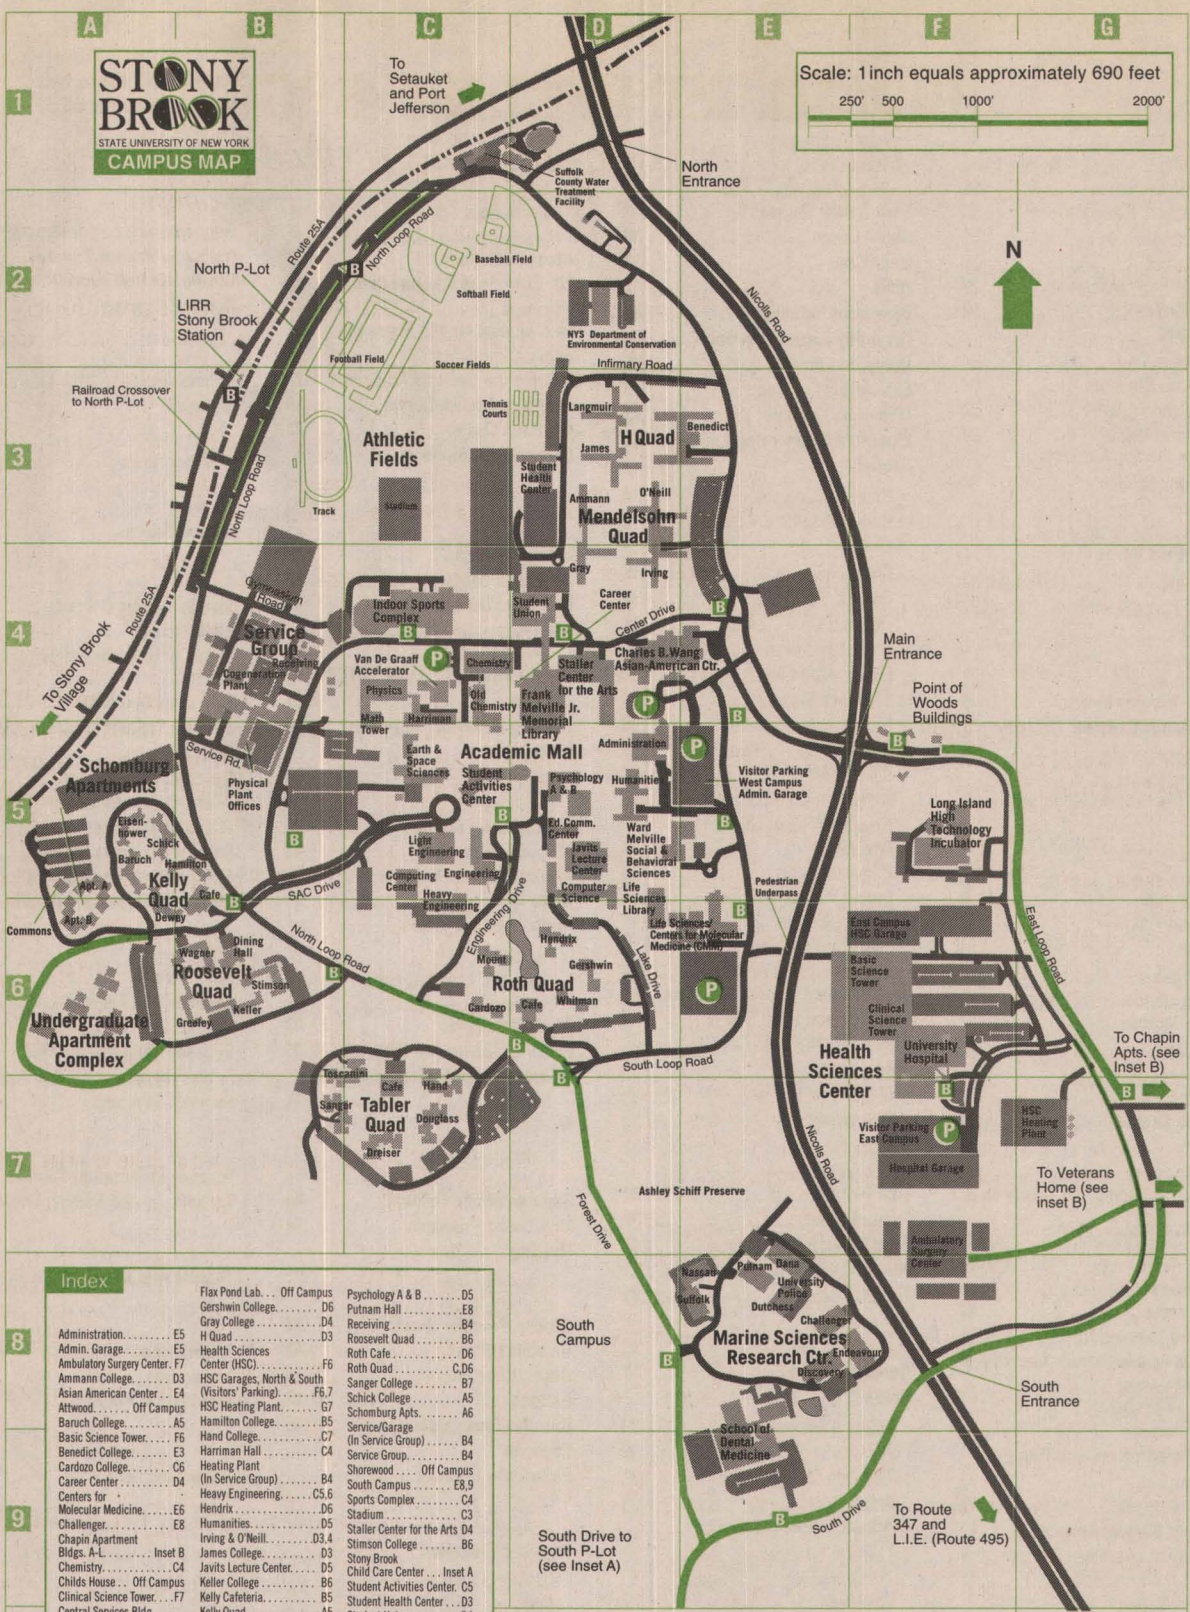

For additional information, call the Bus Office at (631) 632-6418 or visit www.parking.sunysb.edu.

● MOTORIST ASSISTANCE PROGRAM

From 8 a.m.–4 p.m., Monday through Friday, Parking Services offers motorist assistance for such common problems as battery jumps, locked-in keys, empty gas tanks, and slow tire leaks. During all other times, assistance is limited to battery jumps and locked-in keys only. For assistance, please call University Police at 632-3333 or 333 from campus phones.

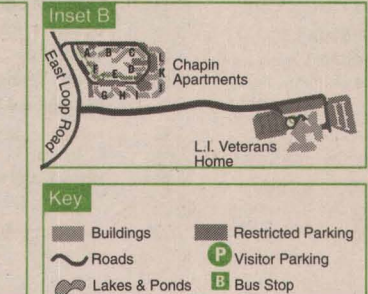

● BICYCLING ON CAMPUS

The bicycle path provides a scenic and convenient way to travel about campus. You may bring your bicycle on board campus buses that are equipped with quick-release bicycle racks.

Independence Day, campus closed	July 4	–	–
Session ends — Students vacate residence halls by 8:00 p.m.	July 11	Aug. 22	July 25
Deadline to file for August graduation	July 21	July 21	July 21
Deadline for changing incompletes to letter grades	Nov. 1	Nov. 1	Nov. 1

Summer Sessions Dates and Student Services Hours

Stony Brook schedules Summer Sessions classes in two six-week sessions and one eight-week session:

Session I:
June 2–July 11

•
Session II:
July 14–Aug. 22

•
Extended Session:
June 2–July 25

Day and evening classes are scheduled in all sessions.

When classes are in session, the student services offices that summer students are most likely to deal with are open Monday, Wednesday, Thursday, and Friday from 8:30 a.m.–4:00 p.m., and Tuesday from 10:00 a.m.–6:00 p.m. These offices include: Bursar, Campus Card Office, Financial Aid/Student Employment, Registrar, and Parking. When classes are not in session, these offices are open Monday through Friday from 8:30 a.m.–4:00 p.m.

A complete listing of locations, phone numbers, and hours of operation of important student services offices appears on page 37.
