## **4. Diversity 101/And Justice for All...**

December 11, 2009 9:00am 3:00pm

This full day program will provide participants with necessary information, resources, and guidance about Federal and State regulations; University policies around issues of discrimination; equal employment opportunity complaint resolution and diversity. It will clarify and communicate the roles, rights and responsibilities of supervisors, managers, employees and the Office of Diversity and Affirmative Action in these matters. The program will review appropriate methods for making referrals, the scope of confidentiality and the policy against retaliation. Through the use of case studies and other interactive exercises, this program will allow participants to explore and discuss dimensions of diversity and inclusion, approaches to managing diversity, the impact of stereotyping and bias in the workplace. Each participant will develop a personal action plan.

Target Audience: All employees, supervisors, managers

## **6. Film: The Band's Visit**

Once, not long ago, a small Egyptian police band arrived in Israel. Not many remember this. It wasn't that important: Arriving in Israel from Egypt, the Alexandria Ceremonial Police Orchestra finds there is no delegation to meet them, nor any arrangements to get to their destination of Petah Tiqva. Stuck in the remote town of Beit Hatikva until the next morning's bus, the band gets help from the worldly lunch owner, Dina, and settles in as best they can; each of the members attempts to get along with the natives in their own way. What follows is a special night of quiet happenings and confessions as the band makes its own impact on the town and the town on them. (87 minutes, Hebrew with English subtitles, 2007)
