To all Faculty, Staff and Students,

The draft SUNY Strategic Plan is now available for your review. This provides us with another opportunity to be involved in the strategic planning process, and as a member of the SUNY Strategic Planning Steering Committee, I encourage you to go to the below link, review the plan and provide your feedback. As the Chancellor has said, "The resulting Strategic Plan will guide SUNY for the next five years and advise the University in its development for the next ten years." This is an occasion to be heard, and potentially have direct input into the final Plan.
