Subject Message to the Campus Community

To: The Campus Community

It is with profound sadness that I inform you of the death of one of our commuter students, the result of an apparent suicide. I know I speak for the entire campus community when I say our thoughts and prayers go out to the family and friends of the student. As always, in a tragedy such as this, students, faculty, and staff are encouraged to avail themselves of the services provided by the University Counseling Center by calling 2-6720.

Sincerely,

Shirley Strum Kenny, President
