---

To All Faculty and Staff:

I am writing to inform the campus community that Denise Johnson will assume the position of Director of Finance and Management for the College of Engineering and Applied Sciences and the Office of the V.P for. Economic Development, effective April 15th. Denise brings terrific skills and tremendous experience to this position, which is critically important to the university, and we will be fortunate to have someone with her capabilities in the job. She will be deeply missed in the Provost's Office, and I am grateful for her years of dedicated service. Mary Remmler will be the principal point of contact for budgetary matters in the Provost's Office after April 15, 2010, and I appreciate her willingness to take on these new responsibilities.

Please join me in congratulating Denise on her new position!

Best,  
Eric
