To All Faculty and Staff

Dear Colleagues,

This Wednesday, April 28th, our annual campus-wide Celebration of Undergraduate Research and Creativity will take place. The day features exhibits and presentations of some of our extraordinary undergraduates and is sponsored by the Center for Science and Mathematics Education and the Howard Hughes Medical Institute.

I encourage you all to attend and have appended the day's schedule below.

Mark Aronoff  
Vice-Provost for Undergraduate Education  
Professor of Linguistics
