NEWSLETTER

JANUARY 27, 1975

EDITOR'S STATEMENT - BLACKWORLD has resumed publication of its weekly Newsletter in an effort to disseminate news affecting black people as quickly as possible to the University community.

On occasions we will express our opinions, but basically we will deal with the facts so that every black person on campus will know what is happening in regards to black folks. Thereby, we hope to fulfill our constitutional obligation to "serve as a vehicle for the expression of ideas and issues of vital concern to black people." Stony Brook BLACKWORLD newspaper will continue to be published monthly.

All brothers and sisters with news of interest are urged to contact BLACKWORLD. We are located in the basement of the Student Union, Room 071, Tele. 246-8231. We also need writers, reporters, typists, photographers and production assistants. Remember, BLACKWORLD is your chance to "Tell it like it is." PEACE.
