## ELECTION RESULTS

SEE PAGE 2

### Letter From: Bill Wiesner, President Elect

*I would like to thank the campus community for electing me president of The Stony Brook Chapter. John Stamm and his board have done an excellent job in developing the Union on campus and publicizing its activities. Those of us who were just elected expect to continue the development of the Union on campus.*

*I'm afraid its a little early for me to start talking about all the wonderful things the Stony Brook Chapter of UUP will accomplish during the next two years. There's too much to be learned before formulating reasonable expectations.*

*It is clear to me that the Union has been something of a paper tiger. Despite heroic efforts by John Stamm and his board, the union is largely invisible on campus except for those with crises. I have to be able to develop more campus involvement in the Union. For example, we hope to schedule open meetings at least once a month, immediately following faculty senate meetings.*

*We plan to have workshops on campus for career and skills development, leadership development etc.*

*We hope to work with the current administration in securing raises and promotions for those who deserve them.*

*We hope to develop a standard, and fair complaint procedure for the campus.*

*We hope to make our concerns felt by UUP in Albany, so that a contract can be negotiated with which we can be satisfied.*

Success in those and other endeavors will come about much quicker if we have active members. Members who let us know what their concerns are, and members with ideas. To this end Hanan, Charlie and myself will try to revitalize the department representative system. I am cautiously optimistic about our chances for success. John Stamm and his board have shown us that the Union can be responsive and can communicate with its membership. If we can continue what they and their predecessors have started, and build upon it, many obstacles to our success will be lifted.

In closing I would like to thank the outgoing board, the electorate and those who ran but were not elected. The strength of a Professional Union depends on honest differences of opinion and the creative solutions they import.

## Letter From: Charles Hansen, Elected V.P. For Professional

The Election is over and the selection has been made. The leadership of UUP has been established both on the state level and on the campus. Together I do feel that we will be able to achieve those things that we have sought from the very beginning of our getting together to form our union. This can only be accomplished with your help.

We here at Stony Brook, as on other campuses throughout the state must form a network of people that can gather and dispense information as it is happening. You are the union and the officers are the ones that compile the information received through the various avenues open to us, we will take the necessary action that is needed to deal with the various problems. But, again I say that the success of our endeavours are in your hands. Your involvement is essential to success.

I extend my gratitude to you for selecting me to represent you as the V. P. for Professionals and I will try to live up to your confidence. I hope to work closely with Bill and the other members of the executive board and together I am assured we will be able to work for those things that are essential for a successful chapter of UUP. A chapter that will be representative of the people.

I want to thank Barbara Woodard for her time and energy that she put forth during her term of office as the Professional V. P. and I do hope that when needed she will help achieve those things that are essential to our well being. Such as the development of the departmental representative structure (the eyes and ears of our chapter..) Every department should have a person that knows what is happening as it happens. We now have some departments represented, but, we must work to achieve the goal of a representative in every department. It is your organization and your input is much needed.

If for any REASON you need assistance, do not hesitate to contact myself or any other member of the executive board. Your UUP is as close to you as your phone.

Again, THANK YOU.

## Letter From: Hanan Selvin, Elected V.P. For Academics

I hope to help the UUP to recognize that, even in this era of budgetary restraint, it is still conceivable to bring SUNY closer to the status of a genuinely outstanding state university system. Toward this end it would be desirable for the special needs and conditions of the university centers to have institutionalized recognition in Albany. Since it seems altogether unlikely that the Public Employees Relations Board (PERB) will make the university centers a separate bargaining unit, I hope that the UUP can persuade Chancellor Wharton to change the functions of the Vice-Chancellors back to what they were in the reign of Samuel Gould, in which each type of campus had its own Vice-Chancellor, who was able to keep special needs and special potentialities in mind.
