

**I. CLASS ATTENDANCE POLICY**

- A. Class attendance is mandatory, unless there is a medical reason or the student is excused by the Program Director or Course Instructor. If a Course Instructor has no written policy in the syllabus regarding the consequences for being absent from class, the *Graduate Program in Public Health* will apply the following Program policy: *“three or more unexcused absences from class will reduce the final course grade by a full letter grade (e.g., A to B).”*
