UUP Central has informed the chapters in the downstate region about a Rally @ Hunter College (CUNY) to take place on Tuesday oct. 27th from 4 to 6pm @ Hunter College @ East 69th St off Park Ave in NYC. The governor will be in NYC that day thus the rally to support public higher education. UUP was talking about a bus at 1pm from Stony Brook Univ. or a LIRR train 12:40pm which gets into Penn station @ 2:32pm. If you are interested in attending please contact Artie so he can get a head count @ 2-8948 or via email. Sorry for short notice, but this was just organized and the opportunity to have this in NYC while the governor is in town just developed.

Thanks & have a great weekend.
Charlie
