Looking for Suggestions for Chapter's 2010-2011 Budget

Your chapter officers and chairs are looking for suggestions, ideas for submission in our Chapter's next UUP budget. It can be new committees, new activities and/or programs. We want to hear from you as we put together the budget submission this Winter which you will be reviewing and voting on this Spring at the General Membership meetings. What like to see the chapter to do with UUP funds?

SEFA/Stony Brook Cares Campaign 2010 Starts

The State Employees Federated Appeal or Stony Brook Cares (our local name) is just starting. This year UUP Statewide President Phil Smith is the statewide co-chair for the campaign. This campaign offers state workers the opportunity to give to a local, national or international charity of their choice through ease of payroll deduction or by one time donation. This program is a joint Labor/Management fund-raising effort approved by Office of General Services and managed locally by United Way of Long Island. Annually, 90% of the funds goes directly to the agency with only 10% used for administrative costs. There are hundreds of organizations to chose from so you can specifically target only those charities you and your family support. Together We Can, Make a Pledge, Make a Difference.

RSVP No later than three days prior to an event to have an Head Count! Thanks, UUP Office # is
