WORKSHOPS OFFERED BY L.I.L.R.C.:

Received in the mail today are announcements of several workshops to be held in Farmingdale - either at the College or the Public Library. Most of the workshops are 2 1/2 hours in length. The attached scan includes descriptive information on each and the registration form.

Complete a travel request and attach the registration form. If you are requesting mileage reimbursement (in addition to the registration fee as member) the amount is .55/per mile. If a few staff decide to attend the same workshop the library can pay LILRC directly for the registration so you would have no out-of-pocket expense.
