NEW CHEMISTRY LIBRARY: *(submitted by Dana)*

We have finally moved into our new space. Please feel free to drop by and tour the new Chemistry Library Reading Room and basement storage facility.

The new Chemistry Library address is 216 Graduate Chemistry Building. The new Chemistry Library Reading Room is directly across the hall from the former space. The phone # for the Chemistry Library remains the same [2-7150].

Here is the quoted response given by DoIT Help Desk -

"Any time you see a request for this information, even if it appears to come from the campus e-mail, you should do the following:

1. Forward the message to abuse@stonybrook.edu
2. Move it to the junk mail folder for further forensic analysis."
