HAVE YOU VOLUNTEERED?

The Library has just received a request from the Chancellor's Office (see memo below) asking us to compile a list of staff who are involved in volunteer community service. Staff who would like to be listed on the Employee Honor Roll should send Germaine an e-mail by 10 a.m., Thursday, November 29.

TO: State University of New York Campus Presidents
FROM: Chancellor Robert L. King
SUBJECT: New York State Honor Roll Submission for Martin Luther King 2002 Memorial Observance

... The building of a healthy sense of self and community is at the heart of Dr.King's philosophy. The Governor has encouraged all state residents to observe the Martin Luther King Holiday by performing community service on a voluntary basis in tribute to the life and legacy of Dr. King. As a way of thanking those state employees who have already embraced his principles through volunteerism, the state is compiling

an Honor Roll in recognition of their efforts.

... Employee names will be displayed in the Convention Center during the celebration on January 21, 2002.

The only criteria for the Honor Roll are that the service must have been community-oriented and voluntary. It

will not be necessary to stipulate or caption specific activities involved.

... In the spirit of Dr. King's philosophy and in response to the governor's challenge, let us show how SUNY

continues to work to build a better future for all New Yorkers by "Embracing the Dream."

GRAND OPENING OF MUSIC LIBRARY TODAY, NOV . 28TH AT 12:40!

Please try to attend the ceremony followed by reception at 2:00 pm in the corridor near the Music Library.
