HABITAT FOR HUMANITY (Building Efforts):

If you are interested in construction your help is valued! **Please let MV know** if you can assist on any of the following dates. It is expected that workers spend from 9:00 am - 3:00 pm on the site (partial days don't work as it takes time to learn the skill).

Thursday, July 28 [Strapping*, Interior Wall Framing](#)
(Right now VP for Admin. area is volunteering 15 more people are needed.)

Friday, August 5 [Vinyl Siding](#)

Wednesday, August 31 [Insulation](#)

[*secure roof trusses to sidewall studs](#)

Unlike other years, staff work is primarily in the summer. Student Affairs is recruiting students to work in the fall. Hope you can participate.

QUESTIONNAIRE FOR TEAMS:

The due date for the completed questionnaire is next Monday, July 18. A spreadsheet "tally" of staff with their selections is being prepared. Consider being part of the same team or try a new one. In some cases, no prior experience is necessary, and, in others, up-to-date knowledge of digitization, research instruction, reference chat are essential. In all cases, a willingness to put some time towards working together to assist the libraries is necessary! Being part of a larger effort is rewarding and helps you get to know fellow staff. Cooperation can be contagious!!

STAFF PHONE LIST:

Here is the current listing. LIBRARY STAFF-PHONE LIST LEGAL SIZE.xls **REVISED!**
If you have trouble printing due to size, there are extra copies in a folder on the pay check counter.
