### PUBLICATIONS AND PUBLICITY TEAM NEWS:

This team meets at least once a month. Our goal is to keep the libraries and its services on the minds of those both on campus and off. Lately, we are striving to do this by several endeavors.

The bookmark to the stacks and locator for the libraries is under revision. The information has been updated, given a new look and will be printed shortly. The holiday card for this year is underway and will feature doors to open to the staff photo - stop by and read the catchy message inside. Further efforts are to be seen in the galleria. Cynthia Dietz and the map collection will be featured on four panels. The other display is located at the foot of the galleria stairs; it is in the early planning stages. Lastly, the end of January 2009 newsletter is in progress and will include an interview with a staff member, some branch library news and some upcoming programs.

Keep your eyes open for all these "works in progress."
