

**STAFF NEWS:**

Wishing Meredith Bouchard all the best as she leaves her position as Project Archivist in Special Collections. Thank you Meredith and hope you land a new job soon!

In case you are wondering why there is a Congratulations balloon in Chris's office - Chris is now a grandfather. His granddaughter, Calla, was born at the end of July. She now weighs about 8 pounds. Chris has her photo on his desk.

This is not a rumor - Maryanne has decided to retire at the end of this October. She wants to spend more time with family (her aging mother + grandkids), more time on projects as scrapbooking and crocheting, some new learning as piano non-credit classes and either work part time or volunteer for a historical/environmental agency or ?. And she qualifies for full social security, too.

**LILRC ANNUAL CONFERENCE:**

This year's theme is Brave "New Media" World. There is an attendance limit of 120. If you plan to attend it is a good idea to get the early bird rate (\$125 for full conference) until Sept. 28. Here is some attached information with the registration form.
