ARTICLE 7

Grievance Procedure

7.1 Purpose

The purpose of this Article is to provide a prompt and efficient procedure for the investigation and resolution of grievances. The orderly process hereinafter set forth shall be the sole method for the resolution of grievances.

7.2 Definition

a. A grievance is a dispute concerning the interpretation, application or claimed violation of a specific term or provision of this Agreement; provided, however, that with respect to matters involving appointment, evaluation and promotion of employees a grievance shall be deemed to mean a claimed failure by the State to follow the procedural steps relating to appointment, evaluation and promotion of employees contained in the Policies of the Board of Trustees in Article XI, Title A, Section 1; Article XI, Title D, Section 5; Article XII, Title A, Section 3; Article XII, Title B, Section 1; and Article XII, Title C, Sections 3 and 4.

b. A claim of unjust discipline shall be processed in accordance with Article 19, Discipline, of this Agreement and shall not be subject to the grievance procedure contained in this Article. However, a claim that the procedures of Article 19, Discipline, have been violated shall be processed in accordance with the grievance procedure contained in this Article. Such claim may be filed initially at Step 2. Where it is determined that the procedures of Article 19, Discipline, have been violated and where a College President, or designee, elects to proceed with disciplinary action, such action must be initiated within 10 working days from the date of receipt of the determination.
7.3 Requirements for Filing Grievances
a. A grievance must be submitted in writing on forms to be provided by the State.
b. Each grievance shall identify the specific term or provision of the Agreement claimed to have been violated and shall contain a short, plain statement of the grievance, the facts surrounding it and the remedy sought.
c. No grievance shall be reviewed unless all of the information required by the grievance form or otherwise required by grievance steps of this Article has been provided.

7.4 Representation
a. UUP shall have the exclusive right to represent any employee, upon the employee's request, at any step of this grievance procedure; provided, however, that individual employees may, upon notice to UUP, initiate and represent themselves in processing their own individual grievances at Steps 1 and 2; provided further, however, no resolution of an individually processed grievance shall be inconsistent with this Agreement and for this purpose UUP shall receive prior notice and a reasonable opportunity to be heard on the resolution of any grievance so processed at Steps 1 and 2.
b. UUP shall have the right, but not the obligation, to initiate at Step 2 a grievance which directly involves employees at more than one campus.

7.5 Procedures for Processing Grievances and Grievance Appeals
a. Step 1. A grievance shall be filed by an employee, or UUP upon an employee's request, with the College President, or designee, within 45 calendar days following the act or omission giving rise thereto, or within 45 calendar days of the date on which the employee first knew or reasonably should have known of such act or omission if that date is later. Where practicable, the grievant may be required to meet with the department or division chairperson, Dean or other appropriate administrator with a representative of the employee's choice in an effort to resolve the grievance informally. The College President, or designee, shall schedule a meeting within 10 calendar days after receipt of the grievance and shall issue a written response to the grievant and UUP within 20 working days after the meeting.
b. Step 2.
   1. If the response at Step 1 does not resolve the grievance, the grievant, or UUP upon grievant's request, may appeal the Step 1 response by filing an appeal with the Chancellor, or designee, within 10 working days after receipt of the Step 1 response. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, a copy of the Step 1 response and a short, plain statement of the reasons for disagreement with the Step 1 response. The Chancellor, or designee, shall issue a written response to the grievant and UUP within 20 working days after receipt of the appeal, unless the appeal to Step 2 contains a request for a meeting with the Chancellor, or designee. If such meeting has been requested, the Chancellor, or designee, shall schedule a meeting with the grievant within 10 calendar days after receipt of the appeal. UUP may accompany and represent the grievant, at grievant's request, at such meeting. The Step 2 response shall be issued within 20 working days after the meeting.
   2. A grievance involving a claim that the procedures of Article 19, Discipline, have been violated may be filed initially at Step 2 by the Grievant, or UUP upon grievant's request. Such grievance shall meet the requirements specified in Section 7.3, Requirements for Filing Grievances, of this Article. Such grievances shall be filed within 45 calendar days following the act or omission giving rise thereto, or within 45 calendar days of the date on which the employee first knew or reasonably should have known of such act or omission if that date is later. The Chancellor, or designee, shall schedule a review with the grievant within 10 calendar days after receipt of the grievance and shall issue a written response within 20 working days after the meeting.
   3. A grievance involving employees at more than one College may be filed by UUP initially at Step 2. In such case, UUP shall be deemed to be the grievant. Such
grievance shall meet the requirements specified in Section 7.3, Requirements for Filing Grievances, of this Article. The time limit for filing such grievance shall be as specified in Step 1. The Chancellor, or designee, shall issue a written response to UUP within 20 working days after receipt of the grievance unless the grievance contains a request for a meeting with the Chancellor, or designee. If such meeting has been requested by UUP, the Chancellor, or designee, shall schedule a meeting with UUP within 10 calendar days after receipt of the grievance and shall issue a response within 20 working days after completion of the meeting.

c. Step 3. If the response at Step 2 does not resolve the grievance, UUP, upon grievant’s request, through its President, or designee, may appeal the Step 2 response by filing an appeal with the Director of the Governor’s Office of Employee Relations, or designee, within 10 working days after receipt of the Step 2 response. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, or Step 2, in the case of grievances filed initially at Step 2, all prior responses and appeals, and a short, plain statement of the reasons for disagreement with the Step 2 response. A notice that the appeal has been taken shall be filed simultaneously with the College President or designee. The Director of the Governor’s Office of Employee Relations, or designee, shall issue a written response to the grievant and UUP within 20 working days after receipt of the Step 3 appeal.

d. Step 4.

1. If the response at Step 3 does not resolve the grievance, UUP, upon grievant’s request, through its President, or designee, may proceed to arbitration by filing with the Director of the Governor’s Office of Employee Relations, within 10 working days after receipt of the Step 3 response, written notice of intent to proceed to arbitration.

2. Notices of intent to proceed to arbitration must include a proposed statement of the issue to be decided.

7.6 Procedures Applicable to Grievance Steps

a. Step 1 shall be informal but the grievant, and the grievant’s representative upon grievant’s request, shall meet with the College President, or designee, for the purpose of discussing the grievance.

b. Steps 2 and 3 are intended primarily to be reviews of the existing grievance file; however, additional evidence may be submitted. If a meeting at Step 2 has not been requested or if a meeting at Step 3 has not been scheduled, any additional evidence at such Steps must be submitted in writing. If meetings at Steps 2 and 3 have been scheduled, any additional evidence may be submitted at such meetings in writing or by means of testimony. Presence of grievants at such meetings may be waived by mutual agreement of the parties.

c. Notwithstanding any other provision of this Article, neither the grievant nor UUP, as grievant’s representative, shall be permitted to allege violations other than those specified in writing in the grievance filed at Step 1 or initially filed at Step 2.

d. A grievance may be withdrawn at any time by the grievant or UUP as grievant’s representative.

7.7 Procedures Applicable to Arbitration

a. Selection of Arbitrators

The State and UUP shall jointly agree as soon as feasible after the execution of this Agreement on a panel of at least ten (10) contract arbitrators. Each member of the panel shall be assigned a number in rotation and shall be appointed in the order established after assignment of such numbers. The State agrees to take the necessary steps to administer the panel including, but not limited to, identifying arbitrators’ availability, notifying them of their appointment and assisting in arranging for hearing rooms.

b. Authority of the Arbitrator

I. The arbitrator shall neither add to, subtract from, nor modify the terms or provisions of this Agreement or the procedural steps of the Policies specified in Section 7.2, Definition, of this Article. The arbitrator shall confine the decision and
award solely to the application and/or interpretation of this Agreement or whether such procedural steps of the Policies have been followed. Where provisions of this Agreement or the procedural steps of the Policies referred to in this paragraph call for the exercise of judgment, the arbitrator shall not substitute the arbitrator’s judgment for that of the official making such judgment, but shall be confined to a determination as to whether this Agreement or such procedural steps of the Policies have been followed. If the arbitrator determines that this Agreement or the procedural steps of the Policies referred to in this paragraph have not been followed, the arbitrator may fashion an appropriate remedy. In matters involving appointment or reappointment, if the arbitrator determines that the failure to follow this Agreement or the procedural steps of the Policies referred to in this paragraph has been significant, the remedy may provide for an appointment not to exceed one year. The arbitrator shall not have the authority to grant a continuing or permanent appointment. Under Article XI of the Policies continuing or permanent appointment may be granted only by the State University Chancellor.

2. The arbitrator shall be confined to the precise issue submitted for arbitration and shall have no authority to determine any other issue.

c. Arbitrability

In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall determine initially whether the issue in dispute is arbitrable under the express terms of this Agreement. At the request of either party, such determination shall be made by a written decision and award. Once the arbitrator has determined that the issue is arbitrable in accordance with provisions of this subdivision, the arbitrator shall proceed to determine the merits of the issue.

d. Time and Place of Meeting

The arbitrator shall hold the hearing in Albany, unless otherwise agreed to by the parties, within 15 working days of the acceptance of the arbitrator’s selection or as soon thereafter as is practicable. Two consecutive hearing days shall be scheduled, where practicable. The arbitrator shall issue a decision and award upon an issue within 30 calendar days of the hearing, unless additional time is agreed to by the parties.

e. Effect of Decision and Award

The decision and award of the arbitrator shall be final and binding upon the State, UUP and the grievant to the extent permitted by provisions of this Agreement and applicable law.

f. Fees and Expenses

All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall be responsible for the cost of preparing and presenting its own case.

7.8 Miscellaneous Provisions

a. Time Limits

All of the time limits contained in this Article may be extended by mutual agreement of the parties. Extensions shall be confirmed in writing by the party requesting the extension. Upon failure of the State or its representatives to provide a response within the time limits provided in this Article, the grievant, or UUP as the grievant’s representative, may appeal to the next Step. Upon failure of the grievant, or UUP as grievant’s representative, to file a grievance or grievance appeal within the time limits provided in this Article, the grievance shall be deemed to have been withdrawn.

b. Mailing

1. All grievances, grievance appeals and responses shall be transmitted by certified or registered mail, return receipt requested, or by personal service on the grievant or grievant’s representative or on the individual responsible for conducting the review. Upon personal service the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.
2. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of receipt shall be that date appearing on the return receipt, provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a Step response shall be determined from the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail.

c. Precedent

Grievances resolved at either Steps 1, 2, or 3 shall not constitute a precedent in any arbitration proceeding unless agreed to in writing by the Director of the Governor's Office of Employee Relations and UUP, acting through its President.

d. Retroactivity

A settlement of, or an arbitrator's decision and award upon, a grievance may or may not be retroactive as the equities of each case may demand, but in no case shall such resolution be retroactive to a date earlier than 45 calendar days prior to the date the grievance was first filed.

e. "Working days" as used in this Article shall mean Monday through Friday, excluding holidays.

7.9 Applicability

This Article shall not apply to any matter which relates to College by-laws, policies, operating procedures, or any other form of guideline by whatsoever name, whether pertaining to a unit, department, division, school or any other level of organization of a College and whether appearing in a College handbook or any other document, which are developed by professional staff at a College for the conduct of the affairs of the College or its sublevels of organization.

**ARTICLE 8**

**Labor-Management Meetings**

8.1 The purpose of this Article shall be to provide a forum to discuss, consider and attempt to resolve, where appropriate and consistent with the terms of this Agreement, matters of interest to either or both parties identified below.

8.2 Representatives of the Governor's Office of Employee Relations shall meet with UUP representatives at mutually agreed upon times to discuss matters of interest raised by either party. If desired by the other party, the party requesting the meeting shall submit a written agenda in advance of the meeting.

8.3 The Chancellor, or designee, shall meet with UUP representatives twice each semester for the purpose of discussing matters of interest raised by either party, including those matters necessary to the implementation and administration of this Agreement which are University-wide in nature. A written agenda shall be submitted by UUP to the Chancellor no less than five days before the scheduled date of the meeting. At the discretion of the Chancellor, additional matters for discussion may be placed on the agenda. Nothing contained herein shall prevent the Chancellor, or designee, and UUP representatives from meeting on a less frequent basis upon mutual agreement.

8.4 A College President, or designee, shall meet with local UUP representatives once each month to discuss matters of interest raised by either party, including those matters necessary to the implementation and administration of this Agreement which are local in nature. The College President shall attend these meetings at least once each semester. A written agenda shall be submitted by UUP to the College President ten working days before the scheduled date of the meeting, whenever feasible. In no event shall the agenda be submitted less than five working days before the scheduled date of the meeting. At the discretion of the College President, or designee, additional
matters for discussion may be placed on the agenda with five working days’ notice to the local UUP, whenever feasible. In no event shall the College President, or designee, place additional matters on the agenda with less than two working days’ notice to the local UUP. Nothing contained herein shall prevent the College President, or designee, and local UUP representatives from meeting on a less frequent basis upon mutual agreement.

8.5 In addition to the meetings specified in Section 8.3 and Section 8.4, UUP and the Chancellor, or designee, or UUP and the College President, or designee, may meet at mutually agreed upon times other than those set forth above if matters of immediate interest to either party arise. If desired by the other party, the party requesting the meeting shall submit a written agenda in advance of the meeting.

ARTICLE 9

Academic Freedom

9.1 It is the policy of the University to maintain and encourage full freedom, within the law, of inquiry, teaching and research. In the exercise of this freedom faculty members may, without limitation, discuss their own subject in the classroom; they may not, however, claim as their right the privilege of discussing in their classroom controversial matter which has no relation to their subject.

9.2 The principle of academic freedom shall be accompanied by a corresponding principle of responsibility.

9.3 In their role as citizens, employees have the same freedoms as other citizens. However, in their extramural utterances employees have an obligation to indicate that they are not institutional spokespersons.

ARTICLE 10

No Discrimination

10.1 The State agrees to continue its established policy prohibiting all forms of illegal discrimination, including but not limited to discrimination with regard to race, creed, color, religion, national origin, sex, age, disability or marital status.

10.2 UUP agrees to continue its established policy prohibiting discrimination on the basis of sexual orientation and all forms of illegal discrimination, including but not limited to discrimination with regard to race, creed, color, religion, national origin, sex, age, disability or marital status.

10.3 Neither the State nor UUP shall deliberately discriminate against an employee as a result of the proper exercise of the employee’s rights guaranteed by the Public Employees’ Fair Employment Act.

10.4 Claims of illegal discrimination under Sections 10.1 and 10.2 shall, at the election of the employee, be subject to review in accordance with State and Federal procedures established for such purpose, but shall not be subject to review under provisions of Article 7, Grievance Procedure, of this Agreement. At the election of the employee, the SUNY grievance procedure for review of allegations of discrimination under Section 10.1 shall continue to be available to employees in the State University Professional Services Negotiating Unit. Use of that procedure shall not deny an employee access to State and Federal procedures which exist for the purpose of reviewing alleged illegal discrimination. Employees availing themselves of this SUNY grievance procedure for review of allegations of discrimination may, at the employee’s request, elect to be represented by UUP.
10.5 Claims of illegal discrimination under Section 10.3 shall be subject to review under either provisions of Article 7, Grievance Procedure, of this Agreement, or provisions of the Public Employees' Fair Employment Act at the election of the employee, but in no event shall the employee be permitted to elect review in both forums.

10.6 A joint State-UUP Affirmative Action Committee shall be established consisting of four members appointed by the State and four members appointed by UUP to review and develop recommendations on matters of mutual interest in the areas of equal employment and affirmative action concerning minorities, women, persons with disabilities and Vietnam era veterans.

a. The State shall prepare, secure introduction and recommend passage of legislation in the amount of $100,000 in the first year, $400,000 in the second year and $600,000 in the third year of this Agreement for expenditure in accordance with the above-stated purposes. The unexpended portion of each year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

b. The Affirmative Action Committee will make recommendations to the Director of the Governor's Office of Employee Relations and the President of United University Professions concerning the matters enumerated above.

c. Recommendations made by the Committee will not be binding on either the State or UUP, although they may form the basis for future negotiations and/or such agreements as the parties may enter into.

d. Additional training of campus committees established to review claims of discrimination under SUNY's internal procedures will be supported through the Affirmative Action Committee.

In addition, upon UUP's request, leaves of absence from their regular positions may be approved for employees who are performing responsibilities for UUP for up to the equivalent of four full-time positions. UUP shall reimburse the home campus for the cost occasioned by the leave consistent with provisions promulgated by the Department of Audit and Control. These leaves shall be administered in accordance with the provisions of Section 46 of Chapter 283 of the Laws of 1972.

11.6 Leaves for Chapter Officers
Up to the equivalent of five and one-half full-time positions may be requested by the President of UUP for employees who are elected officials in local UUP chapters. The leaves shall be subject to the requirements of subdivision 11.7(e) and, at a minimum, shall be one-half of a full-time position. UUP shall reimburse the home campus for the costs occasioned by the leave consistent with provisions promulgated by the Department of Audit and Control. These leaves shall be administered in accordance with the provisions of Section 46 of Chapter 283 of the Laws of 1972.

11.7 General Provisions
a. Employee organization leave shall be leave with pay and without charge to the employee's leave credits.

b. For the purpose of determining whether an employee is eligible to receive travel time credit, travel time as used in this Article shall mean actual and necessary time spent in travel during normal business hours only.

c. Requests for employee organization leave shall be made to the College President, or designee, with reasonable advance notice. Employee organization leave for UUP meetings as provided above in Section 11.1 shall not be granted unless UUP provides the Director of the Governor's Office of Employee Relations, or designee, wherever practicable, with 20 days' advance notice of the purpose and dates for which leave is requested and the names and College work locations of employees for whom such leave is requested.
d. UUP shall provide to the Director of the Governor’s Office of Employee Relations within 30 days after the execution of this Agreement, and quarterly thereafter, a list of UUP officers, chapter officers, and other employees eligible for employee organization leave pursuant to Sections 11.1, 11.2, 11.3, 11.5 and 11.6 of this Article, together with the College work locations of such employees.

e. UUP recognizes that use of employee organization leave shall not impair services rendered to the public. The State recognizes that employee organization leave shall not be unreasonably withheld. In the event employee organization leave is withheld, the employee shall be given the reasons, in writing, for such decision.

ARTICLE 12

College Meeting Space

Where there is appropriate meeting space at a College, it shall be made available to UUP for specific meetings provided that (a) UUP agrees to reimburse the State for any additional expense incurred in the furnishing of such space, (b) request for use of such space is made in advance pursuant to rules of the College concerned, and (c) there is no conflict with prior scheduled uses of such space.

ARTICLE 13

Bulletin Boards

13.1 UUP shall be permitted to post notices of its activities and matters of UUP concern on one bulletin board in each department at a College. Such material shall be signed by a designated official of UUP or its appropriate Chapter. No material shall be posted which is derogatory of any person or organization, or which constitutes election campaign material for or against any person, organization, or faction thereof, except that election material relating to internal UUP elections may be posted on such bulletin boards.

13.2 Any bulletin board material objected to by the State or its representatives as being in violation of this Article shall be promptly removed. Within two working days after such removal, the local UUP Chapter President will be provided with a written statement of the reasons. Such removal may be contested pursuant to the grievance procedure contained in Article 7 of this Agreement.

ARTICLE 14

Mail Distribution

UUP shall have the right to use intra-College mail distribution services and mailboxes for distribution at a College of addressed UUP printed matter. Methods for implementing this provision at a College shall be consistent with the College’s operating needs.

ARTICLE 15

Payroll Deduction

15.1 UUP shall have the exclusive right to the payroll deduction of employee organization membership dues for employees and no other employee organization shall be accorded any such membership dues payroll deduction privilege.

15.2 The State shall prepare, secure introduction and recommend passage by the Legislature of such legislation as may be appropriate and necessary to provide to UUP
exclusive payroll deduction for employees who elect to participate in the UUP program known as VOTE-COPE, consistent with Section 201(a) of the Finance Law.

15.3 UUP shall have exclusive payroll deductions of membership dues and premiums for group insurance and mass-merchandised automobile and homeowners' and other insurance policies offered by UUP for employees and no other employee organization shall be accorded any such payroll deduction privilege.

ARTICLE 16

Lists

16.1 a. The State shall provide UUP, on a quarterly basis, with two lists of employees in the State University Professional Services Negotiating Unit which shall include employees' names, addresses of record, line numbers, titles, professional ranks and salaries. Where available, an employee's date of initial appointment and current type of appointment, e.g., term, permanent, continuing, temporary, will also be provided.

b. The State shall provide UUP, on a quarterly basis, with a list which shall not personally identify employees in the State University Professional Services Negotiating Unit but which shall include gender, race, age and salary.

16.2 The State shall include UUP on its mailing lists for distributions to all employees on a University-wide or College-wide basis. The College President, or designee, shall include UUP and its College Chapter on the mailing list for distributions to all employees on a College-wide basis. UUP shall include the State, the Chancellor, or designee, and the College Presidents on its mailing lists for distributions to employees. A College Chapter of UUP shall include the College President on its mailing list for distributions to all employees on a College-wide basis. Each party shall designate its address or addresses for these purposes.

16.3 UUP shall provide the State, on a quarterly basis, with a list of the names, College work locations, UUP titles and University titles of each of its Statewide and Chapter officers, Executive Board members, Delegate Assembly members, Standing Committee members and Chapter Grievance Chairpersons. As UUP Ad Hoc Committees are established, UUP shall also provide the State with the information described herein relative to Ad Hoc Committee members.

16.4 At the beginning of each semester, each College shall provide the UUP Central Office with the names of employees of the College who commenced leaves of absence, the names of employees who were separated from the State University Professional Services Negotiating Unit at the College during the previous semester, and a list of new employees at the College, which list shall contain the information described in Section 16.1.

ARTICLE 17

Information and Data

17.1 The State shall make available to UUP, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to the collective negotiating unit and in the possession of the State as are necessary for the preparation for collective negotiations and the processing of grievances. It is understood that this shall not be construed to require the State to compile information and statistics in any specific form unless mutually agreeable.

17.2 Each employee shall be responsible for providing the College President, or a designee, with the employee's current home address and telephone number and for keeping such information current. Such information shall be maintained for official College use only.
ARTICLE 18

Board of Trustees' Meetings

18.1 The Chancellor, or designee, will furnish UUP with copies of all proposed changes in Policies affecting terms and conditions of employment prior to action thereon by the Board.

18.2 The Chancellor, or designee, will furnish UUP with a copy of the tentative advance agenda of each meeting of the Board at the same time it is made available to the members of the Board. Additionally, following approval by the Board of Trustees of the minutes of its meetings, the Chancellor, or designee, will furnish UUP with a copy of those minutes the Board makes public.

18.3 UUP may request to meet with the Chancellor, or designee, in order to discuss matters described in Section 18.1 which appear on the Board's agenda. Such discussion shall take place prior to the Board meeting. The Chancellor will recommend, where the Chancellor believes it to be appropriate, that the Board or its representatives meet with UUP for the purpose of discussing such issues. This shall not preclude UUP from directly requesting a meeting with the Board of Trustees or its appropriate committee.

18.4 The Board of Trustees of the University shall have the right in its judgment to change its Policies from time to time hereafter, after consultation pursuant to this Article. Nothing contained in this Agreement or actions pursuant thereto shall be deemed a waiver by the State or UUP of their right to assert, at any time thereafter, that the subjects of the Policies may or may not be appropriate subjects of collective negotiations.

ARTICLE 19

Discipline

19.1 Purpose
The purpose of this Article is to provide a prompt, equitable and efficient procedure for the imposition of discipline for just cause. Both parties to this Agreement recognize the importance of counseling and the principle of corrective discipline. Prior to initiating formal disciplinary action pursuant to this Article, the College President, or designee, is encouraged to resolve matters of discipline informally; provided, however, such informal action shall not be construed to be a part of the disciplinary procedure contained in this Article and shall not restrict the right of the College President, or designee, to consult with or otherwise counsel employees regarding their conduct or to initiate disciplinary action.

19.2 Definitions
a. "Discipline" shall be defined as the imposition of a penalty by means of the procedure specified in Section 19.4.

b. "Days" shall mean working days, Monday through Friday, excluding holidays.

c. "Service" shall mean the act of delivering, in accordance with provisions of this Article, a notice of discipline. Service shall be effective three days from the time of personal service or, in the event of mailing, which shall be by certified or registered mail, return receipt requested, three days from the date the employee or any other person accepting delivery has signed the return receipt or the date the notice is returned to the College President, or designee, undelivered.

d. "Party" shall mean the State and either the employee upon whom discipline is sought to be imposed or the employee's representative selected pursuant to Section 19.8 of this Article.

19.3 Applicability
Discipline shall be imposed upon employees only pursuant to this Article;
provided, however, that provisions of this Article shall not apply to the termination of employees serving on temporary or probationary appointments, which may be terminated at any time in accordance with provisions of Article XI of the Policies, and provided further that provisions of this Article shall not apply to non-renewal of term appointments pursuant to Article XI of the Policies, terminations of employees due to mental or physical incapacity pursuant to Article XV of the Policies or terminations of employees pursuant to Article 35, Retrenchment, of this Agreement.

19.4 Disciplinary Procedure

a. Discipline shall be imposed only for just cause. Where the College President, or designee, seeks to impose discipline, notice of such discipline shall be made in writing and served upon the employee in person or by registered or certified mail, return receipt requested, to the employee’s address of record. The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places.

b. The penalty proposed may not be implemented until the employee (1) fails to file a disciplinary grievance within 10 days of service of the notice of discipline, or (2) having filed a disciplinary grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until and to the extent that it is upheld by the disciplinary arbitrator, or (4) until the matter is settled.

c. The notice of discipline may be the subject of a disciplinary grievance which shall be filed with the Chancellor, or designee, in person or by registered or certified mail, return receipt requested, by the employee, or the employee’s representative, on a disciplinary grievance form to be provided by the State, within 10 days of the date of service of notice of discipline. A copy of the notice of discipline must be attached to the disciplinary grievance form. A disciplinary grievance shall be regarded as filed even if it does not contain a copy of the Notice of Discipline, required by subdivision 19.4(c). However, such grievance shall not be reviewed unless all of the information required by the grievance form or otherwise required by grievance steps of Article 19 has been provided. The employee, or the employee’s representative, shall be entitled to a meeting to present the employee’s position to the Chancellor, or designee, within 10 days of the date of filing of the disciplinary grievance. The purpose of the meeting shall be the possible adjustment of the matter and need not involve the presentation of evidence or specification of particulars by either party. The meeting provided for herein may be waived by the employee, in writing, on the grievance form, only in accordance with provisions of Section 19.7(b). If the meeting has not been waived but cannot be held within 10 working days of the date of filing of the disciplinary grievance by reason of the unavailability of the employee, or the employee’s representative, or on such other date as may be mutually agreed upon, the Chancellor, or designee, may, at the option of the Chancellor, or designee, review the disciplinary grievance on the basis of the existing record. The Chancellor, or designee, shall provide the employee, or the employee’s representative, with a response in writing by registered or certified mail, return receipt requested, or by personal service within twenty days of the meeting or review, or within five days of the meeting or review if the employee has been suspended without pay under Section 19.7 of this Article.

d. If the disciplinary grievance is not settled or otherwise resolved, it may be appealed to disciplinary arbitration by the employee, or the employee’s representative, within 10 days of receipt of the response of the Chancellor, or designee. Notice of appeal to disciplinary arbitration shall be filed by registered or certified mail, return receipt requested, or by personal service upon the Director of the Governor’s Office of Employee Relations, or designee. A copy of the appeal shall be sent simultaneously to the College President and the Chancellor’s designee.

e. The State and UUP shall jointly agree, within 15 days of the execution of this Agreement, on a 25-member panel of disciplinary arbitrators. Each member of the panel shall be assigned a number in rotation and, in the event of a disciplinary
arbitration, the first arbitrator in order who is available to conduct a hearing within 10 days of appointment shall serve as the arbitrator. The State agrees to perform activities necessary to appropriate administration of the panel including, but not limited to, identifying arbitrators’ availability, notifying them of their appointment and assisting in arranging for hearing rooms.

f. The disciplinary arbitrator shall hold a hearing within 10 days of appointment, or as soon thereafter as practicable, or within such other period as may be mutually agreed upon by the parties, recognizing, however, that except in unusual circumstances a hearing should be concluded within 30 days of the appointment of the arbitrator. The disciplinary arbitrator shall render a decision within five days of the close of the hearing, or within five days after receipt of the transcript, if either party elects a transcript, or within such other time as may be mutually agreed upon by the parties.

g. Either party wishing a transcript of a disciplinary arbitration hearing may provide for one at its expense and shall provide a copy to the arbitrator and the other party; provided, however, the decision to make a transcript must be announced at the beginning of the hearing and the transcript must cover the entire hearing, not just a portion thereof. Delays in the preparation of a transcript shall not constitute a basis for delays in scheduling hearing dates.

h. The disciplinary arbitrator shall be confined to determinations of guilt or innocence and the appropriateness of proposed penalties. The disciplinary arbitrator may consider issues of timeliness, including those arising pursuant to Section 19.9, but shall not consider alleged violations of provisions of this Agreement, which shall be subject only to the provisions of Article 7, Grievance Procedure, of this Agreement. The disciplinary arbitrator shall neither add to, subtract from nor modify the provisions of this Agreement. The disciplinary arbitrator’s decision with respect to guilt or innocence, penalty, or probable cause for suspension, or temporary reassignment, pursuant to Section 19.7 of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including ordering reinstatement and back pay for all or part of the period of suspension, or return to the employee’s assignment if temporarily reassigned. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, the arbitrator may consider such suspension in determining the penalty to be imposed.

i. All fees and expenses of the arbitrator, if any, shall be divided equally between the State and UUP or the employee if not represented by UUP. Each party shall bear the cost of preparing and presenting its own case. The estimated arbitrator’s fee and expenses and estimated expenses of the arbitration may be collected in advance of the hearing.

19.5 Settlements

A disciplinary grievance may be settled at any time following the service of a notice of discipline. The terms of the settlement shall be reduced to writing on the disciplinary grievance form to be provided by the State. An employee offered such a settlement shall be offered a reasonable opportunity to have a representative present before the employee is required to execute it.

19.6 Effect of Settlement and Arbitrator’s Award

All settlements and arbitrators’ awards shall be final and binding upon the State, UUP, the employee and the employee’s representative if other than UUP.

19.7 Suspension Before Notice of Discipline

a. Prior to issuing a notice of discipline or the completion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended, without pay, by the appointing authority only pursuant to paragraphs (1) or (2) of this Section. As an alternative to such suspension, the employee may be temporarily reassigned.
1. The appointing authority, or its designee, may suspend without pay or temporarily reassign an employee when the appointing authority, or its designee, determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with its operations. Such determination shall be reviewable by the disciplinary arbitrator. A notice of discipline shall be served no later than five days following any such suspension or temporary reassignment.

2. The appointing authority, or its designee, may suspend without pay or temporarily reassign an employee charged with the commission of a crime. Such employee shall notify the appointing authority in writing of the disposition of any criminal charge including a certified copy of such disposition within five days thereof. Within 30 calendar days following such suspension under this paragraph, or within five days from receipt by the appointing authority of notice of disposition of the charge from the employee, whichever occurs first, a notice of discipline shall be served on such employee or the employee shall be reinstated with back pay if suspended or returned to the employee's assignment if temporarily reassigned. Nothing in this paragraph shall limit the right of the appointing authority, or its designee, to take disciplinary action during the pendency of criminal proceedings.

3. Where the appointing authority, or its designee, elects to temporarily reassign an employee pursuant to this Article, the employee shall be notified in writing of the location, the effective date and nature of such temporary reassignment and that the employee may elect in writing to refuse such temporary reassignment and may be suspended without pay. The employee's election must be made in writing before commencement of the temporary reassignment. An election by the employee to refuse such temporary reassignment is final and may not thereafter be withdrawn. No election by the employee is permitted once the employee commences the temporary reassignment.

4. The fact that the appointing authority, or its designee, has temporarily reassigned an employee rather than suspending the employee without pay shall not be considered by the disciplinary arbitrator for any purpose.

b. Where an employee has been suspended without pay or temporarily reassigned pursuant to this Article, the employee may, in writing, waive the meeting with the Chancellor, or designee, at the time of filing a disciplinary grievance. In the event of such waiver, the employee shall file the disciplinary grievance form, within the prescribed time limits for filing a grievance with the Chancellor, or designee, directly with the Director of the Governor's Office of Employee Relations, or designee, in accordance with the provisions of Section 19.4(d).

19.8 Representation
Employees may represent themselves or be accompanied for purposes of representation by UUP or counsel at any stage of the disciplinary procedure contained in this Article; provided, however, an employee's representative may only act on the employee's behalf, in the absence of the employee, upon mutual agreement of the parties.

19.9 Limitation
An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one year prior to the service of the notice of discipline. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed, if any.

19.10 Miscellaneous Provisions
a. All grievances, grievance appeals and responses shall be transmitted by certified or registered mail, return receipt requested, or by personal service on the grievant or grievant's representative or on the individual responsible for conducting the review. Upon personal service the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.
specify the person who was served and the date, place and manner of service.

b. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of receipt shall be that date appearing on the return receipt, provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a step response shall be determined from the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail.

ARTICLE 20

Direct Compensation

20.1 The State shall prepare, secure introduction and recommend passage by the Legislature of appropriate legislation in order to provide the benefits described in this Article.

20.2 a. The basic annual salaries of incumbents of positions in the State University in the Professional Services Negotiating Unit as of June 30, 1988, shall be increased by five percent commencing the payroll subsequent to (1) September 11, 1988, for employees having a calendar year or college year professional obligation, or (2) November 14, 1988, for employees having an academic year professional obligation, except that certain incumbents at the State University of New York at Binghamton, and the Colleges of Technology and the Colleges of Agriculture and Technology heretofore specifically identified by the Department of Audit and Control for the purpose of establishing the effective date of eligibility for salary increases shall be granted said increase in basic annual salary commencing the payroll subsequent to September 11, 1988. Incumbents shall also receive a cash payment on the first pay period following June 30, 1989, which is the difference between the actual cash received for the period July 1, 1988, through June 30, 1989, and the intended four percent cash increase.

b. There shall be available an amount equal to one percent of the total of the salaries on June 30, 1988, of incumbents entitled to a salary increase pursuant to subdivision (a) of this section, for distribution to such incumbents by the State University Trustees in their discretion. Such distribution shall occur not later than December 31, 1988, and shall be retroactive to July 1, 1988, or September 1, 1988, as appropriate to the professional obligation or date of eligibility for salary increases.

c. Notwithstanding the provisions of subdivision (a) of this section, an employee in service on April 30, 1988, whose employment expires prior to June 30, 1988, who would have been eligible for the salary increase provided for in subdivision (a) of this section if employment had continued through June 30, 1988, shall be eligible for the salary increase provided for in subdivision (a) of this section if the employee is reemployed in an equivalent position at the start of the academic year commencing on or after July 1, 1988.

d. Notwithstanding the provisions of subdivision (a) of this section, an employee in service during a portion of the 12-month period commencing on July 1, 1987, for at least a semester or equivalent, but whose employment expires prior to June 30, 1988, shall be eligible for the salary increase provided for in subsection (a) of this section if the employee is reemployed in an equivalent position for at least a semester, or equivalent, of the 12-month period commencing on or after July 1, 1988.

e. 1. Salary minimums shall be established for the following ranks or grades or positions equated to them and shall be effective on the dates of the salary increases provided pursuant to subdivision (a) of this section:

In computing consecutive years of service for the purpose of this subdivision, periods of vacation leave and periods of sick leave with salary shall be included; periods of leaves of absence, other than vacation and sick leave with salary, and periods of part-time service shall not be included but shall not be deemed an interruption of otherwise consecutive service.
   d. Terms and Conditions. Sabbatical leaves may be granted for periods of one year at rates not to exceed one-half basic annual salary or for periods of one-half year at rates not to exceed full basic annual salary. Academic employees on sabbatical leave may, with the prior approval of the College President, accept fellowships, grants-in-aid, or earned income to assist in accomplishing the purposes of their leaves. In such cases, the College President may adjust the sabbatical leave salaries to reflect such income, either prior to or during the periods of such leaves, provided, however, that in no case shall sabbatical leave salary be reduced if total earnings are less than full salary.
   e. Applications. Applications for sabbatical leaves shall be submitted to the College President as far in advance as possible of the requested effective date of the leave, but in no event later than six months in advance of such date unless such
requirement is expressly waived by the College President. Each application shall include a statement outlining the program to be followed while on sabbatical leave, indicating any prospective income, stating that the applicant will continue as an academic employee for a minimum of one year upon the employee's return and stating that upon return the applicant will submit to the College President a detailed report of professional activities and accomplishments while on sabbatical leave.

f. Approval. Consistent with the provisions of subdivision (d), the College President may approve such sabbatical leave as the College President deems appropriate and such leave shall be reported to the Chancellor.

g. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during sabbatical leave.

23.7 a. Other Leaves for Academic Employees

1. Approval. The College President may recommend to the Chancellor other leaves of absence for employees at full salary or reduced salary, or may grant employees leaves of absence without salary, for the purpose of professional development, acceptance of assignments of limited duration with other universities and colleges, governmental agencies, foreign nations, private foundations, corporations and similar agencies, as a faculty member, expert, consultant or in a similar capacity, or for other appropriate purposes consistent with the needs and interests of the University. Leave of absence without salary may also be granted under appropriate circumstances for the purpose of child care. Leaves of absence at full or reduced salary pursuant to provisions of this Section shall be subject to the approval of the Chancellor.

2. Application. Applications for such leaves of absence shall be made to the College President. Each such application shall include a statement of the purpose for which the leave is requested, its anticipated duration and its value to the applicant and the University.

3. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during a period of leave pursuant to provisions of this Section.

b. Leaves of Absence for Professional Employees

1. Approval. The College President may recommend to the Chancellor other leaves of absence for employees at full salary or reduced salary, or may grant employees leaves of absence without salary, for the purpose of professional development, acceptance of assignments of limited duration with other universities and colleges, governmental agencies, foreign nations, private foundations, corporations and similar agencies, as a faculty member, expert, consultant or in a similar capacity, or for other appropriate purposes consistent with the needs and interests of the University. Leaves of absence without salary may also be granted under appropriate circumstances for the purpose of child care. Leaves of absence at full or reduced salary pursuant to provisions of this Section shall be subject to the approval of the Chancellor.

2. Application. Applications for such leaves of absence shall be made to the College President. Each such application shall include a statement of the purpose for which the leave is requested, its anticipated duration and its value to the applicant and the University.

3. Leave Credits. Vacation leave and sick leave credits shall not be accrued or used during a period of leave pursuant to provisions of this Section.

23.8 Disability Leave

a. Upon being discontinued from service in accordance with provisions of the State University Group Disability Insurance Program, an employee shall be granted a leave without pay for disability and shall be continued on such leave without pay until the disability ceases, the employee reaches age 65, or death, whichever event occurs first. For purposes of the State University Group Disability Insurance Program, the College President may require an employee to be examined by a physician selected by the College at its expense. Determination that a disability exists may be made by the
College President upon the advice of the College’s examining physician. Notwith­
standing the failure of an employee to cooperate with the College’s examining
physician, a determination that a disability exists may be made by the College
President upon advice of the College’s examining physician that there are reasonable
grounds to assume that a disability benefit would be payable in accordance with the
State University Group Disability Insurance Program. If the College President
determines, in accordance with the provisions of this Section, that a disability exists,
the employee must apply for disability benefits under the State University Group
Disability Insurance Program. In the event the employee does not apply for disability
benefits, the employee shall be placed on disability leave without pay. If, upon a
finding that an employee is not disabled, the disability insurance carrier disapproves
an employee’s application for benefits, the employee shall be restored to regular
employment status.

b. Discontinuation from Service of Employees not covered by the State
University Group Disability Insurance Program. Upon being discontinued from
service as a result of a disability which prevents performance of the employee’s
duties, an employee shall be granted a leave without pay until the disability ceases, the
employee reaches age 65, or death, whichever event occurs first. For purposes of
determining the existence of such a disability, the College President may require an
employee to be examined by a physician selected by the College at its expense.
Determination that a disability exists may be made by the College President upon the
advice of the College’s examining physician. Notwithstanding the failure of an
employee to cooperate with the College’s examining physician, a determination that a
disability exists may be made by the College President upon advice of the College’s
examining physician that there are reasonable grounds to assume that a disability
exists which would prevent an employee from performing the employee’s duties.
If the College President determines, in accordance with the provisions of this Section,
that such a disability exists, the employee shall be placed on a disability leave without
pay. Where appropriate, the College President, after consulting with the College’s
examining physician, may refer the employee to an Employee Assistance Program or
to other service agencies. The employee, however, shall be permitted to use any and
all sick leave credits which have been accumulated pursuant to subdivisions (a), (b),
(c) and (d) of Section 23.4; and may request additional sick leave pursuant to
subdivision (g) of Section 23.4. An employee who has been placed on disability leave
without pay pursuant to this section may subsequently request to be restored to regular
employment status. Such request must be submitted in writing to the College
President accompanied by suitable medical evidence from the employee’s physician
that the employee no longer has a disability which would prevent performance of the
employee’s duties. Following receipt of such submissions, the College President may
require the employee to be examined by a physician selected by the College at its
expense prior to making a determination whether to restore the employee to regular
employment status. Upon a finding by the College’s examining physician that the
employee no longer has a disability which would prevent performance of the
employee’s duties, the employee shall be restored to regular employment status. Upon a
finding by the College’s examining physician that the employee continues to have a
disability which prevents performance of the employee’s duties, the College President
may require the employee to be examined by a physician from the New York State
Department of Civil Service Employee Health Service at the College’s expense prior
to making a determination whether to restore the employee to regular employment
status. The determination of whether to restore the employment status may be made
by the College President upon the advice of the physician from the Employee Health
Service concerning the existence of a disability which would prevent the employee
from performing the employee’s duties.
23.9 Attendance Records
Employees shall be required to certify their presence and record any absences on forms to be provided by the State. Employees shall also be required to record on such forms any charges to or accruals of vacation or sick leave credits. Such forms shall be submitted to the College President, or designee, for review on a monthly basis.

23.10 Unauthorized Absence
a. Any employee absent from work without authorization shall be placed on leave without pay. In the event an employee’s unauthorized absence continues for ten consecutive working days and the employee has not provided a written explanation for such absence to the College President by the close of business on the tenth working day following the commencement of such unauthorized absence, the employee’s leave without pay status shall continue for the remainder of the semester in effect on the tenth consecutive working day of absence where the College has hired a replacement for the employee.

b. If the unauthorized absence without written explanation continues for a total of 30 consecutive working days the employee shall be deemed to have resigned.

c. If, prior to being deemed to have resigned, an employee provides suitable medical evidence in accordance with Section 23.4(f)(3) of this Article which substantiates a claim of temporary disability the employee may be placed on sick leave. Any sick leave under this subdivision shall commence upon substantiation of a claim of temporary disability by suitable medical evidence.

23.11 Absence — Extraordinary Circumstances
An employee who has reported for work and, because of extraordinary circumstances beyond the employee’s control, for example, extreme weather conditions or physical plant breakdown, is directed by the College President, or designee, to leave work, shall not be required to charge such directed absence during such day against leave accruals. Any such release of employees shall not create any right to equivalent time off by employees who are not directed to leave work.

23.12 Limitations
Term Appointments. Nothing contained herein shall be deemed to extend the term of appointment of employees, and all leaves of absence shall, in any event, terminate upon the expiration of such appointment.

ARTICLE 24
Access To Employees
24.1 UUP representatives shall, on an exclusive basis, have access to employees at a College during working and/or non-working hours to explain UUP membership, services, programs and activities. UUP representatives not employed at a College must give notice to a College President in connection with access under the provisions of this Article. UUP agrees that access under this Article shall not interfere with College operations or performance by employees of their duties and responsibilities.

24.2 The exclusive access provisions of this Article shall not be effective during organizational campaign periods or during periods following the expiration of unchallenged representation status as defined in the Civil Service Law, Section 208.
ARTICLE 25

Compensation of Department Chairpersons

a. The stipend may not exceed 10 percent of basic annual salary when paid for duties as department chairperson during the term of professional obligation. Payment of such stipend precludes extra service during the term of professional obligation.

b. A further stipend, not to exceed 10 percent of basic annual salary, may be paid to faculty having academic year professional obligations for duties as department chairperson which are performed solely during the summer after completion of the academic year professional obligation. Payment of such stipend precludes other summer employment within the University.

c. A combination of stipends under paragraphs (a) and (b) shall not exceed 20 percent of basic annual salary.

d. The stipend shall not be added to basic annual salary. The stipend shall be removed upon termination of the employee’s designation as department chairperson, whose salary thereafter shall be at the rate due as a regular member of the academic staff.

25.2 Members of the academic staff designated as department chairpersons who do not receive a stipend for duties and responsibilities of that function may perform extra service and may be employed during the summer under the usual rules and procedures applicable to such employment.

25.3 The provisions of Section 25.1 pertaining to stipends shall not apply to employees in the medical and dental schools of University medical centers or health sciences centers whose budget certificate titles are “Professor and Department Chairman”; provided, however, the provisions of such Section pertaining to extra service and summer employment shall apply.

29.2 The State shall prepare, secure introduction and recommend passage of legislation in the amount of $50,000 for the term of this Agreement for expenditure by the Committee to study clinical practice in accordance with the above stated purposes.

29.3 Recommendations made by the Committee will not be binding on either the State or UUP, although they may form the basis for future negotiations and/or such agreements as the parties may enter into.

29.4 The provisions of Article XVI of the Policies shall be subject to review in the grievance procedure.

ARTICLE 30

Appointment, Evaluation and Promotion

30.1 Appointments

Such file shall contain copies of personnel transactions, official correspondence with the employee and formal, written evaluation reports prepared in accordance with provisions of Article XII, Title A, Section 3 and Article XII, Title C, Section 4 of the Policies and such other written evaluations and/or recommendations as may be prepared by an immediate supervisor, Department Chairperson, Dean, Vice-President, or other persons serving in a supervisory capacity in a direct line, as appropriate, in connection with matters of appointment, evaluation, reappointment or promotion. With respect to the latter written evaluations and/or recommendations, those which pertain to reappointment shall be sent to the employee at the time they are prepared. All materials referred to in this section shall be available to an employee for review and response. In no event shall statements which are both unsolicited and unsigned be placed in the official personnel file.

b. Upon receipt of the “other written evaluations and/or recommendations” referred to in subdivision (a) which pertain to reappointment, an employee who has completed three or more consecutive years of service in a position of academic or qualified academic rank or in a professional title shall, upon written request, be entitled to a meeting with the person who prepared a written evaluation and/or recommendation described in this subdivision to discuss the basis for such written evaluation and/or recommendation. The employee shall not be entitled to representation during such meeting. No part of the discussion held pursuant to provisions of this subdivision shall be subject to review in the grievance procedure. However, an employee may respond to information obtained during such discussion and may place in the employee’s official personnel file or evaluative file any such response which is in writing.

31.2 a. An employee shall have the right to examine the employee’s personnel file during normal business hours. Statements solicited in connection with the employee’s appointment, evaluation, reappointment or promotion, with the exception of the written evaluations or recommendations referred to in Section 31.1 above, shall not be available to that employee.

Such log shall be maintained in the employee’s official personnel file. If upon review in the grievance procedure it is determined that such a log has not been prepared, maintained, or updated, the sole remedy shall be a direction to the College to, as appropriate, prepare, maintain, or update such log in conformity with this Section.

31.3 A designated member of UUP, having written authorization from the employee concerned, and in the presence of a representative of the University, may examine the official personnel file of the employee, except for the limitation provided above, if the examination relates to a filed grievance, a grievance in preparation, or written notice of discipline served upon the employee by the University.

The College President or this management administrative officer of the College, or designee, shall notify the employee when the file is available for examination. The employee may then arrange with the College President or this management administrative officer of the College, or designee, to examine the file.

2. Offer the employee a designated leave. Such designated leave may be granted by the Chancellor, or designee, pursuant to this Section at full salary or reduced salary. A designated leave granted pursuant to this Section may be for any period, but shall in any event cease upon the termination date contained in the written notice of non-renewal. The employee’s election to accept such offer must be in writing and is final and binding and may not thereafter be withdrawn. This subdivision shall not operate to change the effective date of non-renewal or result in any additional review under this Article.

33.5 College Panel

The Chairperson of any ad hoc tripartite Chancellor’s Advisory Committee shall be selected from a panel of members of the professional staff at an employee’s college determined by mutual agreement of the College President and UUP Chapter President. Such panel shall consist of an odd number, not less than nine. In the event the College President and the UUP Chapter President do not agree upon a panel within 90 days from the execution of this Agreement, selection of the panel shall be completed by the University Assistant Vice Chancellor for Employee Relations and the UUP President.

33.6 The provisions of this Article shall not be deemed to create any manner of legal right, interest, or expectancy in any appointment to continuing appointment or permanent appointment. Pursuant to the Policies of the Board of Trustees, a term appointment shall automatically expire at the end of its specified period.
33.7 Neither provisions of this Article nor any review conducted pursuant thereto shall be subject to the provisions of Article 7, Grievance Procedure, of this Agreement. Issues involving the timeliness of actions under this Article shall be referred by UUP, in writing, by certified mail, to the Governor’s Office of Employee Relations for resolution. An employee who held a term appointment on the date of transfer shall be granted a new term appointment for a duration of not less than the unexpired time of the previous term appointment held on the date of transfer and shall be credited with all prior continuous service in the University up to a maximum of four years for purposes of eligibility for permanent or continuing appointment.

e. Sick leave. An employee shall be credited with the sick leave accruals which the employee had on the date of transfer.

f. Vacation and compensatory time. An employee shall be credited with the vacation leave accruals and the compensatory days granted pursuant to Section 23.5 which the employee had on the date of transfer.
ARTICLE 35

Retrenchment

35.1 Retrenchment shall be defined as the termination of the employment of any academic or professional employee during any appointment, other than a temporary appointment which may be terminated at any time, as a result of financial exigency, reallocation of resources, reorganization of degree or curriculum offerings or requirements, reorganization of academic or administrative structures, programs or functions or curtailment of one or more programs or functions University-wide or at such level of organization of the University as a College, department, unit, program or such other level of organization of the University as the Chancellor, or designee, deems appropriate.

35.2 a. Consistent with the operating needs of the level of organization of the University deemed appropriate for retrenchment, the Chancellor, or designee, after such consultation as may, in the Chancellor's judgment, be appropriate, shall apply retrenchment among employees holding the positions subject to retrenchment at such level of organization in inverse order of appointment within each affected group of employees hereinafter referred to, as follows:

1. Part-time employees holding term appointments before full-time employees holding term appointments.
2. Full-time academic employees holding term appointments before academic employees holding continuing appointments.
3. Part-time academic employees holding continuing appointments before full-time academic employees holding continuing appointments.
4. Full-time professional employees holding term appointments before professional employees holding permanent appointments.
5. Part-time professional employees holding permanent appointments before full-time professional employees holding permanent appointments.

b. For purposes of determining order of appointment of employees, prior service on the basis of a temporary appointment, without interruption of employment, shall be counted.

c. 1. In the case of a potential retrenchment of an academic employee serving in a position at a level of organization below the level of an academic department or its equivalent (hereinafter "academic department") who has seniority in the academic department (as determined by application of Section 35.2 (a) and (b) to the academic department), the following procedure is to be followed: The Chancellor, or designee, shall give consideration to the retention of such employee in such academic department; such consideration to consist of the judgment of the Chancellor, or designee, with respect to the ability of such employee to perform the required professional obligation of a position remaining in the academic department after retrenchment.

2. In the case of a potential retrenchment of an academic or professional employee serving in a position at a level of organization below the level of a professional program, unit or equivalent (hereinafter "professional program"), who has seniority in the professional program (as determined by application of Section 35.2 (a) and (b) to the professional program), the following procedure is to be followed: The Chancellor, or designee, shall give consideration to the retention of such employee in such professional program; such consideration to consist of the judgment of the Chancellor, or designee, with respect to the ability of such employee to perform the required professional obligation of a position remaining in the professional program after retrenchment.

3. In the case of a potential retrenchment of an academic employee serving in a position which is not part of an academic department or professional program the following procedure is to be followed: (i) the seniority of the employee is to be determined by application of Section 35.2 (a) and (b) to other academic employees at
the College serving in positions which are not part of an academic department or professional program and which remain after retrenchment; (ii) in the event the employee subject to retrenchment has seniority as determined in (i) above, the Chancellor, or designee, shall give consideration to the retention of such employee in a position described in (i) above; such consideration to consist of the judgment of the Chancellor, or designee, with respect to the ability of such employee to perform the required professional obligation of said position.

4. In the case of a potential retrenchment of a professional employee serving in a position which is not part of a professional program the following procedure is to be followed: (i) The seniority of the employee is to be determined by application of Section 35.2 (a) and (b) to other professional employees at the College serving in positions which are not part of a professional program and which remain after retrenchment, who hold the same professional title as the employee subject to retrenchment or who hold a lower level professional title in a direct promotion line; (ii) in the event the employee subject to retrenchment has seniority as determined in (i) above, the Chancellor, or designee, shall give consideration to the retention of such employee in a position described in (i) above; such consideration to consist of the judgment of the Chancellor, or designee, with respect to the ability of such employee to perform the required professional obligation of said position.

5. With due regard for the operating needs of the academic department, or the professional program, or the College with respect to positions not part of an academic department or professional program, the criteria for consideration for retention pursuant to this paragraph (c), as appropriate, may include but shall not be limited to demonstrated mastery of subject matter, teaching experience, professional experience, research, and University service.

6. If the Chancellor, or designee, pursuant to the provisions of this paragraph (c), makes a determination in favor of the retention of an employee having seniority, the following procedure shall apply: (i) Where practical, the most junior employee performing a professional obligation which, in the judgment of the Chancellor, or designee, an employee having seniority has the ability to perform shall be subject to retrenchment; (ii) the Chancellor, or designee, shall give consideration for retention, pursuant to provisions of this paragraph (c), to employees subject to retrenchment under (i) above.

7. A professional employee retained in a professional title through operation of this paragraph (c) shall: (i) retain permanent appointment held at the time of retention; (ii) continue to receive the basic annual salary at the time of retention if that salary is at or below the normal maximum of the professional rank of the professional title in which the employee is retained; otherwise the basic annual salary shall be the normal maximum of the professional rank of the professional title in which the employee has been retained.

8. Review in the grievance procedure of the provisions of this paragraph (c) shall be limited to the procedural issue of whether consideration for retention was given. Such issue may be processed through Step 3 only.

35.3 a. The State will notify, in writing, the persons affected by retrenchment as soon as practicable recognizing that, where circumstances permit, it is desirable to provide the following notice of termination:

1. For those holding a term appointment, at least one semester.

2. For those holding a continuing or permanent appointment, at least two semesters.

b. Notice of termination shall be sent by certified mail and shall contain a statement of the reasons for retrenchment. If notice of termination is less than the notice provided for in subdivision (a), the reasons for the shorter notice shall also be provided. A copy of the notice shall be sent to the local UUP Chapter President.

c. Following the decision respecting the level of organization of the University
appropriate for retrenchment at a College, the Chancellor, or designee, shall inform, in writing, UUP of the level of organization at which retrenchment at such College will occur and the reason for such retrenchment.

d. Prior to the issuance of the written notification referred to in subdivision (a) of this Section, where retrenchment is to be at a level of organization below the level of an academic department or its equivalent or below the level of a professional program, unit or equivalent:

1. The University, upon written request from UUP, will provide UUP with a briefing concerning the facts and reasoning used to specify that such level of organization at which retrenchment will occur exists. The briefing will also include an opportunity to discuss such rationale.

2. After such briefing, the Director of the Governor’s Office of Employee Relations, or designee, upon written request from UUP, shall provide UUP with an opportunity to discuss the information received from the University during such briefing.

3. Nothing contained herein shall prevent the Chancellor, or designee, from implementing retrenchment. Nothing contained herein shall abridge the union’s or grievant’s rights to grieve that retrenchment.

4. Review in the grievance procedure of the provisions of this paragraph (d) shall be limited to the procedural issues of whether UUP received advance notice and whether UUP received information concerning the facts and reasoning mentioned above. The substance and sufficiency of the briefing provided hereunder shall not be reviewable in the grievance procedure.

e. Experimental Designated Leave Program. At any time following issuance of the written notification referred to in subdivision (a) of this Section, the Chancellor, or designee, may offer the employee a designated leave. Such designated leave may be granted by the Chancellor, or designee, pursuant to this Section at full salary or reduced salary. A designated leave granted pursuant to this Section may be for any period, but shall in any event cease upon the termination date contained in the written notification of retrenchment. The employee’s election to accept such offer must be in writing and is final, and binding and may not thereafter be withdrawn.

35.4 a. Prior to the effective date of either retrenchment or the commencement of a designated leave and for a period of six months following the effective date of either retrenchment or the commencement of a designated leave, whichever is sooner, the University shall give special consideration for placement within the University to an employee who has been notified that the employee’s services will be terminated as a result of retrenchment, or whose services have been terminated as a result of retrenchment, provided that a suitable position for which the employee is qualified is available.

b. The procedure for University-wide special consideration shall be as follows:

1. The University, through its Assistant Vice Chancellor for Personnel, will send copies of vacancy announcements received from the Colleges in the University to each employee who is entitled to special consideration as provided in this Section.

2. Employees entitled to special consideration shall have the right to apply for any position described in a vacancy announcement for which they believe themselves to be qualified.

3. Applications submitted by employees entitled to special consideration will be acted upon before applications submitted by other persons. To obtain such action, an employee must specify in the application that the application is being submitted in accordance with the special consideration procedure.

4. Qualified rank shall be used for academic employee appointments effected under this Section only in those cases where an employee had been serving on the basis of continuing appointment in a position at a College different from the position to which the employee is appointed at that College under this Section, or where, due
to an employee’s length of service at a College, consideration for continuing appointment at that College would be required in less than two full academic years from the date of appointment under this Section.

35.5 a. Following the expiration of University-wide special consideration rights provided for in Section 35.4, an employee shall be entitled to an additional 18 months of special consideration for placement within the College at which the employee was employed at the time of retrenchment, provided that a suitable position for which the employee is qualified is available.

b. The procedure for College-wide special consideration shall be as follows:

1. The College President, or designee, will send copies of vacancy announcements pertaining to positions at the College to each employee who is entitled to special consideration as provided in this Section.

2. Employees entitled to special consideration shall have the right to apply for any position described in a vacancy announcement for which they believe themselves to be qualified.

3. Applications submitted by employees entitled to special consideration will be acted upon before applications submitted by other persons. To obtain such action, an employee must specify in the application that the application is being submitted in accordance with the special consideration procedure.

4. Qualified rank shall be used for academic employee appointments effected under this Section only in those cases where an employee had been serving on the basis of continuing appointment in a position at a College different from the position to which the employee is appointed at the College under this Section, or where, due to an employee’s length of service at a College, consideration for continuing appointment at that College would be required in less than two full academic years from the date of appointment under this Section.

35.6 a. For a period of four years following the effective date of either retrenchment or the commencement of a designated leave, whichever is sooner, irrespective of the employee’s acceptance of a temporary appointment within the University during the interim, an employee removed as a result of retrenchment shall be offered reemployment in the same position at the College at which the employee was employed at the time of retrenchment should an opportunity for such reemployment arise. The term “same position” shall mean a position at the College equivalent in its content, duties, responsibilities, requirements and obligations to that held by the employee at the time of retrenchment. To facilitate communication concerning reemployment, it shall be the employee's responsibility to ensure that the College's records reflect the employee’s current address. Offers of reemployment pursuant to this Section shall be made in inverse order of retrenchment. Any such offer of reemployment must be accepted within 15 working days after the date of the offer, such acceptance to take effect not later than the beginning of the semester immediately following the date the offer was made. In the event such offer of reemployment is not accepted, the employee shall receive no further consideration pursuant to this Section. In the event such offer of reemployment is accepted, the employee, upon commencement of such reemployment, shall receive the following benefits to the extent permitted by applicable law, rule or regulation:

1. Seniority for purposes of retrenchment. The employee shall receive the same seniority for purposes of retrenchment as held on the effective date of either retrenchment or the commencement of a designated leave, whichever is sooner.

2. Appointments. An academic employee who held a continuing appointment on the effective date of either retrenchment or the commencement of a designated leave, whichever is sooner, shall resume continuing appointment. A professional employee who held a permanent appointment on the effective date of either retrenchment or the commencement of a designated leave, whichever is sooner, shall resume permanent appointment.
3. Prior service credit. An employee who held a term appointment on the
effective date of either retrenchment or the commencement of a designated leave,
whichever is sooner, shall be granted a new term appointment and shall be credited
with all prior continuous service in the University up to a maximum of four years for
purposes of eligibility for permanent or continuing appointment.

4. Sick Leave. An employee shall be credited with the sick leave accruals
which the employee had on the effective date of either retrenchment or the
commencement of a designated leave, whichever is sooner.

b. On a quarterly basis, the University will provide UUP with a list of employees
to whom the provisions of this Section apply. UUP shall be provided with a copy of
any offers of reemployment made pursuant to provisions of this Section.

35.7 a. For a period of two years following the effective date of either retrenchment
or the commencement of a designated leave, whichever is sooner, irrespective of the
professional employee's acceptance of a temporary appointment within the University
during the interim, a professional employee holding a permanent appointment or a
term appointment with a balance of more than six months removed as a result of
retrenchment shall be offered reemployment in the same position at a similar college
from which the employee was employed at the time of retrenchment should an
opportunity for such reemployment arise. (See Appendix A-14 for a list of similar
colleges.) The term “same position” shall mean a position at a similar college
equivalent in its content, duties, responsibilities, requirements and obligations to that
held by the employee at the time of retrenchment. To facilitate communications
concerning reappointment, it shall be the employee's responsibility to ensure that the
College's records reflect the employee's current address. Offers of reemployment
pursuant to this Section shall be made after offers of reemployment provided for in
Section 35.6 of this Article. In addition, offers of reappointment made pursuant to
this Section should more than one retrenched employee apply for a position and if it is
determined that the position to be filled is the same position for more than one
employee shall be determined by seniority. Any such offer of reemployment must be
accepted within 15 working days after the date of the offer, such acceptance to take
effect not later than the beginning of the semester immediately following the date the
offer is made. In the event such offer of reemployment is not accepted, the employee
shall receive no further consideration pursuant to this Section. In the event such offer
of employment is accepted, the employee, upon commencement of such reemploy-
ment shall receive the following benefits to the extent permitted by applicable law,
rule or regulation:

1. Seniority for the purposes of retrenchment. The employee shall receive the
same seniority for purposes of retrenchment as held on the effective date of either
retrenchment or the commencement of a designated leave, whichever is sooner.

2. Appointments. A professional employee who held a permanent appointment
on the effective date of either retrenchment or the commencement of a designated
leave, whichever is sooner, shall be granted a three-year term appointment with a
review for permanent appointment prior to its expiration.

3. Prior service credit. An employee who held a term appointment on the date
of termination by reason of retrenchment shall be granted a new term appointment for
the balance of the term that was in effect on the effective date of either retrenchment
or the commencement of a designated leave, whichever is sooner, and with all prior
continuous service in the University up to a maximum of four years for purposes of
eligibility for permanent appointment.

35.8 Employees whose services are terminated as a result of retrenchment shall
continue to be covered by the State Health Insurance Plan for a period not to exceed
one year as provided in 3 NYCRR 73.2 (a)(3)(ii).
35.9 a. A single Statewide Continuity of Employment Fund shall be established which shall be administered by a Statewide Employment Committee consisting of four representatives appointed by the State and four representatives appointed by UUP.

b. The Employment Committee shall:

1. Study employee displacement problems arising from economy RIFs, programmatic reductions and curtailments, close-downs, relocations, reallocation of resources, consolidations and technological changes, relating to employees in the Professional Services Negotiating Unit.

2. Make recommendations for the solution of these problems, including but not limited to the use of normal and induced attrition, sharing available State job opportunities, transition to work in the labor market beyond State employment, placement within State employment, and the training or retraining of retrenched or high risk employees for other employment. Specifically, retraining funds will be available to employees whose services have been terminated due to retrenchment or who have been notified that their services will be terminated due to retrenchment and to those employees that the committee may deem to be in high risk categories. To administer the retraining funds, the committee shall develop procedures within 90 days following the execution of the Agreement and shall submit the procedures to the State and the UUP for review and approval. Upon their approval the procedures shall be promulgated to employees. In addition, the Employment Committee shall study and make recommendations to the Director of the Governor’s Office of Employee Relations and the President of United University Professions concerning the feasibility of providing Article 35.7 rights to academic employees.

3. Survey institutions of higher education regarding evaluation procedures for professional employees at those institutions and prepare a joint report to the President of UUP and the Director of the Governor’s Office of Employee Relations.

c. Recommendations made by the Employment Committee will not be binding on either the State or UUP, although they may form the basis for future negotiations and such agreements as the parties may enter into.

d. The State shall prepare, secure introduction and recommend passage of legislation in the amount of $300,000 for each year of this Agreement for expenditure in the Continuity of Employment Fund in accordance with the above-stated purposes. The unexpended portion of any year’s appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

ARTICLE 36

Program for Tuition Assistance

The State agrees to continue the existing tuition assistance program using a “space available” concept. When space is available, employees may enroll in a course on a tuition-free basis subject to the following requirements:

1. The University determines when space is available, recognizing that such determination must be made in sufficient time to permit enrollment by employees;

2. Employees must meet course prerequisites;

3. All fees other than tuition shall be paid by employees;

4. Employees may enroll in a maximum of one course per semester and special session, for example, summer session and intersession;

5. Minimum enrollment requirements established by the University as a necessary condition for offering a course shall not be affected by students interested in enrolling in a course on a space available basis; and

6. The program shall continue for the term of the Agreement.
ARTICLE 37
Retirement Income Supplementation Programs

37.1 The TIAA-CREF supplemental retirement annuity program which is currently available to State University managerial employees shall continue to be made available to employees.

37.2 An additional annuity contract may be provided through United University Professions pursuant to 28 United States Code, Section 403(b) from any “financial organization” (as defined in State Finance Law, Section 201.6(a)) in which employees may participate by voluntary payroll deductions to be transmitted directly to the financial organization by the State Comptroller.

37.3 An individual retirement account plan may be provided, through United University Professions, by a “financial organization” (as defined in State Finance Law, Section 201.6) pursuant to the Economic Recovery Tax Act of 1981 (P.L. 97-34) in which employees may participate by voluntary payroll deductions.

ARTICLE 38
Parking

38.1 UUP recognizes that the State may modify existing parking facilities for purposes including, but not limited to, construction of new buildings, roadways or other improvements. In the event that existing parking is impacted by such modifications, the State and UUP shall meet to consider alternatives for such parking. Such consideration shall include the issues of transportation to and from parking areas and parking for the handicapped.

38.2 The parking fee structure for the parking lot adjoining SUNY Plaza in Albany shall be governed by the Memorandum of Understanding between the State and UUP dated June 21, 1988, concerning parking fees for employees who park in employee parking facilities operated in and around Albany by the Office of General Services, Bureau of Parking Services.

38.3 The status quo will be maintained for parking facilities presently provided without charge and no existing charge for parking facilities shall be increased or decreased without negotiations pursuant to this Article. The State and UUP, upon the demand by either party, shall reopen negotiations concerning parking fees for employees in the unit, in any parking facility not covered by the aforementioned Memorandum of Understanding. Such negotiations shall be held at the appropriate level. The President of UUP and the Director of the Governor’s Office of Employee Relations shall be notified prior to commencement of negotiations and either party shall have the option of participating in the negotiations. Disputes arising from such negotiations shall be submitted to last offer binding arbitration through procedures to be developed by the parties.

ARTICLE 39
Health Insurance

39.1 a. The State shall continue to provide all the forms and extent of coverage as defined by the contracts in force on June 30, 1988, with the State's health insurance carriers unless specifically modified by this Agreement.

b. The State will continue coverage for birthing centers, home health care benefits, hospice and skilled nursing facility care as specified in the Memorandum of Understanding dated November 18, 1982.
39.2 a. Effective January 1, 1989, a new mandatory precertification program will replace the current Empire Plan pre-admission review and second surgical consultation programs. Precertification will be required for all elective (non-emergency, non-urgent, non-maternity) inpatient admissions and all designated surgical procedures, regardless of proposed inpatient or outpatient setting.

The enrollee (patient) will have initial responsibility to contact the precertification center, and the center will contact the patient's physician. As a result of the discussion with the patient's physician, the center will determine whether recommended medical care or surgery should be done in an inpatient or outpatient setting. In the event surgery is proposed, the center will also determine if a second surgical consultation is required. The physician, enrollee (patient) and hospital, as appropriate, will receive written confirmation of the determination.

Inpatient hospital admissions not precertified, either because of failure to request precertification or because the inpatient setting is deemed inappropriate by the Plan, will be paid subject to a $250 hospital deductible. In these instances, retroactive review of the necessity of services received shall be performed. For each day deemed inappropriate for an inpatient setting, an additional $100 deductible shall be incurred by the enrollee.

If a second opinion on the need for surgery is not obtained, as required, plan benefits for the surgery will be paid, using the same formula applied by the predecessor second surgical consultation program.

The scope of the revised second surgical consultation program, including designation of procedures for which a second surgical opinion will be required, will be subject to approval by the Joint Committee on Health Benefits.

Appeal procedures relating to both the precertification and second surgical consultation program requirements will also be established by the Joint Committee on Health Benefits.

b. Charges for outpatient services, covered by the hospital contract, excluding emergency room services, will be subject to an $8 co-payment per outpatient visit, for such services received on or after January 1, 1989. In addition, there will be an $8 co-payment for covered services for the treatment of alcohol or substance abuse. These co-payments will be waived for persons admitted to the hospital as an inpatient directly from the outpatient setting or for the following covered chronic care outpatient services: chemotherapy, radiation therapy, physical therapy and hemodialysis.

39.3 The State and the Joint Committee on Health Benefits shall review the existing programs for psychiatric services and alcohol and substance abuse treatment coverage. A revised program(s) for managed care for psychiatric services and alcohol and substance abuse treatment shall be implemented by the State and the Joint Committee on Health Benefits on January 1, 1989, or as soon as practical thereafter.

39.4 a. The Empire Plan shall include medical/surgical coverage through use of participating providers, who will accept the Plan's schedule of allowances as payment in full for covered services. Except as noted below, benefits will be paid directly to the provider at 100% of the Plan's schedule not subject to deductible, co-insurance, or annual/lifetime maximums.

b. 1. Effective January 1, 1989, office visit charges by participating providers will be subject to an $8 co-payment by the enrollee, with the balance of covered scheduled allowances paid directly to the provider by the Plan.

2. Effective January 1, 1989, all covered surgical procedures performed by participating providers during a visit will be subject to an $8 co-payment by the enrollee.

3. Effective January 1, 1989, all covered radiology services performed by participating providers during a visit will be subject to an $8 co-payment by the enrollee.
4. Effective January 1, 1989, all covered diagnostic/laboratory services performed by participating providers during a visit will be subject to an $8 co-payment by the enrollee.

5. The office visit, surgery, radiology and diagnostic/laboratory co-payment amounts may be applied against the major medical co-payment maximum; however, they will not be considered covered expenses for major medical.

c. The Empire Plan shall also include major medical coverage to provide benefits when non-participating providers are used. These benefits will be paid directly to enrollees according to reasonable and customary charges and will be subject to deductible, co-insurance, and calendar year and lifetime maximums.

1. Effective January 1, 1989, the ambulatory surgery procedures outlined in the Memorandum of Understanding dated November 18, 1982, will be covered to the same extent as all other covered surgical procedures under both the participating provider and major medical portions of the Empire Plan.

2. Effective January 1, 1989, Empire Plan coverage for ambulance services, other than when supplied by the admitting hospital, will be provided by major medical. Up to $50.00 of covered charges for professional ambulance service will be provided by major medical without deductible or co-insurance. Other coverage for ambulance services under major medical, in effect on June 30, 1988, will also continue.

3. The current last-quarter carry-over provision of the major medical component will be discontinued effective January 1, 1989.

d. The Empire Plan participating provider schedule of allowances and the major medical reasonable and customary levels will be at least equal to those levels in effect on June 30, 1988.

c. The State agrees to pay 90% of the cost of individual coverage and 75% of the cost of dependent coverage provided under the Empire Plan.

f. The State agrees to continue to provide alternative Health Maintenance Organization (HMO) coverage and agrees to pay 90% of the cost of individual coverage and 75% of the cost of dependent coverage under each participating HMO.

a. Effective January 1, 1989, the major medical component deductible shall be $130 per enrollee; $130 per enrolled spouse; and $130 per all dependent children. Effective January 1, 1989, and thereafter on each successive January 1, the annual deductible will increase by a percentage amount equal to the percentage increase in the medical care component of the C.P.I. for Urban Wage Earners and Clerical Workers, All Cities (C.P.I.-W.) for the period July 1 through June 30 of the preceding year.

b. Effective January 1, 1989, the maximum enrollee co-insurance out-of-pocket expense under the major medical component shall be $625 per individual or family in any year. Effective January 1, 1989, and thereafter on each successive January 1, the maximum annual co-insurance out-of-pocket expense will increase by a percentage amount equal to the percentage increase in the medical care component of the C.P.I. for Urban Wage Earners and Clerical Workers, All Cities (C.P.I.-W.) for the period July 1 through June 30 of the preceding year. Covered expenses for outpatient treatment by a psychiatrist, psychologist or certified social worker are excluded in determining the $625 maximum co-payment limit.

c. The routine newborn child care allowance under the major medical component shall be $100, not subject to deductible or co-insurance.

d. Effective January 1, 1989, the annual and lifetime maximum for each covered member under the major medical component shall increase from $1,000,000 to $2,000,000.

Covered spouses 50 years of age or older shall be allowed reimbursement up to $75 once every two years towards the cost of a routine physical examination. These benefits shall not be subject to deductible or co-insurance.

g. Effective January 1, 1989, office visit charges by participating providers for well-child care will be excluded from the office visit co-payment.

h. Effective January 1, 1989, charges by participating providers for professional services for allergen immunotherapy in the prescribing physician's office or institution, chemotherapy, radiation therapy, or hemodialysis will be excluded from the office visit co-payment.

i. Effective January 1, 1989, in the event that there is both an office visit charge and an office surgery charge by a participating provider in any single visit, the covered individual will be subject to a single $8 co-payment.

j. Effective January 1, 1989, outpatient radiology services and diagnostic/laboratory services rendered during a single visit by the same participating provider will be subject to a single $8 co-payment.

k. Effective January 1, 1989, the cost of oral and injectable substances for routine preventive pediatric immunizations shall be a covered benefit under the Empire Plan.

l. A Health Insurance Premium Flexible Spending Account shall be established as soon as practicable on a date agreed to by the Joint Committee on Health Benefits.

m. The continuation provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) will be implemented for UUP enrollees and their covered dependents as of January 1, 1989.

n. The Participating Provider Panel shall be expanded to include, but not be limited to, selected Durable Medical Equipment Providers who shall offer durable medical equipment at discounted prices.

39.6 Eligible employees in the State Health Insurance Plan may elect to participate in a Federally qualified or State-certified Health Maintenance Organization (HMO) which has been approved to participate in the State Health Insurance Program by the Joint Committee on Health Benefits. If more than one HMO services the same area, the Joint Committee on Health Benefits reserves the right to approve a contract with only one such organization.

39.7 Enrollees may change their health insurance option each year throughout the month of November, unless another period is mutually agreed upon by the State and the Joint Committee on Health Benefits. Changes between options will be permitted without regard to the enrollee's age or the number of previous transfers. If rate renewals are not available by the time of the option transfer period, then the option transfer period shall be extended to assure ample time for enrollees to transfer.

39.8 The State shall provide toll-free telephone service at the Department of Civil Service Health Insurance Section for information and assistance to employees and dependents on health insurance matters.

39.9 The State shall provide health insurance comparison information to employees, throughout State agencies, prior to the beginning of an open transfer period. If the comparison information is delayed for any reason, the transfer period shall be extended for a minimum of 30 calendar days beyond the date the information is distributed to the agencies. Employees transferring plans during a scheduled period but prior to the provision of the comparison data, may elect to further alter or rescind their health plan transfer during the remainder of the open transfer period.

39.10 Until a revised program for managed care for psychiatric services and alcohol and substance abuse treatment becomes effective as described in 39.3, outpatient psychiatric benefits shall remain as defined by the contract in force on June 30, 1988. Until such time as modified pursuant to Committee action under 39.3, Outpatient Psychiatric Benefits in force on June 30, 1988, shall appear in the Reference
Compendium referred to in Appendix A-20. Upon modification, the revised program will be placed in this Reference Compendium.

39.11 Effective July 1, 1988, there shall be a waiting period of forty-two (42) days after employment before a new employee shall be eligible for enrollment under the State's health insurance program.

39.12 a. When more than one family member is eligible to enroll for coverage under the State's health insurance plan, there shall be no more than one individual and dependent enrollment permitted in any family unit. Where both spouses are employees of the State, at the option of the couple, one family policy may be elected with the State paying the entire monthly cost of the family coverage up to the full cost of the Empire Plan. An equal dollar amount will be applied toward the cost of alternative HMO coverage. In the event of termination of employment, death, disability or retirement of one of the employees, or divorce, continued coverage will be made available to the parties for individual or family policies without evidence of insurability, regardless of the date of the next open transfer period.

b. Employees eligible to enroll in the State Health Insurance Program may select individual or individual and dependent coverage (family). Those eligible and enrolling for family coverage must provide the names of all eligible dependents to the Plan administrator in order for family coverage to become effective. Employees enrolling without eligible dependents, or those who choose not to enroll their eligible dependents, will be provided individual coverage.

39.13 Eligibility

a. All employees with full-time appointments shall be eligible to receive the benefits contained in Article 39.

b. All part-time employees who received the benefits provided for under Article 39 any time during the period commencing January 1, 1988, and ending on the close of business June 30, 1988, shall continue to be eligible to receive such benefits for so long as they are consecutively reemployed in the same capacity at the same college. In the event of a break in consecutive service for such employees, eligibility for the benefits provided for under Article 39 shall be determined pursuant to paragraphs (c) or (d) below as applicable.

c. Part-time academic employees who teach two or more courses in any one semester shall be eligible to receive the benefits contained in Article 39 during that semester. (Excluding those employees deemed to be casual pursuant to the resolution of IP Charge U-5724.)

d. Part-time professional employees shall be eligible to receive benefits if they are employed at a salary rate which would yield a total compensation of $8,000 or more between July 1, 1988, and June 30, 1989; $8,500 or more between July 1, 1989, and June 30, 1990; and $9,000 or more between July 1, 1990, and June 30, 1991. (Excluding those employees deemed to be casual pursuant to the resolution of IP Charge U-5724.)

e. Part-time employees who are not otherwise eligible for health insurance shall continue, during the term of this Agreement, to be permitted to participate on a full premium cost basis by the employee, in the State Health Insurance Program.

39.14 The confidentiality of individual subscriber claims shall not be violated. Except as required to conduct financial and claims processing audits of carriers and coordination of benefit provisions, specific individual claims data, reports or summaries shall not be released by the carrier to any party without the written consent of the individually insured employee or covered dependent.
ARTICLE 40

Employee Benefit Fund

40.1 The State and UUP agree that they shall hereinafter enter into a contract to provide for the continuation of the UUP Employee Benefit Fund, in accordance with such terms as shall be jointly agreed upon by the parties and subject to the approval of the Comptroller, to be administered by UUP to provide certain health and welfare benefits for "employees" to be defined hereinafter.

40.2 The State shall contribute an amount to the Employee Benefit Fund which shall equal the maximum payment per eligible employee as described below. The State shall deposit in the Employee Benefit Fund a maximum of $138.75 per employee for each quarter of the year beginning July 1, 1988, and ending June 30, 1989; $150.00 per employee for each quarter of the year beginning July 1, 1989, and ending June 30, 1990; and $161.25 per employee for each quarter of the year beginning July 1, 1990, and ending June 30, 1991; such amounts to be deposited as soon as practicable after the first day of each quarter.

40.3 The amount of the employee contribution to the benefit fund will continue to the same extent as outlined in the Memorandum of Understanding between the State of New York and the United University Professions, dated December 13, 1983, subject to a revised Memorandum of Understanding.

40.4 To the extent such information is available, the Employee Benefit Fund shall notify the State of any employee who is participating in the prescription drug plan provided by the Employee Benefit Fund and who is not enrolled in any State health insurance plan although eligible to do so. Such employee shall contribute and the State shall deduct from any such employee's salary the amount described in Section 40.3 above as indicated therein.

40.5 The prescription drug plan, provided by the Employee Benefit Fund, shall require an enrollee co-payment of no less than $2.00.

40.6 For the purpose of determining the amount to be deposited in accordance with Section 40.2 above, the number of employees shall be determined to be the number of employees on the payroll on the payroll date closest to 21 days before the first day of the quarter for which the deposit is to be made. In the case of persons in positions which are on an appointment cycle which does not place them on the payroll at such times, the parties shall agree upon a representative payroll period during the quarter to determine the number of such additional employees.

40.7 For purposes of this Article, the term "employee" shall mean any person holding a position in this negotiating unit who is eligible for enrollment in the State Health Insurance Plan in accordance with the provisions contained in Part 73 of the Rules and Regulations of the Department of Civil Service (4 NYCRR Part 73). Notwithstanding the above, the portion of the contribution for dental coverage shall not be required for those employees who would otherwise have been ineligible for dental coverage under the dental insurance plan administered by the Department of Civil Service (employees holding appointments expected to last less than six months).

ARTICLE 41

Joint Committee on Health Benefits

41.1 a. The State and UUP agree to continue a Joint Committee on Health Benefits. The Committee shall consist of three representatives selected by UUP and three representatives selected by the State.

b. The State shall seek the appropriation of funds by the Legislature to support committee initiatives and to carry out the administrative responsibilities of the Joint
Committee in the amount of $5.00 per eligible member for 1988-89; $5.50 per eligible member for 1989-90; and $6.00 per eligible member for 1990-91.

41.2 The Joint Committee shall work with appropriate State agencies in a review and oversight capacity. The Committee's areas of review and counsel may include, but are not limited to:
   a. Development of Health Benefit Communication Programs related to the consumption of health care services provided under the plan;
   b. Development of appropriate Health Insurance Training Programs;
   c. Development, in conjunction with the carriers, of revised benefit booklets, of descriptive literature and claim forms;
   d. The study of recurring subscriber complaints and recommendations for the resolution of those complaints; and
   e. The investigation and examination of other successful programs involving wellness, cost containment and alternative health care delivery systems.

41.3 The annual HMO review process shall be continued.

41.4 The Joint Committee on Health Benefits shall meet within 14 days after a request to meet has been made by either side.

41.5 The Joint Committee shall request administrative/technical assistance from appropriate State agencies and/or other sources deemed necessary and approved by the Joint Committee.

41.6 The Joint Committee on Health Benefits shall establish methods and procedures for review of disputed medical claims.

41.7 The Joint Committee on Health Benefits shall work with appropriate State agencies to monitor future employer and employee health plan cost adjustments and to make mutually agreed upon changes in the Plan benefit structure where appropriate, throughout the term of this Agreement.

41.8 The State shall require that the insurance carriers for the State health insurance plan submit claims and experience data reports directly to the Joint Committee on Health Benefits in the format and with such frequency as the Committee shall determine.

41.9 The Joint Committee shall be provided with each carrier rate renewal request upon submission by each carrier and the Joint Committee shall be briefed in detail periodically by the State on the status of rate negotiations with each carrier.

41.10 The Joint Committee shall work with the State to contract with a qualified organization(s) to administer the reviews of hospital services (precertification, concurrent and retrospective), the second surgical consultation program, the program of inpatient and outpatient managed psychiatric care and managed alcohol and other substance addiction treatment, and the program of voluntary catastrophic medical case management, under the Empire Plan.

41.11 The Joint Committee shall work with appropriate State agencies and external sources to conduct an extensive and thorough review and analysis of current plan administration and benefit plan design and utilization. Recommendations on ways to improve the effectiveness of plan operations that focus on maintaining the quality of benefits while establishing stable and affordable costs, will be solicited from such State agencies and external sources. A major focus of the study will be hospital, physician and other provider practice patterns which affect utilization levels and subsequently impact employer and employee costs.

The State shall seek the appropriation of funds by the Legislature for fiscal 1988-89 to support this comprehensive plan study.
ARTICLE 42
Professional Development and Quality of Working Life Committee

42.1 For the term of this Agreement, there shall be a Statewide Professional Development and Quality of Working Life Committee consisting of three representatives appointed by the State and three representatives appointed by UUP.

42.2 The Committee shall:
   a. Review, make recommendations and implement programs for professional development and training programs which will improve job performance and assist employees in developing their full professional potential and in preparing for advancement.
   b. Review recommended programs and implement programs intended to enhance the quality of work life for employees in this unit including, but not limited to, such areas as Employee Assistance Programs and Child Care.

1. The State shall prepare, secure introduction and recommend passage of legislation for appropriations in the amounts of $72,000 in 1988-89; $95,000 in 1989-90; and $95,000 in 1990-91 for Employee Assistance Programs. The unexpended portions of each year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

2. The State shall prepare, secure introduction and recommend passage of legislation for appropriation in the amounts of $530,000 in 1988-89; $570,000 in 1989-90; and $620,000 in 1990-91 for Child Care.

3. Administer a Professional Development and Quality of Working Life Fund, such fund to be provided by the State in the amount of $500,000 in 1988-89; $550,000 in 1989-90; and $750,000 in 1990-91. The unexpended portion of any year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

ARTICLE 43
Safety and Health Committee

43.1 a. A joint State/UUP Safety and Health Committee shall be established consisting of three members appointed by the State and three members appointed by UUP to identify and review safety-related issues affecting employees and to recommend plans for the correction of such matters.
   b. The Committee shall study and make recommendations to the Director of the Governor's Office of Employee Relations and the President of United University Professions concerning the issues.
   c. Recommendations made by the Committee will not be binding on either the State or UUP, although they may form the basis for future negotiations and/or such agreements as the parties may enter into.

43.2 The State shall prepare, secure introduction and recommend passage of legislation for an appropriation in the amount of $50,000 for each year of this Agreement for expenditure in accordance with the above stated purposes. The unexpended portion of each year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

43.3 a. All matters relating to safety and health shall also be considered appropriate matters for discussion and recommended resolution consistent with the Agreement by campus and university level labor-management committees. A labor-management committee or the State/UUP Safety and Health Committee considering a safety issue may refer the matter in whole or in part to a labor-management committee at any level or the State/UUP Safety and Health Committee for assistance in resolving the matter.
   b. In recognition that safety is a work place issue which transcends negotiating
units, the parties agree to foster a safety coalition involving all employee groups in the State to address common safety concerns.

ARTICLE 44

Housing and Meal Charges

44.1 Increases in current meal charges and housing charges as provided in Parts 137.1 and 137.2 of the Budget Director's Rules for employees in the Professional Services Negotiating Unit shall be applied as follows:

Meals
For the term of this Agreement, the rate employees pay for meals shall be adjusted each July 1 by the CPI-U, United States, "Food Away from Home" component, for the period October-September, published by the Bureau of Labor Statistics, U.S. Department of Labor.

Housing
For the term of this Agreement, the rate employees pay for housing shall be adjusted each July 1 by the CPI-U, United States, "Rent, Residential" component, for the period October-September, published by the Bureau of Labor Statistics, U.S. Department of Labor.

44.2 Such adjustments shall be determined as the percentage change in the above mentioned indexes during each twelve month period ending September 30 of the year immediately preceding the July 1 effective date. The resulting amount shall be rounded to the nearest whole dollar.

44.3 The above indexes shall be subject to review one time during the term of this Agreement upon the request of either party.

ARTICLE 45

Indemnification

Employees in the Professional Services Negotiating Unit shall be covered by the provisions of Section 19 of the Public Officers Law during the term of this Agreement.

ARTICLE 46

Savings Clause

In the event that any Article, Section or portion of this Agreement is found to be invalid or unenforceable by a final decision of a tribunal of competent jurisdiction or shall be in conflict with a national policy of wages and prices or shall have the effect of a loss to the State of funds or property or services made available through Federal law then such specific Article, Section or portion specified in such decision or which is in such conflict or having such effect shall be of no force and effect, but the remainder of this Agreement shall continue in full force and effect. In such an event either party shall have the right to immediately reopen negotiations with respect to the Article, Section or portion of this Agreement involved. The parties agree to use their best efforts to avoid any situation which might threaten such loss, and to contest any action which might result in such a loss to the State.
ARTICLE 47

Management Rights

Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the State are retained by it.

ARTICLE 48

Conclusion of Collective Negotiations

This Agreement is the entire agreement between the State and UUP, terminates all prior agreements and understandings and concludes all collective negotiations during its term, except as expressly otherwise provided in this Agreement. During the term of this Agreement, neither party will unilaterally seek to modify its terms through legislation or any other means. The parties agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement. Where reopened negotiations are provided for, the subject of such reopened negotiations shall be solely limited to the subjects specified and all other provisions of this Agreement shall remain in full force and effect during the course of such reopened negotiations.

ARTICLE 49

Legislative Action

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

ARTICLE 50

Duration

This Agreement shall be effective on the date it is signed by the parties, but not earlier than July 1, 1988, and shall continue through June 30, 1991, except as specified otherwise in the Agreement or by mutual agreement of the parties.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective representatives on September 13, 1988.

APPENDICES

The Appendices are explanatory statements of mutual intent. While the Appendices are not part of the collective bargaining agreement, the State and UUP are fully committed to observing the concepts articulated in these documents.

APPENDIX A-1

Dr. John M. Reilly, President
United University Professions
159 Wolf Road
Albany, New York 12205

Dear Dr. Reilly:

In response to your inquiry, this will confirm that the Policies of the State University Board of Trustees are contained in the Official Compilation of Codes, Rules and Regulations of the State of New York.

Sincerely,

s/Elizabeth D. Moore, Director
Governor’s Office of Employee Relations

APPENDIX A-2

Dr. John M. Reilly, President
United University Professions
159 Wolf Road
Albany, New York 12205

Dear Dr. Reilly:

This will confirm that the intent of Section 17.2 of this collective Agreement is to insure that a College has each employee’s current address and telephone number for purposes of communicating with the employee in connection with official College, University or State purposes. It is not our intent to make such information public, without an employee’s consent, either by printing it in directories or by any other means.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor’s Office of Employee Relations

s/John M. Reilly, President
United University Professions
Dear Dr. Reilly:

This will confirm that, in the negotiations for this collective agreement on the subject of parking, the State made the commitment that, subject to the results of reopened negotiations, existing free employee parking would not be converted to paid employee parking in the future.

In addition, both parties recognized that certain modifications to parking areas were currently in progress at several State University institutions and that neither the new collective agreement nor the State's commitment respecting parking described in this letter would affect those modifications.

The parties recognized further, however, that to the extent modifications in progress impacted current parking, UUP would have the right to meet with representatives of the State to discuss alternatives to limit that impact, and that issues such as transportation and parking for the handicapped would be appropriate for such discussions.

Furthermore, this will confirm our mutual understanding that, when a College is considered the appropriate level for parking negotiations, such negotiations will involve the College President and the local UUP Chapter President or their respective representatives.

Finally, this will confirm our understanding that a parking fee, as referred to in Article 38, represents a charge for use of College parking facilities. A registration fee is a separate and distinct charge which represents the modest costs associated with implementing and maintaining a system for registering those motor vehicles operated on campus. Such costs generally include printing, distribution, fee collection, and record keeping.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor's Office of Employee Relations
s/John M. Reilly, President
United University Professions
Dear Dr. Reilly:

This will confirm that the sole obligation arising from the term "consultation" as defined in Article XI, Title A of the Policies of the State University Trustees shall be consideration by a College President of recommendations of academic or professional employees, including the committees, if any, of the appropriate academic department or professional area, and other appropriate sources submitted to the College President in connection with appointment or reappointment of a specific employee.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor’s Office of Employee Relations

s/John M. Reilly, President
United University Professions

APPENDIX A-5

Dear Dr. Reilly:

With respect to discretionary increases which are provided for in this Agreement, this will confirm that upon the request of a departmental or professional area committee established for the purpose of making recommendations to a College President concerning discretionary salary increases, the College President, or designee (who shall be a managerial/confidential employee), shall meet with the committee to discuss the criteria upon which the College President’s recommendations to the Chancellor for discretionary increases were based.

Further, it is our understanding that the University will provide UUP with the rosters of the employees who shall receive discretionary increases before payments are made.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor's Office of Employee Relations

s/John M. Reilly, President
United University Professions
Dear Dr. Reilly:

This will confirm that, under provisions of Section 35.2 of this Agreement, temporary employees holding positions at a level of organization at which retrenchment will occur will be terminated before application of retrenchment to other employees at such level of organization.

With respect to the experimental designated leave option described in Section 35.3 (e), when the President or designee intends to request a waiver of the retrenched employee's potential contract grievances or a discontinuance of pending contract grievances, the President or designee shall inform such employee of the ability to request union representation during any discussions concerning such waiver or discontinuance. Any such request for union representation shall be in writing and shall be directed to the President or designee. The President, or designee, may grant or deny such request in writing. When such employee is informed about all aspects of the designated leave proposal, such employee shall receive five calendar days to consider and review such designated leave proposal.

Any waiver or discontinuance signed by such employee as part of a designated leave shall state that such employee:

1. has been informed about the ability to request union representation;
2. understands all conditions of the designated leave proposal; and
3. has received five calendar days to consider the designated leave proposal.

If a retrenched employee agrees to the designated leave proposal, such employee shall receive the designated leave payment bi-weekly.

Where any employee utilizing the designated leave option is thereafter employed in a full-time capacity by the State during the designated leave period, the designated leave shall be deemed to cease upon commencement of such employment.

Please sign the enclosed copy of the letter and return it to me for my files.

Sincerely,
s/Elizabeth D. Moore, Director
Governor’s Office of Employee Relations

s/John M. Reilly, President
United University Professions
APPENDIX A-7

Dr. John M. Reilly, President
United University Professions
159 Wolf Road
Albany, New York 12205

Dear Dr. Reilly:

With respect to subdivision 7.5 (c), this is to confirm our understanding that, although Step 3 reviews will be held on the record, a Step 3 meeting may be scheduled by mutual agreement between the State and UUP. If a Step 3 meeting is scheduled, it shall be held within 10 calendar days after receipt of the appeal.

This will confirm our understanding that subdivision 7.7(c) of the Agreement is not intended to require the arbitrator to issue a written decision and award on the arbitrability of an issue in dispute before accepting the argument and evidence on the merits of such issue unless both the State and UUP agree to hold such separate hearings. In the event the arbitrator does proceed to accept argument and evidence on the merits of such issue but ultimately determines it is not arbitrable, the arbitrator’s written decision and award concerning such issue shall be confined to arbitrability.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor’s Office of Employee Relations

s/John M. Reilly, President
United University Professions

APPENDIX A-8

Dr. John M. Reilly, President
United University Professions
159 Wolf Road
Albany, New York 12205

Dear Dr. Reilly:

This will confirm our mutual understanding that data provided to UUP by either the State or a College President, or designee, pursuant to Articles 16 and 17 of the Agreement shall be in computer-readable form if it exists in that format and if it is requested in that format by UUP.

Notwithstanding the above, neither the State nor the College shall be required to provide data in a format requested by UUP if it does not already exist in that format. Further, it is understood that nothing in this letter will require the State or the College to reprogram to meet a specific format request. Finally, should any additional costs be associated with providing the data in computer-readable form over and above what it currently costs the State or the College to provide the data, these costs will be borne by UUP.

Furthermore, this letter shall confirm that, where the State acts favorably on requests for information and data submitted by UUP pursuant to Article 17, the State shall encourage the campuses to act promptly in making such information available to UUP.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor’s Office of Employee Relations

APPENDIX A-13

The procedural steps of the Policies of the Board of Trustees regarding evaluation of professional employees are as follows:

“Section 4 — Evaluation

(a) Each professional employee in the Professional Services Negotiating Unit shall have his performance evaluated by his immediate supervisor formally, in writing, once each year during the term of appointment and as changing conditions warrant, except where the employee is serving his final year in the University following notice of nonrenewal. Such evaluation shall be based on a performance program determined by the immediate supervisor after consultation with the employee, a copy of which shall be given to the employee.

(b) Performance shall be characterized, in summary, as either satisfactory or unsatisfactory. A professional employee whose performance is characterized as “unsatisfactory” in a written report resulting from a formal evaluation may seek review of such report by the appropriate professional staff committee established for such purpose.”

APPENDIX A-18

Dr. John M. Reilly, President
United University Professions

Albany, New York 12205

Dear Dr. Reilly:

This is to confirm our mutual understanding that joint labor-management committees at the College level may develop mutually acceptable variants of the Albany Plan concerning internal promotions for professional employees at Salary Level I, II, III, and IV. The members of such committees will be selected by the respective College President and local UUP Chapter President. The plans so developed will be implemented on an experimental basis.

As part of these pilot projects, these committees will establish affirmative action standards, identify exempt titles, if any, and develop other College-specific features of the respective plan. If a College's committee cannot agree on a plan, the Albany Plan will be implemented at such College on an experimental basis.

These experimental programs shall commence on July 1, 1988, and end on June 30, 1989. Individual Colleges may implement their respective plans prior to July 1, 1988, if the local committee agrees. The experimental period may be extended beyond June 30, 1989, by mutual agreement at the College level.

Immediately subsequent to June 30, 1989, the State and UUP shall evaluate each College Plan. These experimental plans to which the State and UUP mutually agree shall continue.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor's Office of Employee Relations

APPENDIX A-19

Dr. John M. Reilly, President
United University Professions
159 Wolf Road
Albany, New York 12205

Dear Dr. Reilly:

Article 41 of this Agreement between New York State and the United University Professions provides for funding to support activities of the State/UUP Joint Committee on Health Benefits in amounts of $5.00 per eligible member for 1988-89; $5.50 per eligible member for 1989-90; and $6.00 per eligible member for 1990-91.

The Comptroller requires a formal agreement on how these funds will be allocated in order to approve their disbursement. Therefore, the State and UUP agree that these appropriations will be allocated to fund either activities of the State or UUP which directly support the responsibilities of the Joint Committee. In no case, however, will more than 50% of these appropriations be allocated either to the State or UUP, individually.

Please sign the enclosed copy of this letter and return it to me for my files.

Sincerely,

s/Elizabeth D. Moore, Director
Governor's Office of Employee Relations
