Hi, everybody. This is Al Oickle. I'm here to invite you to tune to WUSB on Tuesday, April 8, at 6 p.m. We'll be introducing a new public service program, called "Your Career." This inaugural program will feature a career in law enforcement. Have you thought about being a detective, a district attorney, or a defense attorney? How about a career in the medical field? What about being a physician, a physician's assistant, a physical therapist, or a physical therapist aide? From 6 to 7 o'clock on Tuesday, you will hear a panel of Stony Brook alumni who are professionals in the fields of health care, criminal justice, and health care. And you will be able to talk with them, on the air. That's "Your Career," a telephone call-in show for those of you interested in learning how to prepare for a career. Tuesday, 6 to 7 p.m. on WUSB, 90.1 on the FM dial.
