

TO: Norm Prusslin, Manager, WUSB-FM/90.1
FROM: Alvin F. Oickle, University News Services
SUBJECT: February schedule, "SUNY Side Up"
DATE: February 4, 1982

Here's the good news:

- Feb. 3 - Farewell to a Campus - Antoinette Bosco
- Feb. 10 - Women's Health Programs - William Mann, M.D.
- Feb. 17 - Black History Month - Lloyd Sergeant, Amiri Baraka,
~~Theodore R. Kennedy~~
- Feb. 24 - Stony Brooks' Super Swimmers - Coach John DeMarie
with Bjorn Hansen, Coach Dave Alexander with
Jan Bender.

Again, my thanks to you, Eric Price and the volunteers who helped recently: Rich Koch, Lou Heckheimer, Eric Corley and Steve Kreitzer.

I have heard a bit of the Rich Silverman-Tony White basketball programing and I was impressed. They seem to have a busy statistician. I'm pleased that WUSB has found the time for sports broadcasting. Perhaps another kind of format, including segments from other varsity sports as well as interviews, might be worked out in another season for a once a week report. Let me know if I can help.
