QUICK ANSWERS to important questions
Answers to questions that students most often ask.

1. Who can attend Summer Sessions?
   Students who attend other institutions and non-degree students, as well as Stony Brook students. Also, if you wish to continue studying at Stony Brook after the summer, you must follow the appropriate application procedures.

2. What is the SOLAR System?
   This is Stony Brook’s online student records system. You can register for, drop, and pay for your classes on the SOLAR System. You can also use it to view your class schedule, to see where your classes meet, and to view your grades at the end of the summer.

3. How do I find course schedules and descriptions?
   Visit the SOLAR System (www.stonybrook.edu/solarsystem) to view course schedules, descriptions, and class meeting locations. You do not need a Stony Brook ID number; just log in as a GUEST.

4. How do I register for classes?
   If you are an SB student, you enroll in Summer Sessions classes on the Web just as you would during the academic year. If you are a visiting student, you must first submit either the visiting undergraduate student or the visiting graduate student application. Then follow the instructions for the SOLAR System on pages 5–7.

5. Why do I need a Stony Brook ID number?
   You need this number to register and pay for classes, look up your class schedule, view your grade(s) on the SOLAR System, or have a transcript sent to another institution.

6. What do I do if I have forgotten my ID number?
   If you have forgotten your ID number, you must come in person to the Registrar’s Office and provide us with a photo ID for proof of your identity. If you have forgotten your password for the SOLAR System, follow the directions on the SOLAR System.

7. Will I be automatically dropped if I never attend any classes?
   No! If you change your mind about attending Summer Sessions, you must drop your class(es) yourself, otherwise you will be liable for all charges. You can drop classes on the SOLAR System.

8. How can I check my schedule and find out where my class meets?
   Log into the SOLAR System with your Stony Brook ID number and password.
9. When and how do I pay for my Summer Sessions classes?
You have seven (7) days after registering to pay for your classes. You may pay for them on the SOLAR System or by mail.

10. Why do I need a campus ID card?
You need this card to participate in a summer meal plan, check books out of the library, register your vehicle, use the fitness center and gym, and to receive any student discounts. You will need your Stony Brook ID number to obtain your campus ID card.

11. Where can I park and do I really need a parking permit?
Yes, you need a parking permit to avoid having your vehicle ticketed. Students with valid parking permits can park in one of the free commuter student lots or may pay to park in one of the campus parking garages. You can find out about parking—including any additional lots that may be open to summer students—during the first week of each session’s classes at information booths at the main entrance on Nicholls Road and at the commuter student parking lot adjacent to Stony Brook Road.

12. Is financial aid available for the summer?
It may be. If you attend Stony Brook during the academic year, check with Stony Brook's Financial Aid Office. If you attend another institution, check with its Financial Aid Office.

13. Should I register for the Pass/No Credit Option in the summer?
If you are a visiting student, ask your home institution whether or not they will accept a “P” on your transcript. Stony Brook students should refer to the Pass/No Credit policy detailed in the Undergraduate Bulletin. All summer students are limited to four (4) P/NC credits per session and a total of eight (8) P/NC credits during the entire summer.

14. How can I have a transcript sent to the school I attend during the academic year?
The Registrar will send an official transcript to your school upon receipt of your written request and a fee of $5.00, provided your account has been paid in full. You may download the request form from the Registrar’s Web site. Wait until your classes have finished so that your grade(s) will appear on the transcript.

15. Where can I eat on campus in the summer?
Check at one of the information booths or pick up the Summer Sessions FAQ Sheet to find out what dining facilities, other than the Student Activities Center, may be open in summer.

Please refer to the Table of Contents or Index of this Catalog for where to find more information about any of these questions. All information in this Catalog is subject to change without notice.
WHAT YOU SHOULD KNOW
about summer classes

• Course Levels
Courses numbered 100-299 are Lower Division Courses.
Courses numbered 300-499 are Upper Division Courses.
Courses numbered 500 and above are Graduate Courses.

• Graduate courses that begin with prefixes other than CE
These are open to SPD graduate students and non-Stony Brook graduate students with permission of the academic department. Call the appropriate department about graduate independent research or reading courses or an internship during the summer.

• Class Meeting Days, Times, and Course Descriptions
Class meeting days and times can be accessed as a PDF file from the Summer Sessions Web site, or by subject on the SOLAR System Class Search, along with the class numbers (needed for registration). Course descriptions, with the exception of specific topic descriptions, appear only on the SOLAR System. Topic courses that may be taken more than once as topics change are listed on the Summer Sessions Web site.

• Classroom Assignments
You may access classroom assignments on the Web through the SOLAR System. Students should use the SOLAR Class Search to obtain course building and room locations that are current. During the final week of registration classroom assignments will be posted outside the Registrar’s Office, second floor lobby of the Administration Building.

• Undergraduates Taking Graduate Courses
If you are a college junior or senior, you may enroll in graduate courses on a space-available basis to increase your knowledge in a particular area, or as part of a combined bachelor’s/master’s degree program. You must obtain written permission of the course instructor and the School of Professional Development (SPD) for courses beginning with the prefix CE or the Graduate School for all other graduate courses. Use form SUSB 3065, which is available from the Graduate School or SPD.

• Course Changes or Cancellations
Summer Sessions Updates list closed and canceled courses, along with other important information. These are available on the Summer Sessions Web site and are posted outside the Registrar’s Office (second floor of the Administration Building) and the SPD Office (N201 Social and Behavioral Sciences Building). It is a good idea to check the latest update before attending your first class, especially if you have enrolled early in the registration period.

• Register Early!
Waiting to the last moment to register is the best way we know to kill a class. If we don’t have enough registrants by the final week of registration we might have to cancel the course. Trying to register on the last day of registration won’t resurrect it.

HOW TO ENROLL IN CLASSES
The what, when, and where of enrolling in summer classes—whether you are new, visiting, or a continuing Stony Brook student—plus those all-important deadlines.

• SUMMER ENROLLMENT POLICY
Stony Brook University has an open enrollment policy during the summer. Graduates of accredited secondary schools or equivalency programs are welcome to enroll in summer undergraduate courses. Graduates of accredited four-year colleges and universities may take either summer graduate or undergraduate courses.

Admission to summer classes is for Summer Sessions only. If you wish to continue studying at Stony Brook during the academic year, you must follow Stony Brook’s standard application procedures. Please contact one of the offices indicated below.

• STONY BROOK STUDENT ENROLLMENT
Currently enrolled students may register for classes on the online SOLAR System starting:
April 19: G1-G4 grads (by enrollment appointment)
April 21: U4 seniors (by enrollment appointment)
April 25: U0-U3 undergrads (no enrollment appointment)
April 25: U0-U3 undergrads (no enrollment appointment)

Students may register until June 2 for Session I and the Extended Session and until July 13 for Session II. Late fees go into effect on May 31 and July 11, however. Permission to late register for classes is required after the third day of each session.

• NEW AND VISITING STUDENT ENROLLMENT
Undergraduate Students
New and visiting undergraduates may register on the online SOLAR System beginning April 25 if they have submitted the Visiting Undergraduate Student Application on the Summer Sessions Web site by March 30. If you submit your application any later, you must allow a minimum of five (5) days for processing your application before attempting to enroll in classes.

There is no fee for this application. After submitting your application, you will be assigned a Stony Brook ID number, which you will use for all registration transactions henceforth. For that reason, it is important that you keep a record of your ID number (and the password you select to access the SOLAR System) in a safe place.

Graduate Students
If you have graduated from a four-year institution, you must apply through the School of Professional Development (SPD) as a non-matriculated graduate student. The application fee is $35. Non-matriculated graduate students may register on the SOLAR System beginning April 25. You will be assigned a Stony Brook ID number, which you will use for all registration transactions henceforth. For that reason, it is important that you keep a record of your ID number (and the password you select to access the SOLAR System) in a safe place.

The non-matriculating graduate student application may be downloaded from the SPD Web site (www.stonybrook.edu/spd) or call (631) 632-7050 to request an application by mail.

• HIGH SCHOOL STUDENT ENROLLMENT
If you are a high school student who will complete your junior year in June and your grade point average is 85 or higher, you may take selected introductory (100-level) summer courses as a visiting undergraduate student. For information about summer courses open to high school students, contact:

Registrar, Summer Sessions Office
Stony Brook University
Stony Brook, New York 11794-1970
Telephone: (631) 632-7790
E-mail: summerschool@notes.cc.sunysb.edu

• INTERNATIONAL STUDENT ENROLLMENT
Language Requirement
If your first or native language is not English, you must demonstrate proficiency in English before you can enroll in classes at Stony Brook. Proof of English proficiency may include a degree from a U.S. school or a score of at least 550 paper-based, or 213 computer-based, on the Test of English as a Foreign Language (TOEFL) exam. Information on this exam is available from the Graduate School or by writing to the Educational Testing Service at the following address:

Princeton, NJ 08540 USA

Health Insurance
All non-immigrants in F or J status are required to pay a mandatory health insurance fee unless they can provide proof of comparable health insurance through another source. For further information about the mandatory health insurance, contact the Student Insurance Office in the Student Health Center (Infirmary) at (631) 632-6054.

Non-Immigrant Status
Enrollment solely in Summer Sessions courses without formal admission to the University does not establish valid immigration status for non-immigrant students. Those individuals who are in the United States in a non-immigrant status should consult with an International Student Advisor to determine whether your current immigration status allows registration in courses at Stony Brook. An International Student Advisor will review your immigration documents for recording in the campus database and provide advice regarding enrollment as a non-immigrant student. Please contact us at:

- IMPORTANT REMINDER ABOUT PAYMENT LIABILITY
Students are required to pay all fees, including housing fees, within seven (7) days of when they enroll in summer classes. If you have a tuition waiver, fellowship, grant, or approved deferment, you need to have all necessary forms completed and approved before you may enroll in summer classes.

If you change your mind about taking a course in which you have enrolled, it is imperative that you officially drop the course (see the following section entitled Dropping Courses), otherwise, you will be liable for payment of all tuition and fees. Stony Brook will not automatically deregister you if you fail to attend classes.

- ENROLLMENT CHANGES
Please visit the SOLAR System to find out how to add a course or cancel your enrollment. Refer to the Summer Academic Calendar for deadlines for making enrollment changes.

- DROPPING COURSES
If you change your mind about your courses, you must officially drop them yourself. Informing the instructor, not attending the class, and/or not paying the tuition and fees will NOT cancel your enrollment and it will NOT cancel your financial obligation. Deadlines are listed in the Summer Academic Calendar and on the Summer Sessions Web site. You do not need permission to drop courses within these deadlines. You may drop classes on the SOLAR System or in person, but you must do so within the deadlines, not just stop attending class.

www.stonybrook.edu/solarsystem

HOW TO USE THE SOLAR SYSTEM
(STUDENT ONLINE ACCESS TO RECORDS)
To search for a course offering or course description, you do not need a Stony Brook ID number; just log in as a GUEST.
When you find the course(s) you want to enroll in, write down the Class Nbr. (located on the left side of the screen), not the course number.
Example: To enroll in MAT 123.02, write down the class number, not MAT 123.02.

SOLAR System registration runs from 8:00 a.m. to 11:00 p.m.

Why do I need a Stony Brook ID number and how do I get one?

- To enroll in and pay for classes, review your class schedule, or view your grades at the end of the summer, you must have a Stony Brook ID number. If you are new to Stony Brook, this number will be e-mailed to you one time only after you have submitted a visiting student application. Be sure to keep a record of this number in a safe place.
- If you forget or lose your Stony Brook ID number, you must come in person to the Registrar's Office with photo identification. Your Stony Brook ID number is strictly confidential and cannot be e-mailed to you again or given out over the telephone.

How do I enroll in classes?
To log on to the SOLAR System as a student, you also need a password. Your initial password will be your date of birth in the following format: MM/DD/YY: You will then be prompted to choose a permanent password. Please remember your password because, like your ID number, you will need your password to enroll in and pay for classes, view your class schedule and class location(s), and see your grades at the end of the summer. If you log in and have forgotten your password, scroll down and click on Forgot Your Password and follow the directions to choose a new one.
Once you have logged onto the SOLAR System, you will notice the menu options on the left side of the screen. Click the link for Enroll, Add, Drop, Swap, P/NC.
Select the appropriate term to view or to modify. Your class schedule will appear. Click Add Classes to this schedule (link found at the bottom of the page).

In the Class Nbr. field, type the desired class number or search using the Search icon. You have the option of adding up to six courses (six rows available to input class numbers). If you wish to add more than six courses, click link Add Another Class directly under the list of rows. Click Submit.
If you encounter errors, click View Error Details for more information.
To view your class schedule, click View My Schedule link at the bottom of the page.
You may drop courses without a record being kept and without financial liability through the first five (5) class days of each session. It is also important that you drop the course(s) within the published deadlines to avoid being liable for tuition and fees, to be able to enroll in classes another semester, and to receive a transcript. Check the tuition refund and liability schedule for deadline dates.

- **COURSES ON DIFFERENT SCHEDULES**
  You may enroll in a late-starting class through the last weekday preceding the starting date for that course. These courses may also have different drop deadlines. Contact the Summer Sessions Office or Registrar’s Office.

- **MAXIMUM CREDIT LOAD**
  Both undergraduate and graduate students may enroll in a maximum of nine (9) units per session. Continuing Stony Brook undergraduates who wish to enroll in more than nine units in either session must obtain permission from the appropriate academic standing committee. Visiting undergraduate students may petition to enroll in more than nine units and should submit a letter from the college or university they attend during the academic year giving them permission to take more than nine units per session.

  Students are limited to four (4) P/NC units per session and a total of eight (8) P/NC units during the entire summer.

- **AUDITING COURSES**
  Because space is often limited in Summer Sessions classes, only matriculated Stony Brook students and senior citizens may audit summer courses. Both must have permission of the instructor and Summer Sessions or be a member of the Senior Citizens Auditing Program (see below). Stony Brook does not allow auditing of summer foreign language, science, laboratory, studio art, instrumental music, physical education, or other “hands-on” courses, although individual instructors may make occasional exceptions. Audit permission forms are available from the Summer Sessions Office.

  The University does not keep a record of courses audited nor does it grant any credit for audited courses. Auditors are expected to refrain from participating in class discussions and may not turn in or ask for grading of homework, term papers, or examinations. Students may change their status in a summer course from auditor to enrolled student during the first week of classes in each session.

**Senior Citizen Auditing**

http://www.stonybrook.edu/spd/lifelong/index.html#senior

Adults who are 60 years of age or older may audit most New York State-funded, credit-bearing courses offered at Stony Brook upon payment of a $10 auditing fee, provided space is available in the classroom and the instructor permits auditors. The exceptions to this policy include foreign language, science, laboratory, studio art, physical education, and instrumental music courses, as well as courses offered in self-supporting non-credit programs sponsored by the School of Professional Development, Crafts Center, Wellness Center, Museum of Long Island Natural Sciences, and Division of Physical Education and Athletics, among others.

Senior citizens pay a $10 auditing fee and register as auditors on the third day of classes of each session, between 10:00 a.m. and 2:00 p.m. in S102 Ward Melville Social and Behavioral Sciences Building. Please remember that auditors must refrain from participating in class discussions and may not turn in or ask for grading of homework, term papers, or examinations. For information, call (631) 632-7063 or e-mail Janet.Mclean@stonybrook.edu.

Mathematics Sequence Explanation

Stony Brook offers two calculus sequences, a three-semester sequence (MAT 125, 126, 127) and a two-semester sequence (MAT 131, 132) for students able to move at a faster pace. In addition, Stony Brook offers two introductory calculus courses, MAT 122 Overview of Calculus with Applications, and MAT 123 Introduction to Calculus.

MAT 122 provides an introduction to calculus for students who need only a one-semester introductory survey of the ideas of calculus. The course is especially appropriate for business and economics majors, as well as for the B.A. in psychology.

MAT 123 provides an introduction to calculus for students who plan to take additional calculus courses. Students who take MAT 123 may go on to take MAT 125 Calculus A or MAT 131 Calculus I.

NURSING COURSES
The School of Nursing offers a variety of summer graduate courses. Students may select departmental, core, and elective courses taught by visiting scholars and Stony Brook faculty. These courses include the most up-to-date, innovative practice and scholarship available to today's health-care professionals. Many courses are of direct interest to registered nurses in advanced clinical practice who wish to advance their knowledge and skills. Students enrolled in other institutions and/or professionals in other health-related disciplines are welcome to register for elective courses.

MONEY MATTERS what it costs...

When and how to pay and obtain a refund, and how to avoid tuition liability if you change your mind about taking a course (very important!).

- TUITON RATES
  Undergraduate Students
  NY State Resident: $181/unit
  Out-of-State Resident: $442/unit
  Graduate Students*
  NY State Resident: $288/unit
  Out-of-State Resident: $455/unit
  *Matriculated graduate students taking undergraduate courses must pay the graduate tuition rate.

- FEES
  Student Activity Fee:
  Undergraduates: $15/session
  Part-time Graduate Students: $5/session
  Comprehensive Fee: $105/session, plus $8.85/credit (College Fee)
  International Summer Student Insurance Fee: $106/session
  Late Add/Drop Fee: $20*
  Late Registration Fee: $40/session*
  Late Payment Fee: $30
  Transcript Fee: $5

  All charges are estimated as of December 2004 and are subject to change without notice.

  *The late registration, add/drop, and withdrawal deadlines are shown on the Summer Academic Calendar, inside back cover.

The college, student activity, and comprehensive fees are mandatory for all Summer Sessions students. The student activity fee is used to help fund recreational and social activities for Summer Sessions students, as well as to support the ambulance corps, and campus radio and TV stations.

The comprehensive fee funds the Student Health Service, as well as the transportation and technological services available to students, including the free bus service.

You may request a refund of the student activity fee on the basis of financial need, employment, internship/clinical rotation, child care, or commuting by submitting a Student Activity Fee Refund Request Form to: Undergraduate Student Government, 202 Student Activities Center, Stony Brook University, Stony Brook, New York 11794-2800; telephone (631) 632-6460.

If you are a non-immigrant international student, you are required to pay the mandatory health insurance fee listed above prior to enrolling in summer classes. However, if you can provide proof that you already have comparable health insurance, you may request a waiver. Contact the Student Health Insurance Office at (631) 632-6054.

- PAYMENT POLICIES AND PROCEDURES
  Summer Sessions students must pay for their summer classes within seven (7) days of enrolling. It is important to remember that if you change your mind about attending a class, you must drop the course yourself within the deadlines indicated in the box on the next page. Otherwise, you will be held liable for the applicable tuition and fees, plus additional charges. Non-attendance or nonpayment of tuition and fees does not relieve you of your financial obligation or entitle you to a refund. Until your account has been settled, you cannot enroll in classes or receive a transcript, diploma, or certificate of completion.

- HOW TO PAY
  You may charge your tuition and fees to MasterCard, Visa, Discover, or American Express when enrolling on the SOLAR system (www.stonybrook.edu/solarsystem). You may also pay in person by cash, check, or credit card at the Student Accounts Office, or mail your payment to: P.O. Box 619, Stony Brook, New York 11790-0619. Please write your ID number on your check and make it payable to Stony Brook University. Please call the Student Accounts Office at (631) 632-2455 if you have any questions concerning your bill.

  Tuition and fee liability is based on the schedule printed on the next page. All charges are subject to change without notice.

- LATE FEES
  If you enroll for the first time after a session has begun, you are charged a $40 late enrollment fee. If you receive permission to add or drop a course after the published deadline, you are charged a $20 late fee. If your check is returned by our bank, you are charged a $20 fee and you may also incur a $30 late fee.

- TUITION AND FEE LIABILITY
  If you change your mind about taking a course in which you have enrolled, it is imperative that you drop the course, otherwise you will be liable for payment of all tuition and fees. Stony Brook does not automatically deregister students for nonpayment of tuition and fees or failure to attend classes.
REFUND POLICIES AND PROCEDURES
Because students sometimes prefer that a credit be applied to their account for the following semester, you must request a refund. No refunds will be considered for students who have completed more than one-half of a session or term. Approved academic petitions to cancel courses will not automatically result in removal or adjustment of charges. If you wish to receive a refund to which you are entitled, submit your request to:

Student Accounts Office
254 Administration Building
Stony Brook University
Stony Brook, New York 11794-1301
Telephone: (631) 632-2455
Fax: (631) 632-1308

If you have charged your payment, an approved refund request will be credited to your charge card. You must apply for a refund within one year after the end of the session in which you were enrolled.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
Federal law regulates the confidentiality of and access to student records maintained by the University (Family Educational Rights and Privacy Act). For a more complete description of your rights and responsibilities under this law, please refer to the Undergraduate Bulletin, Fall or Spring Class Schedule, or Student Handbook. All of these are available on the Stony Brook Web site: www.stonybrook.edu.

FINANCIAL AID
Financial aid programs available for Summer Sessions:
• Federal Stafford Loan Subsidized
• Federal Stafford Loan Unsubsidized
• Parent Loan for Undergraduate Students (PLUS)
• Tuition Assistance Program (TAP)
• Federal Work Study

Summer Eligibility Requirements
Only matriculated Stony Brook students can apply for these programs. Visiting students should check with the institution they attend during the academic year. Applicants for Stafford Loans must enroll in Summer Sessions classes for a minimum of six (6) units. Undergraduate Federal Work Study applicants must be enrolled in three (3) units in Session II. Advanced graduate students engaged in full-time research must enroll in the appropriate course.

Because the TAP and the Stafford Loan programs have maximum awards that cannot be exceeded, applicants should check with the Office of Student Financial Aid Services to insure that their eligibility for future semesters will not be affected by a summer award.

Deferment of University Charges Based on Financial Aid
In order to have a deferment applied to your account based on your Summer Stafford Loan, you must have followed the application process and have received final approval from HESC. To obtain a deferment file, submit your application forms as early as possible. If your loan has not been approved and properly guaranteed by HESC, you are expected to pay your summer charges within seven (7) days of enrollment and you will be reimbursed when your financial aid funds have been received.

Summer TAP (Tuition Assistance Program) and FWS (Federal Work Study) awards cannot be used to defer payment. Because Summer TAP payments from HESC to the University can occur up to a year after the summer term for which payment was awarded, you are required to pay for your classes within seven (7) days of enrolling. Your Summer TAP award will be reimbursed in full to you when received by HESC, provided you have no other outstanding charges.

For more information, contact the Office of Financial Aid and Student Employment, 180 Administration Building. Telephone: (631) 632-8840. Fax: (631) 632-9525.

DEFINITIONS

Don’t know what DEC means or whether or not you are considered a visiting student? We explain these terms and others in this section.

Auditing. Attending a class for informational purposes only. No academic credit. Permission of instructor required.

Baccalaureate degree. A bachelor of arts or sciences degree from a four-year college or university.

Class Number. The number students use to enroll in a class. This is different from the department designator (see below).

Closed course. A class that is closed to further enrollment because the maximum number of students have enrolled in it.

Continuing student. A student who has been formally admitted to Stony Brook for the academic year as a matriculated or non-matriculated student and who is continuing, rather than beginning, study at Stony Brook as an admitted student.

Crosslisted course. One course offered jointly by more than one department, simply having different department designators and class numbers. Students may enroll under either class number.

DEC (Diversified Education Curriculum). General education requirements that Stony Brook undergraduate students enrolled in the College of Arts and Sciences, College of Engineering and Applied Sciences, and Marine Sciences Research Center must complete in order to graduate. Visiting students may ignore the DEC code designators unless they plan to apply for admission to Stony Brook for the fall or spring semester.

Department designator. The three letters (followed by the course number) that precede a course title. They identify the department that sponsors the course. Courses are identified by the department designator, course number, and section number. Example: AFS (department designator), 225 (course number), 01 (section number). Students do not use these letters and numbers to enroll in classes. See Class numbers (above).

Dropping a course. Dropping one or more course(s) in a summer term for which a student has enrolled, but not reducing the course load to zero units. The course is expunged from the student’s academic record. Differs from withdrawing from all courses in which a student has enrolled in a given term.

Extra-fee course. Certain courses, such as studio art courses, have mandatory extra fees that cover the cost of supplies for the course.

Grade reports. A report showing the final grades for all courses that a student has taken in each summer session. Differs from a transcript, which is an official academic record sent only to another institution.

Lab course. A course that meets for more official hours per unit than standard lecture courses to allow for actual laboratory work in the case of engineering, science, mathematics, and foreign language courses, or for in-class work in art, film, theatre, or other such courses.

Late enrollment. Enrolling in one or more courses after the session has begun. Late fee required.

Liability schedule. Refers to the percentage of payment that a student is responsible for when dropping one or more course(s) after the end of the published add/drop period.

Matriculation. Admission to an undergraduate or graduate degree program at Stony Brook. Enrollment in Summer Sessions does not constitute admission to Stony Brook for the academic year. See Open Enrollment below.

Non-matriculating graduate student. A student who has completed a baccalaureate degree and who is taking graduate or undergraduate courses without having been admitted into an individual degree program.

Open enrollment (Summer Sessions only). Students may attend Summer Sessions classes without being formally admitted to the University. Students who hope to continue studying at Stony Brook during the academic year must follow the standard admissions procedures for undergraduate and graduate students.

Prerequisite. Requirement that the student must have met before taking the course. Visiting students may use comparable courses from other institutions to satisfy this requirement. A student who enrolls in a course without having met the prerequisite may be deregistered.

Recitation. A required part of a course, in addition to the class lectures, that usually involves weekly small group discussion or quizzes for the purpose of reviewing information covered in the lectures. Recitations are usually not optional.

Session. Equivalent to one semester. Summer Sessions consists of two consecutive six (6) week sessions and one eight (8) week session.

Transcript. An official record of grades earned at Stony Brook, which is mailed directly to another college or university.

Visiting student. A student who has not yet completed a bachelor’s degree who is allowed to enroll in undergraduate courses at Stony Brook during Summer Sessions, but who has not been formally admitted to the University as an undergraduate student. See also Non-matriculating graduate student.

Withdrawing from one or more courses. Different from dropping a course. Students may withdraw from one or more courses from the end of the add/drop period through the end of the fifth week of classes in each session. They will receive a W on their academic record.
ACADEMIC INFORMATION
All about the grading system, summer graduation deadlines, transferring units, and
where to find complete information on academic regulations and student responsibilities.

• ACADEMIC POLICIES AND PROCEDURES
  For complete information on Stony Brook’s academic policies and procedures, undergraduate students should refer to the 2003-2005 Undergraduate Bulletin (www.stonybrook.edu/ugbulletin), graduate students admitted to a departmental program should refer to the 2003-2005 Graduate Bulletin (www.stonybrook.edu/bulletin.htm), and students admitted to the School of Professional Development should refer to the SPD Bulletin (www.stonybrook.edu/spd). Policies and regulations detailed in these bulletins apply to all students, including visiting summer students.

  Information about the academic advising services available to Summer Sessions students appears in the following section of this Catalog entitled Student Services and Resources. It is also available on the Summer Sessions Web site.

• GRADING SYSTEM
  Academic performance is expressed in letter grades, as follows: A (superior), A-, B+, B (good), B-, C+, C (satisfactory), C-, D+, D, D- (minimum passing, undergraduate courses only), F (failure), I (incomplete, a temporary grade indicating that the work of the course has not been completed because of circumstances beyond your control), NC (no credit), NR (no record), P (pass), Q (academic dishonesty), S (satisfactory), U (unsatisfactory). W indicates you withdrew from a course.

• PASS/NO CREDIT OPTION
  Stony Brook students should refer to the Undergraduate Bulletin (www.stonybrook.edu/ugbulletin) for information about and restrictions governing the P/NC option. Summer Sessions students may register for up to four (4) P/NC units per session and are limited to a maximum of eight (8) P/NC units during the entire summer. The P/NC option is not available to graduate students or graduate courses taken by undergraduate students.

  Visiting undergraduate students should obtain the approval of the institution they attend during the academic year before enrolling in a course as P/NC. Some institutions have their own restrictions on P/NC courses.

• INCOMPLETES
  If an instructor agrees to assign you an incomplete in a course, the instructor determines the date by which you must complete the work; however, the date may not be later than November 1. If the work has not been satisfactorily completed by then, the grade of I will automatically be changed to I/F and calculated as a failing grade.

• NO RECORD
  Grades of No Record (NR) that have not been replaced by a final grade or by a W by the end of the ninth week of the fall semester (for spring and summer NR grades) will be converted to one of the following grades: N/F for letter-graded courses, N/U for courses graded A-

C/U or S/U, or N/C for courses taken under the Pass/No Credit option. The grade of N/F will be treated as a failure for the purpose of academic standing and will be averaged as an F when the student’s grade point average is computed.

• GRADE REPORTS
  You may access your grades on the SOLAR System or the Automated Telephone System. If you need a transcript sent to your home institution, see below.

• TRANSCRIPTS
  You may request a transcript in person, by mail, or by fax to:
  Bursar’s Office
  261 Administration Building
  Stony Brook University
  Stony Brook, NY 11794-1351
  Fax: (631) 632-9318

  The cost is $5 per copy and you should request the transcript at least two weeks before you need it. Please wait until the end of the session, however, to be sure your grades have been recorded before the transcript request is processed. Please remember that the Registrar’s Office will not issue a transcript if you have any outstanding charges. To download the transcript request, visit: www.stonybrook.edu/registrar.

• TRANSFERRING COURSES
  Stony Brook Students
  Before enrolling in summer courses at other institutions, you need prior approval from Stony Brook to ensure that the courses will be transferable to Stony Brook. The necessary forms are available from the Transfer Office.
  Undergraduate Transfer Office
  134 Administration Building
  Stony Brook University
  Stony Brook, NY 11794-1909
  (631) 632-7028

  After you have completed approved summer study at another institution, have a transcript from that institution sent to the Transfer Office.

  It is not necessary to obtain prior approval for courses at other institutions that have been pre-evaluated by Stony Brook’s Transfer Office.

Courses Transferred from Other Regionally Accredited Institutions
  If the course is for elective credit or for the completion of a DEC category, go to the Transfer Office for approval.

  If the course is for major or upper-division credit, obtain a Transfer Evaluation Form from the Transfer Office, then have the appropriate academic department evaluate the course for equivalency. You will need copies of the course description from the catalog of the institution you plan to attend.

www.stonybrook.edu/summer
Visiting Summer Students
If you attend another institution during the academic year and plan to study at Stony Brook during Summer Sessions, be sure to have your course selections approved for transfer credit by that institution, even if it is another SUNY school.

- AUGUST GRADUATION
Candidates for August graduation may file applications until July 18. SPD candidates file at the School of Professional Development. Undergraduate students file at the Registrar's Office. Graduate students file at the Graduate School.

Undergraduate students who previously applied to graduate do not have to file a new application if their graduation is delayed until summer; they need only submit a written request for the new date to the Registrar's Office by July 18. However, SPD and graduate students must reapply by July 18.

- ADDITIONAL ACADEMIC INFORMATION
All Stony Brook academic regulations and student responsibilities apply to visiting Summer Sessions students as well as to those who attend Stony Brook during the academic year.

These include the Undergraduate Bulletin (and supplements), Summer Sessions Catalog, SPD Bulletin, Graduate Bulletin, Student Handbook, and Fall and Spring class schedules. It is also the student's responsibility to maintain current mailing and e-mail addresses on record with the Registrar's Office at all times.
