http://www.stonybrook.edu/asaforms/B-140W/

Submitted by: Lisa Coleman/Admin

03. Workshops/Courses/Training

1. Research 911 (at Stony Brook and Southampton)

Help!! Thought you could bang that paper out no problem, but you have more questions than answers? Bring your questions to this unstructured workshop and have them answered. Learn how to: locate that article you can't find but really want, find more and better sources for your paper, and correctly cite material used. Monday, November 16 @ 1:00 PM on the Stony Brook campus and Friday, November 20 @ 2:30 PM on the Southampton campus. Register @ http://www.stonybrook.edu/library/services/instruction/workshops.htm.

Submitted by: Yuet Tran/Lib
2. Small Business Development Center Workshop

Managing During Crisis - Turning Breakdowns in Business into Opportunities  
November 18 9:00 -11:00 am  
SBDC Offices, Building 17, Research and Tech Park  
Workshop is free but registration is required. To register, call Leslie at 632-9837 or e-mail: leslie.rurup@sunysb.edu

Submitted by: Lynne Schmidt/CEAS

3. Astonished Harvest: Poetry Workshop

A place to share your thoughts, listen, hone your writing skills. Are there things you'd like to say, feelings to express? We are a group of persons, from the Health Sciences Center and the interested in exploring the interface of poetry and medicine. Join us November 16, 2009 at 5:30 pm in the Preventive Medicine conference room, which is on the 3rd level of the HSC (Room 067-066).

Submitted by: Michael Roess/GST

4. Census 2010: Counting Everyone Once, Only Once and In the Right Place

Is your native language English, Spanish, Chinese, Korean, Vietnamese and Russian or one of 52 other languages? This workshop will cover what is collected as basic Census information and how this Census differs from all previous ones. Come find out: how to find population data and other statistics for your research, how the Census and the American Community Survey differ from each other, how government education and other grant money is distributed according to Decennial (every 10 years) Census results, and how private is the information you provide; what if I'm not a citizen and where students fill out the Census. Tuesday, November 17 @ 1:00 PM. Register @ http://www.stonybrook.edu/library/services/instruction/workshops.htm.

Submitted by: Yuet Tran/Lib

5. Pointing Your Faculty in the Right Direction: New Policies, Procedures and Resources for Teaching and Classroom Support You Should Know

Friday, November 20, 11:00am-1:00pm  
This workshop is designed to provide academic departmental staff with the most up to date information on selecting and scheduling classrooms for their faculty and the support services provided for classrooms. It will also cover faculty support and the new University policy on learning spaces.  
Lunch will be served. Seating is limited, please register.

https://tlt.stonybrook.edu/FacultyServices/Lists/Faculty%20Instructor%20Development%20
6. Ready to Relax

During this interactive workshop participants will use guided imagery, progressive relaxation, breath-work and mindfulness. You will learn to shift focus from outward which is required during the workday, to inward which facilitates recovery from stress. During this inwardly focused time participants will be given the tools and opportunity to release tension held in the body/mind. Please no cell phones or pagers.

Presenter: Colleen Stanley, EAP
November 17, 12:00 -1:00, HSC, Level 2, Lecture Hall 2
To Register Call 632-6085 or email us at eap@notes.cc.sunysb.edu
To Join our EAP Lunchtime Learning Listserve click on:
http://lists.sunysb.edu/index.cgi?A0=EAPTALK

7. Are you a Supervisor that hasn't recieved formal training in the supervisory function? If so, this workshop is for you

December 1-2, 2009 - 9:00am 4:30pm
This 2 day course is skill-based and examines the day-to-day practice of helping employees perform at their optimum level.
Built on practical models of what effective managers think, say and do, the work environment they want to create and the relationships they need to build and sustain, this program focuses on the best practices and techniques necessary to be a highly effective supervisor.

Key Highlights
-A competency approach to supervision
-Coaching and counseling
-Setting direction & focus
-Communication
-Delegation
-Personal styles
-Coaching for sustained development
-Strategies for influencing and motivating
-Action Plan

Target Audience:
ALL NEW SUPERVISORS as well as supervisors who have never been formally trained in the supervisory function.
Click below to register now!
8. CSEA Employees-Skills for Success (Free)!

The NYS & CSEA Partnership for Education and Training is pleased to announce FREE training classes in CSEA Long Island Region 1. Classes fill up quickly! Apply now!
Simply select the courses you want to attend, complete the application form, have your supervisor sign it, and fax it to 518-486-1989.
Additionally, a copy should be faxed to Labor relations at 632-2544.
Please share this information with other CSEA-represented employees.
Please visit the Partnership's website at www.nyscseapartnership.org to view the course catalog including course descriptions, eligibility information, future training dates and locations, and application information.

Submitted by: Lillian Valdez/Admin

9. I-9 Training (Seats are limited!!)

December 2, 2009 - 10:00am 11:00am
This training will provide you with a step-by-step explanation of what the employer must do in order to meet legal and procedural responsibilities associated with the Form I-9. We will focus on how to correct common mistakes and omissions that delay the hiring process, and will provide answers to frequently asked questions regarding documentation.
Target Audience: VP Coordinators, Departmental Personnel Administrators and anyone who is responsible for completing a Form I-9 on West Campus, South Campus, HSC, Manhattan and Southampton.

10. Diversity 101/And Justice for all...

November 19, 2009 9:00am 3:00pm
This full day program will provide participants with necessary information, resources, and guidance about Federal and State regulations; University policies around issues of discrimination; equal employment opportunity complaint resolution and diversity. It will clarify and communicate the roles, rights and responsibilities of supervisors, managers, employees and the Office of Diversity and Affirmative Action in these matters. The program will review appropriate methods for making referrals, the scope of confidentiality and the policy against retaliation. Through the use of case studies and other interactive exercises, this program will
allow participants to explore and discuss dimensions of diversity and inclusion, approaches to managing diversity, the impact of stereotyping and bias in the workplace. Each participant will develop a personal action plan.

Target Audience: All employees, supervisors, managers

11. Learn tips and tricks on providing the best Customer Service you can!

Outstanding Customer Service
November 19, 2009
All customer interactions have an impact on the perception of your organization. Excellent customer service is more than just employees smiling and making eye contact. It is an all-encompassing approach to making excellent service delivery part of the culture of your area. Everything a customer sees, hears or touches impacts the experience.

Key Highlights:
- Identify customer expectations and needs using active listening techniques.
- Learn how to create a culture of service excellence for your internal and external customers.
- Develop solutions to more challenging and difficult customer service situations.
- Identify ways to create more customer-friendly processes.

Target Audience: Open to all West Campus, South Campus, HSC, Manhattan and Southampton.

Click below to register now!

12. Manage your priorities don't let them overwhelm you!

Managing Multiple Priorities 11/17/2009 12:00pm - 1:00pm
Developing your ability to effectively use your time, set goals and focus on priorities while managing simultaneous responsibilities is key. Managing your work day is key to reducing stress as well as accomplishing goals successfully.

Key Highlights:
- Create effective work plans, prioritize competing tasks and plan for each day
- Identify inefficient uses of time and ways to improve or eliminate them

Target Audience: Open to all West Campus, South Campus, HSC, Manhattan and Southampton Employees

Click below to register now!

7. Film: Hiding Divya on 11/17/09 at 7 PM

In Hiding Divya, writer/director Rehana Mirza tackles the taboo of mental illness in the South Asian community. Mirza's powerhouse feature film debut provides a rare, realistic, and poignant glimpse into the lives of three generations of women: the bipolar matriarch Divya Shah (played by revered actress Madhur Jaffrey); her estranged daughter Linny (starring former Miss USA India, Pooja Kumar); and Linny's 16-year-old daughter, Jia (newcomer Madelaine Massey), whose emotional turmoil is buried under a veil of secrecy. Combining the deft humor of Mirza's award-winning shorts with the philosophical twists of her acclaimed stage plays, Hiding Divya tells a story of denial, shame, guilt and, most of all, love.
Introduction and discussion with Director Rehana Mirza, Producer Rohi Mirza Pandya, and Actress Madhur Jaffrey
Free Admission, Wang Center Theater
