Subject Please Welcome Jim Fiore, Athletic Director

To the Campus Community:

I am pleased to announce that we will introduce Jim Fiore as our new Athletic Director at a press conference to be held tomorrow, Wednesday, July 23 at the Indoor Sports Complex. The event will begin at 11 AM. Jim will be responsible for the supervision of Stony Brook's 20 intercollegiate athletics teams and comes to us with considerable experience, enthusiasm, and vision. He was senior associate director of athletics at Princeton and, prior to that, was assistant director of athletics at Dartmouth. He is a native of Long Beach.

Please join us at the event as we welcome Jim to the Stony Brook family.
