Subject Stony Brook Cares reminder

Colleagues,

The 2001 Stony Brook Cares campaign is approaching its conclusion, and I hope you will join us in finishing what may be the most successful campaign on record. We need your help to meet our goal of 15% participation in the campaign as, to date, only 10.4% of the campus community has done so. To those of you who have returned your pledge forms, thank you for your generosity. I urge those who have yet to contribute to think about joining your fellow members of the Stony Brook community in showing compassion and a giving spirit to those in our area who need our support. The campaign is scheduled to end on December 14th so time is running short. If you need another pledge form please contact Maureen Veprek at 2-7007 or mveprek@notes.cc.sunysb.edu .

Thank you,
Robert L. McGrath, Provost
Chairman, SB Cares/SEFA Campaign
