- **Education/Training** - **David Winchester**, Chair, Alternative Energy Subcommittee, Hauppauge Industrial Association; Provost **Eric Kaler**
- **Keynote Address:** US Congressman **Timothy Bishop**

Students, faculty and staff are invited to this important symposium.

Lighting of the Windmill, 5-7 p.m., Chancellors Hall. This year's annual Windmill Lighting at Stony Brook Southampton will include

Stony Brook University's marching band and mascot, Wolfie, jazz music, hot cocoa, cider and holiday treats, plus a welcome by Stony Brook University President Shirley Strum Kenny and Southampton Interim Dean Martin Schoonen, among other dignitaries. This will be the last Windmill Lighting for Kenny as President, as she had announced her upcoming retirement earlier this year.

Marine Science Lecture, 7:30 p.m., Duke LH. The School of Marine and Atmospheric Sciences and Stony Brook Southampton will present a talk on Long Island's vulnerability to coastal flooding in its "Critical Issues Facing the World's Oceans" lecture series. The popular series regularly attracts 80-90 audience members. Dr. Brian Colle, an Associate Professor in Stony Brook University's School of Marine and Atmospheric Sciences, will discuss "Climatology and Modeling of Storm Surges in New York's Coastal Waters."

Video Game Tourney, 8-11 p.m., Café. Sponsored by the Southampton Gaming League. Over 16 TVs and video-game consoles will be loaded up and ready to go. Prove your button-pressing prowess!

Saturday 12/6/08

NYC Trip. The Bus Leaves Lot A at 5 p.m. and leaves Manhattan at 11 p.m. See the City at holiday time! Details in the Wellness Center or e-mail Diane.Redo@stonybrook.edu.

So You Think You Can Rock? 8 p.m., Tree House. Take a turn at the mic with host RA Diana.

Contact Darren.Johnson@stonybrook.edu by Friday at 3 p.m. to include your news and events in next week's edition of "This Week at Stony Brook Southampton." Have a great week!
