**Workers Memorial Day is April 28th**
Many thousands die on the job and millions of workers are injured or diseased because of their job. April 28th each year since 1989 is set aside to honor these women & men who have or continue to suffer health issues. The struggle for Good Jobs, Safe Jobs is all of our concerns as we Mourn for the Dead, Fight for the Living.

Take a moment to note any Health & Safety issues in your workplace and take our chapter’s H & S survey on-line @ http://www.uupsbu.org.
