Also please note Council 82 rejected there 4 year all zero increase contract which also had give backs in higher % for health insurance and sick leave day reduction for pension. This was voted down 2 to 1 so they go back to the bargaining table.

Help our Fellow AFT Members in Alabama Recover from the Recent Storms

Many AFT members, especially in Alabama, were affected by the violent tornadoes and thunderstorms that ravaged many Southern states April 27, resulting in more than 300 deaths. "Our hearts go out to all the victims of this catastrophic event," AFT president Randi Weingarten says. "I'd like to commend the

tireless efforts of those who have been working to respond to this disaster, including our brothers and sisters at the Birmingham Federation of Teachers and the Jefferson County American Federation of Teachers."

Vi Parramore, president of the Jefferson County local, provided an update on how the local is responding

and how AFT members can help: "Our office is a collection point for relief items. Our retirees and volunteers

are carrying items to the hardest-hit areas. Many places have received no help yet. We are so upset over

the deaths, injuries and losses. Our members are homeless. This is so sad.

"Our calls to our school AFT leaders, school officials and others are slowly helping us decide how best to respond.

I am in touch with our superintendent and other community leaders daily. We are allowed into the storm

areas because of our work with so many agencies, law enforcement groups and our school leaders. Immediately, we have three homeless families."

"We are looking for housing, obtaining gift cards for clothing and essentials. We need hundreds of flashlights,

batteries, portable radios, wet wipes, diapers and many jars of baby food. We are also collecting sunscreen,

flip flops, new packs of children's underwear, hand sanitizer, garbage bags, takeout food containers for community groups to serve food and water. Thanks to all of our AFT families for their calls of support and help.

It will be a long road to recovery." The AFT delivered \$10,000 worth of much-needed supplies from the AFT Disaster Relief Fund over the weekend and is encouraging members to send donations to our brothers

and sisters in Alabama. You may do so by mailing donations or gift cards, or ordering requested items online and having them shipped to:

The CSI Challenge is coming to Stony Brook!

On Monday, June 6th hundreds of high school students will compete in the 11th Annual CSI Challenge.

The Crime Scene Investigation Challenge (CSI Challenge), is a hands-on educational opportunity for high school students to conduct a "real" criminal investigation, allowing them to showcase their knowledge

of forensic science, criminal investigation, and the law. **And it's FUN!**

Stony Brook students and staff are needed to volunteer to help set-up and run the event.

Volunteers are needed Sunday, June 5th for the set-up of the event including creating 40 forensically identical crime scenes. Volunteers are needed on Monday, June 6th to help run the event and break down the competition site. Come help us put on a great educational event! Your service will make a difference!

To volunteer e-mail: amy.margolies@stonybrook.edu

RSVP **No later than three days prior to an event** for lunch orders.
