

## Spring Our Environment Presentations

**Gilbert Hanson** to:  
Bcc: F.Jason Torre

01/23/2009 10:53 AM

During the coming semester you and your students may be interested in attending the following:

**Our Environment** is having a series of three talks on Sundays at 7 PM. in ESS 001

The theme is "**Reducing Our Carbon Footprint : Is Nuclear Energy an Option ?**"

On Sunday February 15 Dr. David Diamond of Brookhaven National Lab will present "**What is Nuclear Energy?**"

On Sunday March 15 Dr. Robert Bari of Brookhaven National Lab will present "**Why Nuclear Energy Should Be an Option.**"

On Sunday April 19 a person to be selected will present "**Why Nuclear Energy Should Not Be an Option .**"

There will be an opportunity after each presentation for audience discussion.

Our Environment web site is at <http://www.geo.sunysb.edu/our-environment/>

Please forward this information to others who may be interested.
