**NEW JOB POSTINGS:**

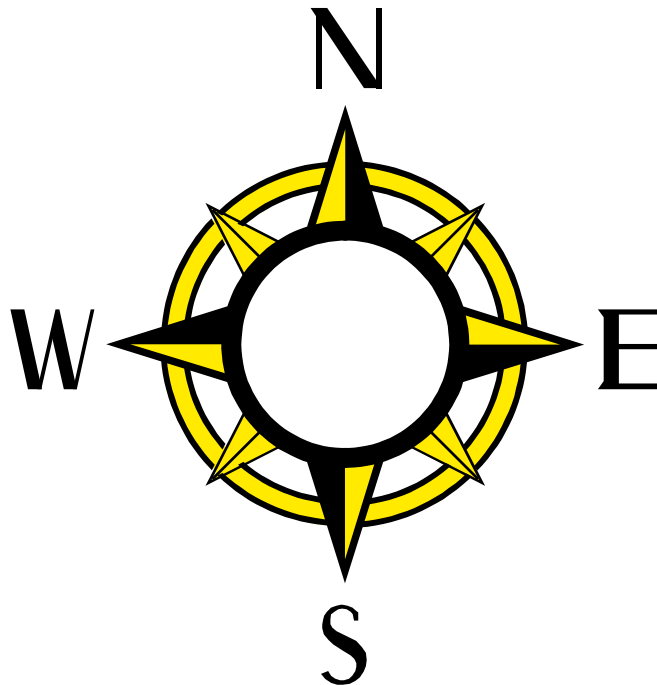

Inst. Support Associate - Music Library Inst. Support Associate - Tech Services

**FOR STUDENT SUPERVISORS:**

Please e-mail Pam the names and solar ID # of the summer students returning in the fall.

Any students who are returning from working during the past spring semester need to fill out a new application.

**WANTED: TOUR GUIDES!**

Do you have outgoing, friendly students who would be good tour guides?

This year, the Library Instruction Program is trying something new. We would like to train graduate student workers (and mature undergraduates) to conduct tours of the Melville Library. I would like any units that employ student workers to recommend students who would enjoy giving tours. Ideally, these are students currently working in the summer who are planning to return in the fall, because I need to train them before the Fall semester! I will, of course, hire some students myself, but since the tours only happen early in the semester, I won't have steady work for a lot of students for the rest of the semester. So it's best if they have a job elsewhere in the library. Any tours they conduct for the Instruction Program would be paid by my allocation.

If you have anyone in mind, please tell them of this opportunity and have them contact me immediately!  
Thank you very much.

Janet Clarke, Library Instruction Coordinator (Janet.Clarke@stonybrook.edu, 632-1217)
