Proposed Change to the University Senate Committee Charge

Proposed text:

Change name to University Environment Committee

This committee shall examine all aspects of the university environment, including but not limited to conservation of natural areas, ecological preserves and historical artifacts; transportation; parking issues; infrastructure; facilities planning; human health issues; safety and security; energy efficiency; recycling; waste management; and general appearance of all university locations. It will consult with and advise the Vice-President for Facilities and Services **and the Vice President for Student Affairs.**

Existing Text:

It shall examine all aspects of the campus environment, including but not limited to safety, security, facilities planning, state of facilities, and general appearance of the campus. It will consult with and advise the Assistant Vice President for Facilities and Services.
